**Item 1.01 Entry into a Material Definitive Agreement**

On November 1, 2004, Capital City Bank Group, Inc. (the “Registrant”) completed a trust preferred securities financing in the amount of \$30 million. See Item 2.03 below. In connection with the financing, the Registrant entered into a Placement Agreement, a Junior Subordinated Indenture, a Guarantee Agreement and an Amended and Restated Trust Agreement filed as Exhibits 1, 4.1, 4.2 and 4.3, respectively, to this Report and incorporated herein by reference.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant**

On November 1, 2004, the Registrant completed a trust preferred securities financing in the amount of \$30 million. In the transaction, the Registrant established CCBG Capital Trust I, a Delaware statutory trust (the “Trust”). The Trust issued and sold \$30 million of Floating Rate Preferred Securities (the “Preferred Securities”) in a private placement and issued \$928,000 of Trust common securities to the Registrant. The Trust used the proceeds of these issuances to purchase \$30,928,000 of the Registrant’s Floating Rate Junior Subordinated Notes due December 31, 2034 (the “Notes”). The interest rate on the Notes and the Preferred Securities is fixed for five years at 5.71%. After five years, the Notes and the Preferred Securities will bear interest at the three-month LIBOR rate plus 1.90%, adjusted quarterly. The Notes are the sole assets of the Trust and are subordinate to the Registrant’s senior obligations. Concurrently with the issuance of the Notes and the Preferred Securities, the Registrant issued a guarantee related to the trust securities for the benefit of the holders.

The Notes may be redeemed after five years, and sooner in certain specific events, including in the event that the financing is not eligible for treatment as Tier 1 capital, subject to prior approval by the Federal Reserve Board, if then required. Interest on the Notes may be deferred at any time or from time to time for a period not exceeding 20 consecutive quarterly payments (five years), provided there is no event of default and the deferral does not extend beyond December 31, 2034.

On November 3, 2004, the Registrant announced these transactions in a press release filed as Exhibit 99.1 to this Report and incorporated herein by reference.

Ladies and Gentlemen:

Capital City Bank Group, Inc., a Florida corporation (the "Company"), and its financing subsidiary, CCBG Capital Trust I, a Delaware statutory trust (the "Trust," and hereinafter together with the Company, the "Offerors"), hereby confirm their agreement (this "Agreement") with you as placement agent (the "Placement Agent"), as follows:

Section 1. Issuance and Sale of Securities.

1.1 Introduction. The Offerors propose to issue and sell at the Closing (as defined in Section 2.3.1 hereof) THIRTY Million (\$30,000,000) Dollars of the Trust's Preferred Securities, with a liquidation amount of \$1,000 per preferred security, bearing a fixed rate of interest equal to 5.71% per annum through the interest payment date in December 2009 and, thereafter, a variable rate of interest, per annum, reset quarterly, equal to LIBOR (as defined in the Indenture (as defined below) plus 1.90% (the "Preferred Securities"), to STI Investment Management, Inc., a Delaware corporation (the "Purchaser"), pursuant to the terms of the Preferred Securities Subscription Agreement entered into, or to be entered into on or prior to the Closing Date (as defined in Section 2.3.1 hereof), between the Offerors and the Purchaser (the "Subscription Agreement"), the form of which is attached hereto as Exhibit A and incorporated herein by this reference.

1.2 Operative Agreements. The Preferred Securities shall be fully and unconditionally guaranteed on a subordinated basis by the Company with respect to distributions and amounts payable upon liquidation, redemption or repayment (the "Guarantee") pursuant and subject to the Guarantee Agreement (the "Guarantee Agreement"), to be dated as of the Closing Date and executed and delivered by the Company, as guarantor, and Wilmington Trust Company, as guarantee trustee (the "Guarantee Trustee"), for the benefit from time to time of the holders of the Preferred Securities. The entire proceeds from the sale by the Trust to the holders

of the Preferred Securities shall be combined with the entire proceeds from the sale by the Trust to the Company of its common securities (the "Common Securities"), and shall be used by the Trust to purchase THIRTY MILLION NINE HUNDRED TWENTY-EIGHT Thousand (\$30,928,000) Dollars in principal amount of the Junior Subordinated Notes (the "Junior Subordinated Notes") of the Company. The Preferred Securities and the Common Securities of the Trust shall be issued pursuant to an Amended and Restated Trust Agreement among Wilmington Trust Company, as property trustee (the "Property Trustee"), Wilmington Trust Company, as Delaware Trustee, the Administrative Trustees named therein and the Company, as depositor, to be dated as of the Closing Date and in substantially the form heretofore delivered to the Placement Agent (the "Trust Agreement"). The Junior Subordinated Notes shall be issued pursuant to an Indenture (the "Indenture"),

to be dated as of the Closing Date, between the Company and Wilmington Trust Company, as indenture trustee (the "Indenture Trustee"). The documents identified in this Section 1.2 and in Section 1.1 are referred to herein as the "Operative Documents." The Preferred Securities, the Common Securities and the Junior Subordinated Notes are collectively referred to as the "Securities." All other capitalized terms used but not defined in this Agreement shall have the meanings ascribed to them in the Indenture.

