FORWARD-LOOKING STATEMENTS

Forward-looking statements in this Press Release are based on current plans and expectations that are subject to uncertainties and risks, which could cause our future results to differ materially. The words "may," "could," "should," "would," "believe," "anticipate," "estimate," "expect," "intend," "plan," "target," "vision," "goal," and similar expressions are intended to identify forward-looking statements. The following factors, among others, could cause our actual results to differ: our ability to successfully manage credit risk, interest rate risk, liquidity risk, and other risks inherent to our industry; the effects of changes in the level of checking or savings account deposits and the competition for deposits on our funding costs, net interest margin and ability to replace maturing deposits and advances; legislative or regulatory changes; adverse developments in the financial services industry generally; inflation, interest rate, market and monetary fluctuations; uncertainty in the pricing of residential mortgage loans that we sell, as well as competition for the mortgage servicing rights related to these loans; interest rate risk and price risk resulting from retaining mortgage servicing rights and the effects of higher interest rates on our loan origination volumes; changes in monetary and fiscal policies of the U.S. Government; the cost and effects of cybersecurity incidents or other failures, interruptions, or security breaches of our systems or those of our customers or third-party providers; the effects of fraud related to debit card products; the accuracy of our financial statement estimates and assumptions; change in accounting principles, policies, practices or guidelines; the frequency and magnitude of foreclosure of our loans; the effects of our lack of a diversified loan portfolio; the strength of the local economies in which we operate; our ability to declare and pay dividends; structural changes in the markets for origination, sale and servicing of residential mortgages; our ability to retain key personnel; the effects of natural disasters (including hurricanes), widespread health emergencies (including pandemics), military conflict, terrorism, civil unrest or other geopolitical events; our ability to comply with the extensive laws and regulations to which we are subject; the impact of the restatement of our previously issued consolidated statements of cash flows and any deficiencies in the processes undertaken to effect such restatements; any inability to implement and maintain effective internal control over financial reporting and/or disclosure control or inability to remediate our existing material weaknesses in our internal controls deemed ineffective; the willingness of clients to accept third-party products and services rather than our products and services; technological changes; the outcomes of litigation or regulatory proceedings; negative publicity and the impact on our reputation; changes in consumer spending and saving habits; growth and profitability of our noninterest income; the limited trading activity of our common stock; the concentration of ownership of our common stock; anti-takeover provisions under federal and state law as well as our Articles of Incorporation and our Bylaws; other risks described from time to time in our filings with the Securities and Exchange Commission; and our ability to manage the risks involved in the foregoing. Additional factors can be found in our Annual Report on Form 10-K for the fiscal year ended December 31, 2023, as amended, and our other filings with the SEC, which are available at the SEC's internet site (http://www.sec.gov). Forward-looking statements in this Press Release speak only as of the date of the Press Release, and we assume no obligation to update forward-looking statements or the reasons why actual results could differ, except as may be required by law.

SUPPLEMENTAL INFORMATION

FOURTH QUARTER 2024

HIGHLIGHTS - 4Q24 VS 3Q24

- Income Statement
- Tax-equivalent net interest income totaled \$41.2 million compared to \$40.3 million for the prior quarter
- Net interest margin increased 5 basis points to 4.1% (total deposit costs down 6 basis points partially offset by a 1 basis point decrease in earning asset yield).
- Stable credit quality metrics and credit loss provision net loan charge-offs were 25 basis points (annualized) of average loans – allowance coverage ratio was 1.10% at December 31, 2024
- Noninterest income decreased \$0.8 million, or 3.9%, driven by lower mortgage banking revenues
- Noninterest expense decreased \$1.1 million, or 2.7%, primarily due to lower other expense which included a gain from the sale of a banking office

Balance Sheet

- Loan balances decreased \$16.1 million, or 0.6% (average), and \$31.5 million, or 1.2% (end of period)
- Deposit balances increased \$28.4 million, or 0.8% (average), and increased \$92.9 million, or 2.6% (end of period), reflective of the seasonal increase in public fund balances
- Tangible book value per share increased \$1.05, or 4.6%, due in part to a favorable year-end remeasurement adjustment for the pension plan (\$0.60 per diluted share)
