LETTER TO SHAREOWNERS

CAPITAL CITY BANK GROUP, INC.

217 North Monroe Street
Tallahassee, Florida 32301

April 2, 2002

Dear Fellow Shareowners:

You are cordially invited to attend the 2002 Annual Meeting of Shareowners at 10:00 a.m., local time, on Tuesday, April 23, 2002, at University Center Club, Building B, Floor 3, University Center, Florida State University, Doak Campbell Stadium in Tallahassee, Florida.

At the meeting, I will give an update on Capital City's business and plans for the future. Also, we will elect three Class II directors to the Board of Directors. In contrast to prior years, we will not be ratifying our accountants at the meeting. In response to the Enron/Arthur Andersen situation, our Audit Committee has begun a comprehensive review and selection process to recommend to the Board of Directors the selection of an independent auditor for fiscal year 2002. This selection process is on-going as of the date of this letter.

Your Board of Directors encourages every shareowner to vote. Your vote is very important. Whether or not you plan to attend the meeting, please review the proxy materials and return your proxy instructions by Friday, April 12, 2002.

The meeting will begin at 10:00 a.m. I hope you will come early and join your friends for light refreshments at 9:30 a.m.

Sincerely,

/s/ William G. Smith, Jr.
William G. Smith, Jr.

COMPENSATION COMMITTEE REPORT

WHAT IS THE EXECUTIVE COMPENSATION PHILOSOPHY?

We are responsible for recommending to the Board of Directors the compensation of William G. Smith, Jr., the Company's President and Chief Executive Officer. Our intent is to provide a competitive compensation program linked directly to the Company's strategic business objectives and its short-term and long-term operating performance. With the objectives of strengthening company performance and maximizing shareowner value over time, this policy serves to align the interests of the President and Chief Executive Officer with those of the shareowners.

WHAT COMPRISES TOTAL EXECUTIVE COMPENSATION?

- . Base pay
- . Short-term incentives
- . Long-term incentives

TOTAL EXECUTIVE COMPENSATION

We use a peer group of banks as a guide for determining the level of compensation. The banks in the peer group were chosen based on the similarities with the Company relative to size and markets served.

We also periodically engage an independent executive

and the competitive market.

Mr. Smith was elected as President and Chief Executive Officer in 1995. His initial base salary was set at \$132,000 per year, and we have increased his base salary periodically since that time. In 2001, Mr. Smith's base salary was set at \$158,000 per year, and it has been adjusted in 2002 to \$175,000 per year. Mr. Smith has also had the opportunity to earn additional compensation under various performance-based compensation plans.

ANNUAL PERFORMANCE BONUSES

Annual cash bonuses are paid through the profit participation plan. All senior level executives participate in this plan.

PERFORMANCE GOALS

We base annual performance bonuses on the attainment of corporate and individual goals that we set at the beginning of the year.

We believe that accomplishing corporate goals is essential for the Company's continued success and sustained financial performance.

The amount of cash bonus which Mr. Smith may earn increases or decreases, within a range, by a multiple of the

compensation consultant to assist in the assessment and evaluation of the appropriateness of the compensation.

BASE SALARY

We determine base salary by assessing the responsibilities required by the position, the experience of the individual,

percentage by which net income exceeds or falls short of established profit goals. The goals are based upon earnings performance. We believe improved earnings performance will translate into long-term increases in shareowner value.

ANNUAL BONUS PAYMENTS

Mr. Smith's annual bonus was tied directly to the Company's actual profitability for 2001 compared to targeted profitability. We believe his performance and influence are best measured by the Company's profitability and performance goals. In 2001, his incentive compensation \$143,454, represented approximately 47% of his total cash compensation.

INCENTIVE PLAN

The Company maintains an Associate Incentive Plan. Under this plan, Mr. Smith is eligible to earn common stock. Actual grants are determined by the Board of Directors based on the achievement of short-term and long-term performance goals. These goals are set by the Board of Directors with reference to several performance factors. The factors are generally based on financial performance, including earnings, operating efficiency, asset quality and growth.

Specific targets and weightings used for establishing short-term and long-term performance goals are subject to change at the beginning of each measurement period, and are influenced by the Board of Directors' desire to emphasize performance in certain areas. In addition to stock earned in 2001, the Company provided a cash bonus equal to 31% of the value of stock as a partial offset to the tax liability incurred by Mr. Smith.

For achieving short-term performance goals for 2001, Mr. Smith received a payout of 738 shares under the Associate Incentive Plan, with a fair market value of \$24.23 per share as of December 31, 2001. The opportunity at maximum performance was 1,136 shares. Except as discussed below, Mr. Smith was not eligible to earn CCBG shares for achieving any long-term performance goals.