1.3 Rights of Purchaser. The Preferred Securities shall be offered and sold by the Trust directly to the Purchaser without registration of any of the Preferred Securities, the Junior Subordinated Notes or the Guarantee under the Securities Act of 1933, as amended (the "Securities Act"), Securities and Exchange Commission (the "SEC") rules or any other applicable securities laws in reliance upon exemptions from the registration requirements of the Securities Act set forth under Section 4(2) of the Securities Act and Commission Rule 506 and other applicable securities laws. The Offerors agree that this Agreement shall be incorporated by reference into the Subscription Agreement and the Purchaser shall be entitled to each of the benefits of the Placement Agent and the Purchaser under this Agreement and shall be entitled to enforce obligations of the Offerors under this Agreement as fully as if the Purchaser were a party to this Agreement. The Offerors and the Placement Agent have entered into this Agreement to set forth their understanding as to their relationship and their respective rights, duties and obligations.

1.4 Legends. Upon original issuance thereof, and until such time as the same is no longer required under the applicable requirements of the Securities Act, the Preferred Securities, the Junior Subordinated Notes and the Common Securities certificates shall each contain a legend as required pursuant to any of the Operative Documents.

## Section 2. Purchase of Preferred Securities.

2.1 Exclusive Rights; Purchase Price. From the date hereof until the Closing Date (which date may be extended by mutual agreement of the Offerors and the Placement Agent), the Offerors hereby grant to the Placement Agent the exclusive right to arrange for the sale to the Purchaser of the Preferred Securities at a purchase price equal to \$1,000 per Preferred Security. The aggregate purchase price shall be THIRTY Million (\$30,000,000) Dollars (the "Purchase Price"), which Purchase Price is equal to 100% of the stated liquidation amount of the Preferred Securities.

3

2.2 Subscription. The Offerors hereby agree to evidence their acceptance of the subscription by countersigning a copy of the Subscription Agreement and returning the same to the Placement Agent.

### 2.3 Closing and Delivery of Payment.

2.3.1 Closing; Closing Date. The closing (the "Closing") for the sale and purchase of the Preferred Securities by the Offerors to the Purchaser shall occur at the offices of Alston & Bird LLP, 1201 W. Peachtree St., Atlanta, Georgia 30309 or such other place as the parties hereto shall agree at 11:00 A.M. Eastern Time on November 1, 2004, or such other date or time as the parties may designate (such date and time of delivery and payment for the Preferred Securities being herein called the "Closing Date"). The Preferred Securities shall be transferred and delivered to the Purchaser against the payment of the Purchase Price (as defined in the Subscription Agreement) to the Offerors in immediately available funds on the Closing Date to a U.S. account designated in writing by the Company at least two (2) business days prior to the Closing Date.

2.3.2 Delivery. Delivery of the Preferred Securities shall be made at such location, and in such names and denominations, as the Purchaser shall designate at least two (2) business days in advance of the Closing Date. The Company and the Trust agree to have the Preferred Securities available for inspection and checking by the Purchaser in Atlanta, Georgia not later than 1:00 P.M., Eastern Time, on the business day prior to the Closing Date.

### 2.4 Placement Agent's Fees and Expenses.

2.4.1 Placement Agent's Compensation. The Offerors shall use the proceeds from the sale of the Preferred Securities, together with the proceeds from the sale of the Common Securities, to purchase the Junior Subordinated Notes. Because the proceeds from the sale of the Preferred Securities shall be used to purchase the Junior Subordinated Notes from the Company, the Company shall pay an aggregate of \$0.00 for each \$1,000 of principal amount of Junior Subordinated Notes (0.00%) sold to the Trust (excluding the Junior Subordinated Notes related to the Common Securities purchased by the Company) as commission to the Placement Agent (the "Commission"). Such amount shall be delivered to the Placement Agent or such other person designated by the Placement Agent on the Closing Date.

2.4.2 Costs and Expenses. The Company hereby covenants and agrees that it shall pay or cause to be paid (directly or by reimbursement) (i) all costs and expenses incident to the authorization, issuance, sale and delivery of the

Preferred Securities and any taxes payable in connection therewith; provided, however, that the Purchaser shall pay, at Closing (x) a single payment to Wilmington Trust Company, pursuant to a negotiated fee arrangement, the administration fees charged by Wilmington Trust Company for the duration of the Trust, (y) the legal fees and expenses of Richards, Layton, & Finger, P.A. incurred in its capacity as special Delaware counsel to the Placement Agent and the Purchaser and as special counsel to the Indenture Trustee, the Property Trustee and the Guarantee Trustee incurred through the Closing Date, and (z) up to \$10,000 of the legal fees incurred by the Company in connection with the Offering. The negotiated fixed administrative fee to be paid to Wilmington Trust Company to be paid by the Purchaser as described in the preceding sentence covers, in a single payment, the

4

standard administrative fees to be charged by Wilmington Trust Company for the life of the trust so long as there is no event of default or other event in which the trustee has the right to retain counsel or take other action. In such a case, Wilmington Trust Company may charge or incur additional fees and expenses, including counsel fees, which will be billed to and payable by the Company at the trustee's cost.

2.4.3 Reimbursement of Expenses. If the sale of the Preferred Securities provided for in this Agreement is not consummated because any condition set forth in Section 3 to be satisfied by either the Company or the Trust is not satisfied, because this Agreement is terminated pursuant to Section 10 or because of any failure, refusal or inability on the part of the Company or the Trust to perform all obligations and satisfy all conditions on its part to be performed or satisfied hereunder other than by a reason of a default by this Agreement, the Company will reimburse the Placement Agent upon demand for all reasonable out-of-pocket expenses (including the fees and expenses of each of the Placement Agent's or Purchaser's counsel) that shall have been incurred by the Placement Agent or Purchaser in connection with the proposed purchase and sale of the Preferred Securities. The Company shall not in any event be liable to the Placement Agent or Purchaser for the loss of anticipated profits from the transactions contemplated by this Agreement.

Section 3. Closing Conditions. The obligations of the parties under this Agreement on the Closing Date are subject to the following conditions:

3.1 Accuracy of Representations and Warranties. The representations and warranties contained in this Agreement, and the statements of the Offerors made in any certificates pursuant to this Agreement, shall be accurate as of the date of delivery of the Preferred Securities:

3.2 Opinions of Counsel. On the Closing Date, the Placement Agent shall have received the following favorable opinions, each dated as of the Closing Date: (a) from Powell Goldstein LLP counsel for the Offerors, addressed to the Purchaser, the Placement Agent and the Indenture Trustee in substantially the form set forth on Exhibit B-1 attached hereto and incorporated herein by this reference, (b) from Alston & Bird LLP, special tax counsel for the Placement Agent and Purchaser, addressed to the Placement Agent and Purchaser in substantially the form set forth on Exhibit B-2 attached hereto and incorporated herein by this reference, (c) from Richards Layton & Finger, P.A., special Delaware counsel to the Placement Agent and addressed to the Purchaser, the Placement Agent and the Offerors, in substantially the form set forth on Exhibit B-3 attached hereto and incorporated herein by this reference, and (d) from Richards Layton & Finger, P.A., special counsel to the Indenture Trustee, the Property Trustee and the Guarantee Trustee and addressed to the Purchaser, the Placement Agent and the Offerors, in substantially the form set forth on Exhibit B-4 attached hereto and incorporated herein by this reference. Each opinion addressed to the Purchaser shall state that the first entity, if any, to which the Purchaser transfers any of the Preferred Securities (each, a "Subsequent Purchaser") shall be entitled to rely on such opinion.

3.3 Officer's Certificate. The Company shall have furnished to the Placement Agent and the Purchaser a certificate of the Company, signed by the Chief Executive Officer, President or an Executive Vice President and by the Chief Financial Officer, Treasurer or Assistant Treasurer of the Company, and the Trust shall have furnished to the Placement Agent and the

5

Purchaser a certificate of the Trust, signed by an Administrative Trustee of the Trust, in each case dated the Closing Date, and, in the case of the Company, as to 3.3.1 and 3.3.2 below and, in the case of the Trust, as to 3.3.1 below:

3.3.1 the representations and warranties in this Agreement are true and correct on and as of the Closing Date with the same effect as if made on the Closing Date, and the Company and the Trust have complied with all the agreements and satisfied all the conditions on either of their part to be performed or satisfied at or prior to the Closing Date; and

3.3.2 since the date of the Interim Financial Statements (as defined below), there has been no material adverse change in the condition (financial or

other), earnings, business, prospects or assets of the Company and its subsidiaries, whether or not arising from transactions occurring in the ordinary course of business.

3.4 No Subsequent Change. Subsequent to the execution of this Agreement, there shall not have been any change, or any development involving a prospective change, in or affecting the condition (financial or other), earnings, business, prospects or assets of the Company and its subsidiaries, whether or not occurring in the ordinary course of business, the effect of which is, in the Placement Agent's or Purchaser's judgment, so material and adverse as to make it impractical or inadvisable to proceed with the purchase of the Preferred Securities.

3.5 Delivery of Operative Documents. Each of the Operative Documents shall have been duly authorized, executed and delivered by each party thereto, and copies thereof shall have been delivered to the Company, the Trust, the Purchaser and the Placement Agent.

3.6 Consents and Permits. The Company and the Trust shall have received all consents, permits and other authorizations, and made all such filings and declarations, as may be required from any person or entity pursuant to any law, statute, regulation or rule (federal, state, local and foreign), or pursuant to any agreement, order or decree to which the Company or the Trust is a party or to which either is subject, in connection with the transactions contemplated by this Agreement.

3.7 Information. Prior to or on the Closing Date, the Offerors shall have furnished to the Placement Agent, the Purchaser and their respective counsel such further information, certificates, opinions and documents as the Placement Agent, Purchaser or their respective counsel may reasonably request.

If any of the conditions specified in this Section 3 shall not have been fulfilled when and as required in this Agreement, or if any of the opinions, certificates and documents mentioned above or elsewhere in this Agreement shall not be reasonably satisfactory in form and substance to the Placement Agent, the Purchaser or their respective counsel, this Agreement and all the Placement Agent's obligations hereunder may be canceled at, or any time prior to, the Closing Date by the Placement Agent. Notice of such cancellation shall be given to the Offerors in writing or by telephone or facsimile confirmed in writing.

Each certificate signed by any trustee of the Trust or any officer of the Company and delivered to the Placement Agent, Purchaser or their respective counsel in connection with the Operative Documents and the transactions contemplated hereby and thereby shall be deemed to

6

be a representation and warranty of the Trust and/or the Company, as the case may be, and not by such trustee or officer in any individual capacity.