During the five-year period from January 1, 1997 to December 31, 2001, William G. Smith, Jr. was entitled to receive 22,500 shares of common stock as a restricted stock award under the Associate Incentive Plan. The award vested in five 4,500-share increments as the Company's stock met certain price thresholds. On December 19, 1997, Mr. Smith was granted 18,000 shares of common stock in accordance with the provisions of this award. On that date, the closing price of the common stock was \$26.83 per share. On February 28, 1998, Mr. Smith received the remaining 4,500 shares subject to this award. On that date, the closing price of the common stock was \$29.25 per share. Mr. Smith has satisfied all the conditions for receiving these shares.

On January 1, 2002, Mr. Smith and the Company entered into an agreement under which Mr. Smith will be eligible to receive Company stock options based on the compound growth rate of the Company's earnings per share over a three year period. Under this agreement, any stock options received by Mr. Smith will vest at a rate of one-third per year for each of the three years after the date of grant.

SUMMARY

We believe that the policies and programs described in this report link pay and performance and serve the best interests of shareowners. We frequently review the various pay plans and policies and modify them as we deem necessary to continue to meet the Company's business objectives and philosophy.

number of performance share units to be awarded, if any, to each participant who is selected to receive an award. The Board of Directors may add new participants to a performance share program after its commencement by making pro rata grants. At the completion of a performance share program, or at other times as specified by the Board of Directors, the Board of Directors will calculate the number of shares earned by multiplying the number of performance share units granted to the participant by a performance factor representing the attainment of the performance

the plan may not exceed 750,000. The plan is administered by the Board of Directors which has the authority under the plan to establish, adopt and revise plan rules and regulations and to make all determinations relating to the plan.

The plan authorizes the establishment of long-term performance share programs to be effective over designated award periods of not less than one year nor more than five years. At the beginning of each award period, the Board of Directors establishes performance goals. Performance goals may include financial or other measures of corporate performance and may be determined on an individual basis or by categories of participants. The Board of Directors has the discretionary authority to adjust performance goals or performance measurement standards as it deems equitable in recognition of extraordinary or non-recurring events experienced during an award period. The Board of Directors determines the

goals.

1995 ASSOCIATE STOCK PURCHASE PLAN

The 1995 Associate Stock Purchase Plan became effective on March 20, 1995. Up to 450,000 shares of common stock may be purchased under the 1995 Purchase Plan. The purpose of the plan is to provide associates of the Company and its subsidiaries with an opportunity to purchase common stock of the Company through accumulated payroll deductions or other contributions. The plan is intended to qualify as an "Employee Stock Purchase Plan" under Section 423 of the Internal Revenue Code of 1986. Under the terms of the plan, the common stock purchased by participants is purchased directly from the Company. The plan provides that common stock may be purchased at a discount, not to exceed 15 percent, which is to be fixed by the Board of Directors.

In fiscal year 2001, 15,004 shares of common stock were purchased under the plan. The Board of Directors has the right to amend or terminate the plan at any time. However, no amendment or termination may adversely affect purchase rights previously granted, unless the Board of Directors determines that the termination of the plan is in the best interests of the Company and its shareowners. In this situation, the Board of Directors may terminate an offering period under the plan on the last day of the offering period even though it may adversely affect purchase rights.

RETIREMENT PLANS

RETIREMENT PLAN

The Company maintains a noncontributory, defined benefit retirement plan which covers all full-time associates and part time associates with 1,000 hours of service annually that are employed by the Company and its subsidiaries. The following table shows the annual retirement benefits payable under the retirement plan to associates based on the stated compensation and years of service, assuming the participant was born in 1955 or later, all service is after 1988, and retirement is at the age of 65.

Compensation	Years of Accredited Service (Social Security Benefits Not Included)		
	10 Years	20 Years	30 Years
\$ 10,000	\$ 1,900	3,800	5,700
20,000	3,800	7,600	11,400
30,000	5,900	11,900	17,800
40,000	8,200	16,400	24,600
50,000	10,500	21,000	31,500
60,000	12,800	25,500	38,300
70,000	15,000	30,100	45,100
80,000	17,300	34,700	52,000
90,000	19,600	39,200	58,800
100,000	21,900	43,800	65,700
150,000	33,300	66,600	99,900

200,000	44,700	89,400	134,100
250,000	44,700	89,400	134,100

Benefits for retirement plan purposes are calculated based upon the average monthly compensation for the highest five consecutive years in the last 10 years of employment. The Company's retirement plan also provides pre-retirement disability and death benefits. For 2002, the maximum annual compensation recognized for benefit purposes is \$200,000, and the maximum annual benefit permitted under IRS regulations is \$160,000.