Section 4. Representations and Warranties of the Offerors. The Offerors jointly and severally represent and warrant to the Placement Agent and the Purchaser as of the date hereof and as of the Closing Date as follows:

4.1 Representations and Warranties of the Company and the Trust.

(a) Neither the Company nor the Trust, nor any of their "Affiliates" (as defined in Rule 501(b) of Regulation D under the Securities Act ("Regulation D")), nor any person acting on any of their behalf (except for the Placement Agent, as to which neither the Company nor the Trust make any representation) has, directly or indirectly, made offers or sales of any security, or solicited offers to buy any security, under circumstances that would require the registration under the Securities Act of any of the Securities.

(b) Neither the Company nor the Trust, nor any of their Affiliates, nor any person acting on its or their behalf (except for the Placement Agent, as to which neither the Company nor the Trust make any representation) has (i) offered for sale or solicited offers to purchase the Securities, (ii) engaged in any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with any offer or sale of any of the Securities, or (iii) engaged in any "directed selling efforts" within the meaning of Regulation S under the Securities Act ("Regulation S") with respect to the Securities.

(c) The Securities (i) are not and have not been listed on a national securities exchange registered under section 6 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or quoted on a U.S. automated interdealer quotation system and (ii) are not of an open-end investment company, unit investment trust or face-amount certificate company that are, or are required to be, registered under section 8 of the Investment Company Act of 1940, as amended (the "Investment Company Act"), and the Securities otherwise satisfy the eligibility requirements of Rule 144A(d)(3) promulgated pursuant to the Securities Act ("Rule 144A(d)(3)").

(d) Neither the Company nor the Trust is, and, immediately following consummation of the transactions contemplated hereby and the application of the net proceeds therefrom, neither the Company nor the Trust will be, an "investment company" or an entity "controlled" by an "investment company," in each case within the meaning of section 3(a) of the Investment Company Act.

(e) Neither the Company nor the Trust has paid or agreed to pay to any person or entity, directly or indirectly, any fees or other compensation for soliciting another to purchase any of the Securities, except for the Commission.

4.2 Standing and Qualification of the Trust. The Trust has been duly created and is validly existing in good standing as a statutory trust under the Delaware Statutory Trust Act, 12 Del. C. Section 3801, et seq. (the "Statutory Trust Act") with all requisite power and authority to own property and to conduct the business it transacts and proposes to transact and to enter into and perform its obligations under the Operative Documents to which it is a party. The Trust is duly

7

qualified to transact business as a foreign entity and is in good standing in each jurisdiction in which such qualification is necessary, except where the failure to so qualify or be in good standing would not have a material adverse effect on the condition (financial or otherwise), earnings, business, prospects or assets of the Trust, whether or not occurring in the ordinary course of business. The Trust is not a party to, or otherwise bound by, any agreement other than the Operative Documents. The Trust is, and under current law will continue to be, classified for United States federal income tax purposes as a grantor trust and not as an association or publicly traded partnership taxable as a corporation.

4.3 Trust Agreement. The Trust Agreement has been duly authorized by the Company and, on the Closing Date specified in Section 2.3.1, will have been duly executed and delivered by the Company and the Administrative Trustees of the Trust, and, assuming due authorization, execution and delivery by the Property Trustee and the Delaware Trustee, will be a legal, valid and binding obligation of the Company and the Administrative Trustees, enforceable against them in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors' rights generally and to general principles of equity. Each of the Administrative Trustees of the Trust is an employee of the Company or its subsidiary bank and has been duly authorized by the Company to execute and deliver the Trust Agreement. To the knowledge of the Administrative Trustees, the Trust is not in violation of any provision of the Statutory Trust Act.

4.4 Guarantee Agreement and the Indenture. Each of the Guarantee and the Indenture has been duly authorized by the Company and, on the Closing Date, will have been duly executed and delivered by the Company, and, assuming due authorization, execution and delivery by the Guarantee Trustee, in the case of the Guarantee, and by the Indenture Trustee, in the case of the Indenture, will be a legal, valid and binding obligation of the Company enforceable against it in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors' rights generally and to general principles of equity.

4.5 Preferred Securities and Common Securities. The Preferred Securities and the Common Securities have been duly authorized by the Trust and, when issued and delivered against payment therefor on the Closing Date to the Purchaser in accordance with this Agreement and the Subscription Agreement, in the case of the Preferred Securities, and to the Company in accordance with the Common Securities Subscription Agreement between the Company and the Trust, dated as of the Closing Date, in the case of the Common Securities, will be validly issued, fully paid and nonassessable and will represent undivided beneficial interests in the assets of the Trust entitled to the benefits of the Trust Agreement, enforceable against the Trust in accordance with their terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors' rights generally and to general principles of equity. The issuance of the Securities is not subject to preemptive or other similar rights. On the Closing Date, all of the issued and outstanding Common Securities will be directly owned by the Company free and clear of any pledge, security interest, claim, lien or other encumbrance (each, a "Lien").

4.6 Junior Subordinated Notes. The Junior Subordinated Notes have been duly authorized by the Company and, on the Closing Date, will have been duly executed and

8

delivered to the Indenture Trustee for authentication in accordance with the Indenture and, when authenticated in the manner provided for in the Indenture and delivered to the Trust against payment therefor in accordance with the Junior Subordinated Note Subscription Agreement between the Company and the Trust, dated as of the Closing Date, will constitute legal, valid and binding

obligations of the Company entitled to the benefits of the Indenture enforceable against the Company in accordance with their terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors' rights generally and to general principles of equity.

4.7 Placement Agreement. This Agreement has been duly authorized, executed and delivered by the Company and the Trust and constitutes the legal, valid and binding obligation of the Company and the Trust, enforceable against the Company and the Trust in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors' rights generally and to general principles of equity.

4.8 Defaults. Neither the issue and sale of the Common Securities, the Preferred Securities or the Junior Subordinated Notes, nor the purchase of the Junior Subordinated Notes by the Trust, the execution and delivery of and compliance with the Operative Documents by the Company or the Trust, the consummation of the transactions contemplated herein or therein, or the use of the proceeds therefrom, (i) will conflict with or constitute a breach of, or a default under, the Trust Agreement or the charter or bylaws of the Company or any subsidiary of the Company or any applicable law, statute, rule, regulation, judgment, order, writ or decree of any government, governmental authority, agency or instrumentality or court, domestic or foreign, having jurisdiction over the Trust, or the Company or any of its subsidiaries, or their respective properties or assets (collectively, "Governmental Entities"), (ii) will conflict with or constitute a violation or breach of, or a default or Repayment Event (as defined below) under, or result in the creation or imposition of any Lien upon any property or assets of the Trust, the Company or any of the Company's subsidiaries pursuant to any contract, indenture, mortgage, loan agreement, note, lease or other agreement or instrument to which (A) the Trust, the Company or any of its subsidiaries is a party or by which it or any of them may be bound, or (B) any of the property or assets of any of them is subject, or any judgment, order or decree of any court, governmental authority or arbitrator, except, in the case of this clause (ii), for such conflicts, breaches, violations, defaults, Repayment Events (as defined below) or Liens which (X) would not, singly or in the aggregate, adversely affect the consummation of the transactions contemplated by the Operative Documents and (Y) would not, singly or in the aggregate, have a material adverse effect on the condition (financial or otherwise), earnings, business, liabilities, prospects and assets (taken as a whole) or business prospects of the Company and its subsidiaries taken as a whole, whether or not occurring in the ordinary course of business (a "Material Adverse Effect") or (iii) require the consent, approval, authorization or order of any court or Governmental Entity, other than such as have been previously obtained. As used herein, a "Repayment Event" means any event or condition which gives the holder of any note, debenture or other evidence of indebtedness (or any person acting on such holder's behalf) the right to require the repurchase, redemption or repayment of all or a portion of such indebtedness by the Trust or the Company or any of its subsidiaries prior to its scheduled maturity.

4.9 Organization, Standing and Qualification of the Company. The Company has been duly incorporated and is validly existing as a corporation in good standing under the laws of

9

the State of Florida, with all requisite corporate power and authority to own, lease and operate its properties and conduct the business it transacts and proposes to transact, and is duly qualified to transact business and is in good standing as a foreign corporation in each jurisdiction where the nature of its activities requires such qualification, except where the failure of the Company to be so qualified would not, singly or in the aggregate, have a Material Adverse Effect.

4.10 Subsidiaries of the Company. Each of the Company's significant subsidiaries listed in Schedule 1 (as defined in Section 1-02 of Regulation S-X under the Securities Act) (the "Subsidiaries") has been duly organized and is validly existing and in good standing under the laws of the jurisdiction in which it is chartered or organized, with all requisite power and authority to own its properties and conduct the business it transacts and proposes to transact. Each Subsidiary is duly qualified to transact business and is in good standing as a foreign entity in each jurisdiction where the nature of its activities requires such qualification, except where the failure of any such Subsidiary to be so qualified would not, singly or in the aggregate, have a Material Adverse Effect.

4.11 Government Licenses and Regulatory Compliance. Each of the Trust, the Company and each of its Subsidiaries hold all necessary approvals, authorizations, orders, licenses, certificates and permits (collectively, "Government Licenses") of and from Governmental Entities necessary to conduct its respective business as now being conducted, and neither the Trust, the Company nor any of the Subsidiaries has received any notice of proceedings relating to the revocation or modification of any such Government License, except where the failure to be so licensed or approved or the receipt of an unfavorable decision, ruling or finding, would not, singly or in the aggregate, have a Material Adverse Effect; all of the Government Licenses are valid and in full force and effect, except where the invalidity or the failure of such

Government Licenses to be in full force and effect, would not, singly or in the aggregate, have a Material Adverse Effect; and the Company and the Subsidiaries are in compliance with all applicable laws, rules, regulations, judgments, orders, decrees and consents, except where the failure to be in compliance would not, singly or in the aggregate, have a Material Adverse Effect.

4.12 Property. Each of the Company and its Subsidiaries owns or leases all such properties as are necessary to the conduct of its operations as presently conducted and has good and marketable title to all of its respective real and personal properties, in each case free and clear of all Liens and defects, except for those that would not, singly or in the aggregate, have a Material Adverse Effect; and all of the leases and subleases under which the Trust, the Company or any Subsidiary holds properties are in full force and effect, except where the failure of such leases and subleases to be in full force and effect would not, singly or in the aggregate, have a Material Adverse Effect and none of the Trust, the Company or any Subsidiary has any notice of any claim of any sort that has been asserted by anyone adverse to the rights of the Trust, the Company or any Subsidiary under any such leases or subleases, or affecting or questioning the rights of such entity to the continued possession of the leased or subleased premises under any such lease or sublease, except for such claims that would not, singly or in the aggregate, have a Material Adverse Effect.