As of December 31, 2001, the applicable compensation levels and accredited service for determination of pension benefits for the named executive officers would have been:

	Compensation	Accredited Service
Thomas A. Barron	\$494,997	27
William G. Smith, Jr.	\$484,734	23
J. Kimbrough Davis	\$258,775	20

Benefits are equal to the adjusted accrued benefits as of December 31, 1988, computed in accordance with a prior formula, plus a percentage of average monthly compensation for each year of service after 1988. Employees with service prior to 1989 or born prior to 1955 will have different benefits from those shown above, depending upon their year of birth, years of service prior to 1989, and compensation level. No single table is possible for these employees due to the multiple variables involved.

SUPPLEMENTAL EMPLOYEE
RETIREMENT PLAN

401(K) PROFIT SHARING PLAN

Effective January 1, 1996, the Board of Directors of the Company implemented a supplemental employee retirement plan covering William G. Smith, Jr. and Thomas A. Barron. In 2001, the Board extended the coverage of this plan to J. Kimbrough Davis. This plan is designed to restore a portion of the benefits Messrs. Smith, Barron and Davis would otherwise receive under the Retirement Plan if these benefits were not limited by the tax laws. Participants under the Retirement Plan receive benefits determined by a formula that is based on average monthly compensation. Due to the tax law limitations, the relative benefits payable to Messrs. Smith, Barron and Davis are significantly less than those of other Retirement Plan participants. The supplemental plan provides additional benefits, which, when combined with benefits payable under the Retirement Plan, approximate 60 percent of average monthly compensation, which more closely aligns the benefits payable to Messrs. Smith, Barron and Davis with those of other Retirement Plan participants. The Supplemental Plan is not a qualified plan under the tax laws. The Company has no obligation to fund the supplemental plan but accrues for its anticipated obligations under the supplemental plan on an annual basis.

On October 1, 1997, the Company adopted a 401(k) plan. The purpose of the 401(k) plan is to serve as a supplementary retirement plan for employees who are eligible to participate. It is primarily intended to provide a convenient program of regular savings and investment for eligible employees. The 401(k) plan is presently administered by the Retirement Committee of the Company. Capital City Trust Company, an indirect wholly-owned subsidiary of the Company, serves as trustee of the trust fund into which funds contributed under the 401(k) plan and the earnings under the 401(k) plan are held. One investment option provided by the 401(k) plan is a fund of the Company's common stock. Up to 50,000 shares of common stock may be purchased under the 401(k) plan. During fiscal year 2001, no shares of common stock were issued under the 401(k) plan, but plan participants made open market purchases in the amount of 1,747 shares. Purchases of the Company's common stock under this plan are voluntary, and the Company does not restrict the sale of its common stock under the 401(k) plan.

AUDITORS
--

The Audit Committee is in the process of selecting an independent auditor for Capital City Bank Group for the fiscal year ending December 31, 2002. This process was not complete as of the mailing of this Proxy Statement. For this reason, the shareowners of Capital City Bank Group are not being requested to ratify the selection of the Company's auditors this year. Once the Audit Committee completes its review, it will recommend to the Board of Directors the selection of an independent auditor for the Company for fiscal year 2002. The Company's current auditing firm, Arthur Andersen LLP, has served as its independent auditors since the 1994 fiscal year.

With respect to fiscal year 2002, the independent auditor selected for the Company will audit the Company's consolidated financial statements, provide limited reviews of quarterly reports, perform services related to filings with the Securities and Exchange Commission and other non-audit related services.

Fees billed to Capital City Bank Group by Arthur Andersen LLP during fiscal 2001 were as follows:

Audit Fees - Audit fees billed to Capital City Bank Group by Arthur Andersen LLP during the Company's 2001 fiscal year for audit of the Company's annual financial statements and review of the financial statements included in the Company's quarterly reports on Form 10-Q totaled \$180,200.

Financial Information Systems Design and Implementation Fees - The Company did not engage Arthur Andersen LLP to provide advice to the Company regarding financial information systems design and implementation during the fiscal year ended December 31, 2001.

All Other Fees - Other fees billed to the Company by Arthur Andersen LLP during the Company's 2001 fiscal year totaled \$194,077. These fees include \$79,100 for audit related services and \$114,977 for non-audit services. All Other Fees consist primarily of fees for preparation of income and property tax returns, co-sourcing of the information technology internal audit, acquisition related filings with the SEC and auditing of the Company's retirement plans.

The Audit Committee has determined that the non-audit services provided by Arthur Andersen LLP during the fiscal year ended December 31, 2001 were compatible with maintaining their independence.

Representatives of Arthur Andersen LLP may be present at the meeting to respond to appropriate questions and to make any statements as they may desire.