4.13 Conflicts, Authorizations and Approvals. Neither the Company nor any of its Subsidiaries is (i) in violation of its respective charter, bylaws or similar organizational

10

documents or (ii) in default in the performance or observance of any obligation, agreement, covenant or condition contained in any contract, indenture, mortgage, loan agreement, note, lease or other agreement or instrument to which either the Company or any such Subsidiary is a party or by which it or any of them may be bound or to which any of the property or assets of any of them is subject, except, in the case of clause (ii), where such default would not, singly or in the aggregate, have a Material Adverse Effect. No filing with, or authorization, approval, consent, license, order, registration, qualification or decree of, any Governmental Entity, other than those that have been made or obtained, is necessary or required for the performance by the Trust or the Company of their respective obligations under the Operative Documents, as applicable, or the consummation by the Trust and the Company of the transactions contemplated by the Operative Documents.

4.14 Holding Company Registration and Deposit Insurance. The Company is duly registered (i) as a bank holding company, and has filed an effective election with the Federal Reserve Bank of Atlanta to be a financial holding company, under the Bank Holding Company Act of 1956, as amended (the "Bank Holding Company Act"), and the regulations of the Board of Governors of the Federal Reserve System (the "Federal Reserve"), and the deposit accounts of the Company's subsidiary depository institutions are insured by the Federal Deposit Insurance Corporation ("FDIC") to the fullest extent permitted by law and the rules and regulations of the FDIC, and no proceeding for the termination of such insurance is pending or, to the knowledge of the Company, threatened.

#### 4.15 Financial Statements.

(a) The audited consolidated financial statements (including the notes thereto) and schedules of the Company and its consolidated subsidiaries at and for the fiscal year ended December 31, 2003 (the "Financial Statements") and the interim unaudited consolidated financial statements of the Company and its consolidated subsidiaries at and for the quarter ended September 30, 2004 (the "Interim Financial Statements") provided to the Placement Agent are the most recently available audited and unaudited consolidated financial statements of the Company and its consolidated subsidiaries, respectively, and fairly present in all material respects, in accordance with U.S. generally accepted accounting principles ("GAAP"), the financial position of the Company and its consolidated subsidiaries, and the results of operations and changes in financial condition as of the dates and for the periods therein specified, subject, in the case of Interim Financial Statements, to year-end adjustments (which are expected to consist solely of normal recurring adjustments). Such consolidated financial statements and schedules have been prepared in accordance with GAAP consistently applied throughout the periods involved (except as otherwise noted therein).

(b) The Company's report on FRY-9C, dated June 30, 2004 (the "FRY-9C"), provided to the Placement Agent is the most recently available such report, and the information therein fairly presents in all material respects the financial position of the Company and its subsidiaries.

(c) Since the respective dates of the Financial Statements, Interim Financial Statements and the FRY-9C, there has not been any material adverse change or material development with respect to the condition (financial or otherwise), earnings, business, assets or

11

business prospects of the Company and its subsidiaries, taken as a whole, other than as previously disclosed to the Placement Agent in writing.

(d) The accountants of the Company who certified the Financial Statements are independent public accountants of the Company and its subsidiaries within the meaning of the Securities Act and the rules and regulations of the SEC thereunder.

4.16 Regulatory Enforcement Matters. None of the Trust, the Company nor any of its Subsidiaries, nor any of their respective officers, directors, employees or representatives, is subject or is party to, or has received any notice from any Regulatory Agency (as defined below) that any of them will become subject or party to any investigation with respect to, any cease-and-desist order, agreement, civil monetary penalty, consent agreement, memorandum of understanding or other regulatory enforcement action, proceeding or order with or by, or is a party to any commitment letter or similar undertaking to, or is subject to any directive by, or has been a recipient of any supervisory letter from, or has adopted any board resolutions at the request or suggestion of, any Regulatory Agency that, in any such case, currently restricts in any material respect the conduct of their business or that in any material manner relates to their capital adequacy, their credit policies, their management or their business (each, a "Regulatory Action"), nor has the Trust, the Company or any of its Subsidiaries been advised by any Regulatory Agency that it is considering issuing or requesting any such Regulatory Action; and there is no unresolved violation, criticism or exception by any Regulatory Agency with respect to any report or statement relating to any examinations of the Trust, the Company or any of its Subsidiaries, except where such unresolved violation, criticism or exception would not, singly or in the aggregate, have a Material Adverse Effect. As used herein, the term "Regulatory Agency" means any federal or state agency charged with the supervision or regulation of depository institutions or holding companies of depository institutions, or engaged in the insurance of depository institution deposits, or any court, administrative agency or commission or other governmental agency, authority or instrumentality having supervisory or regulatory authority with respect to the Trust, the Company or any of its Subsidiaries.

4.17 No Undisclosed Liabilities. None of the Trust, the Company nor any of its Subsidiaries has any material liability, whether asserted or unasserted, whether absolute or contingent, whether accrued or unaccrued, whether liquidated or unliquidated, and whether due or to become due, including any liability for taxes (and there is no past or present fact, situation, circumstance, condition or other basis for any present or future action, suit, proceeding, hearing, charge, complaint, claim or demand against the Company or its Subsidiaries that could give rise to any such liability), except for (i) liabilities set forth in the Financial Statements or the Interim Financial Statements and (ii) normal fluctuations in the amount of the liabilities referred to in clause (i) above occurring in the ordinary course of business of the Trust, the Company and all of its Subsidiaries since the date of the most recent balance sheet included in such Financial Statements.

4.18 Litigation. There is no action, suit or proceeding before or by any Governmental Entity, arbitrator or court, domestic or foreign, now pending or, to the knowledge of the Company or the Trust, threatened against or affecting the Trust or the Company or any of the Subsidiaries, except for such actions, suits or proceedings that, if adversely determined, could not, singly or in the aggregate, reasonably be expected to materially adversely affect the

12

consummation of the transactions contemplated by the Operative Documents or to have a Material Adverse Effect.

4.19 Deferral of Interest Payments on Junior Subordinated Notes. The Company has no present intention to exercise its option to defer payments of interest on the Junior Subordinated Notes as provided in the Indenture. The Company believes that the likelihood that it would exercise its rights to defer payments of interest on the Junior Subordinated Notes as provided in the Indenture at any time during which the Junior Subordinated Notes are outstanding is remote because of the restrictions that would be imposed on the Company's ability to declare or pay dividends or distributions on, or to redeem, purchase, acquire or make a liquidation payment with respect to, any of the Company's capital stock and on the Company's ability to make any payments of principal, interest or premium on, or repay, repurchase or redeem, any of its debt securities that rank *pari passu* in all respects with or junior in interest to the Junior Subordinated Notes.

Section 5. Representations and Warranties of the Placement Agent. The Placement Agent represents and warrants to, and agrees with, the Company and the Trust as follows:

5.1 Organization, Standing and Qualification. The Placement Agent is a corporation, validly existing and in good standing under the laws of the state of Tennessee, with full power and authority to own, lease and operate its properties and conduct its business as currently being conducted. The Placement Agent is duly qualified to transact business as a foreign corporation and is in

good standing in each jurisdiction in which it owns or leases property or conducts its business so as to require such qualification and in which the failure to so qualify would, individually or in the aggregate, have a material adverse effect on the condition (financial or otherwise), earnings, business, prospects or results of operations of the Placement Agent.

5.2 Power and Authority. The Placement Agent has all requisite power and authority to enter into this Agreement, and this Agreement has been duly and validly authorized, executed and delivered by the Placement Agent and constitutes the legal, valid and binding agreement of the Placement Agent, enforceable against the Placement Agent in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors' rights generally and to general principles of equity and except as any indemnification or contribution provisions thereof may be limited under applicable securities laws.

5.3 General Solicitation. Neither the Placement Agent, nor any representative of the Placement Agent has engaged, or will engage, in any form of "general solicitation or general advertising" (within the meaning of Regulation D under the Securities Act) or in any "directed selling efforts" (within the meaning of Regulation S under the Securities Act) in connection with any offer or sale of the Preferred Securities.

5.4 Purchaser. The Placement Agent has made such reasonable inquiry as is necessary to determine that the Purchaser is acquiring the Preferred Securities for its own account, the Purchaser does not intend to distribute the Preferred Securities in contravention of the Securities Act or any other applicable securities laws.

13

5.5 Qualified Purchasers. The Placement Agent has not offered or sold, and will not arrange for the offer or sale of, the Preferred Securities except (i) to those the Placement Agent reasonably believes are "accredited investors" (within the meaning of Rule 501 of Regulation D), (ii) in an offshore transaction complying with Rule 903 of Regulation S or (iii) in any other manner that does not require registration of the Preferred Securities under the Securities Act. In connection with each such sale, the Placement Agent has taken or will take reasonable steps to ensure that the Purchaser is aware that (a) such sale is being made in reliance on an exemption under the Securities Act and (b) future transfers of the Preferred Securities will not be made except in compliance with applicable securities laws.

5.6 Offering Circulars. Neither the Placement Agent nor its representatives will include any nonpublic information about the Company, the Trust or any of their affiliates in any registration statement, prospectus, offering circular or private placement memorandum used in connection with any purchase of Preferred Securities without the prior written consent of the Company or the Trust, as applicable.

Section 6. Covenants of the Offerors. The Offerors covenant and agree with the Placement Agent and the Purchaser as follows:

6.1 Compliance with Representations and Warranties. During the period from the date of this Agreement to the Closing Date, the Offerors shall use their best efforts to cause their representations and warranties contained in Section 4 hereof to be true as of the Closing Date, after giving effect to the transactions contemplated by this Agreement, as if made on and as of the Closing Date.

6.2 Sale and Registration of Securities. Neither the Company nor the Trust will, nor will either of them permit any of its Affiliates to, nor will either of them permit any person acting on its or their behalf (other than the Placement Agent and the Purchaser) to, directly or indirectly, (i) sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in the Securities Act) that would or could be integrated with the sale of the Preferred Securities in any manner that would require the registration of the Securities under the Securities Act or (ii) make offers or sales of any such Security, or solicit offers to buy any such Security, under any circumstances that would require the registration of any of such Securities under the Securities Act.

6.3 Use of Proceeds. The Trust shall use the proceeds from the sale of the Preferred Securities and the Common Securities solely to purchase the Junior Subordinated Notes from the Company.

6.4 Investment Company. So long as any of the Securities are outstanding, (i) the Securities shall not be listed on a national securities exchange registered under section 6 of the Exchange Act or quoted in a U.S. automated interdealer quotation system, (ii) neither the Company nor the Trust shall be an open-end investment company, unit investment trust or face-amount certificate company that is, or is required to be, registered under section 8 of the Investment Company Act, and, the Securities shall otherwise satisfy the eligibility requirements of Rule 144A(d)(3) and (iii) neither of the Offerors shall engage, or permit any subsidiary to

engage, in any activity which would cause it or any subsidiary to be an "investment company" under the provisions of the Investment Company Act.

6.5 Solicitation and Advertising. Neither the Company nor the Trust will, nor will either of them permit any of their Affiliates or any person acting on their behalf to (other than the Placement Agent), (i) engage in any "directed selling efforts" within the meaning of Regulation S under the Securities Act or (ii) engage in any form of "general solicitation or general advertising" (within the meaning of Regulation D) in connection with any offer or sale of any of the Securities.

6.6 Compliance with Rule 144A(d) (4) under the Securities Act. So long as any of the Securities are outstanding and are "restricted securities" within the meaning of Rule 144(a) (3) under the Securities Act, the Offerors will, during any period in which they are not subject to and in compliance with Section 13 or 15(d) of the Exchange Act, or the Offerors are not exempt from such reporting requirements pursuant to and in compliance with Rule 12g3-2(b) under the Exchange Act, provide to each holder of such restricted securities and to each prospective purchaser (as designated by such holder) of such restricted securities, upon the request of such holder or prospective purchaser in connection with any proposed transfer, any information required to be provided by Rule 144A(d) (4) under the Securities Act, if applicable. The information provided by the Offerors pursuant to this Section 6.6 will not, at the date thereof, contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. If the Company and the Trust are required to register under the Exchange Act, such reports filed in compliance with Rule 12g3-2(b) shall be sufficient information as required above. This covenant is intended to be for the benefit of the Purchaser, the holders of the Securities, and the prospective purchasers designated by such holders, from time to time, of the Securities.

6.7 Reports. Each of the Company and the Trust shall furnish to (i) the Placement Agent, (ii) the Purchaser and any subsequent holder of the Securities, and (iii) any beneficial owner of the Securities reasonably identified to the Company and the Trust (which identification may be made by either such beneficial owner or by the Purchaser), a duly completed and executed certificate in the form attached hereto as Exhibit C, including the financial statements referenced in such Exhibit, which certificate and financial statements shall be so furnished by the Company and the Trust not later than fifty (50) days after the end of each of the first three fiscal quarters of each fiscal year of the Company and not later than one hundred (100) days after the end of each fiscal year of the Company during which the Junior Subordinated Notes are outstanding.

## Section 7. Indemnification & Contribution.

### 7.1 Indemnification.

7.1.1 The Company and the Trust agree jointly and severally to indemnify and hold harmless the Placement Agent, the Purchaser, the Placement Agent's affiliates (collectively, the "Indemnified Parties") and the Indemnified Parties' respective directors, officers, employees and agents and each person who "controls" the Indemnified Parties within the meaning of Section 15

of the Securities Act or Section 20 of the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, actions or proceedings (each a "Claim") to which they or any of them may become subject under the Securities Act, the Exchange Act or other federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon (i) any untrue statement or alleged untrue statement of a material fact contained in any information (whether oral or written) or documents furnished or made available to the Purchaser or the Placement Agent by or on behalf of the Company, the Trust, or their respective representatives pursuant to the due diligence request form provided by the Placement Agent in connection with the transactions contemplated by the Operative Documents, or (ii) the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances under which they were made, and agrees to reimburse each such Indemnified Party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action. This indemnity agreement will be in addition to any liability which the Company or the Trust may otherwise have.

7.1.2 The Company agrees to indemnify and hold harmless the Trust against all loss, liability, claim, damage and expense whatsoever, as due from the Trust under Section 7.1.1 above.

7.1.3 Promptly after receipt by an Indemnified Party under this Section 7 of notice of the commencement of any Claim, such Indemnified Party will, if a

claim in respect thereof is to be made against the indemnifying party under this Section 7, promptly notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve the indemnifying party from liability under Section 7.1.1 above, except and to the extent that such failure results in the forfeiture by the indemnifying party of material rights and defenses and (ii) will not, in any event, relieve the indemnifying party from any obligations to any Indemnified Party other than the indemnification obligation provided in Section 7.1.1 above. The indemnifying party shall be entitled to appoint counsel at the indemnifying party's expense to represent the Indemnified Party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Indemnified Party or parties except as set forth below); provided, however, that such counsel shall be satisfactory to the Indemnified Party (and which may be counsel to the indemnifying party). Notwithstanding the indemnifying party's election to appoint counsel to represent the Indemnified Party in an action, the Indemnified Party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the Indemnified Party would present such counsel with a conflict of interest, (ii) the actual or potential defendants in, or targets of, any such action include both the Indemnified Party and the indemnifying party and the Indemnified Party shall have reasonably concluded that there may be legal defenses available to it and/or other Indemnified Parties which are different from or additional to those available to the indemnifying party, (iii) the indemnifying party shall not have employed counsel satisfactory to the Indemnified Party to represent the Indemnified Party within a reasonable time after notice of the institution of such action, or (iv) the indemnifying party shall authorize the Indemnified Party to employ separate counsel at the expense of the indemnifying party. An indemnifying party will

16

not, without the prior written consent of the Indemnified Parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the Indemnified Parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent includes an unconditional release of each Indemnified Party from all liability arising out of such claim, action, suit or proceeding. An Indemnified Party will not, without the prior written consent of the indemnifying parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the Indemnified Parties are actual or potential parties to such claim or action).

7.1.4 In the event that the indemnity provided in Sections 7.1.1, 7.1.2 or 7.1.3 is unavailable to or insufficient to hold harmless an Indemnified Party for any reason, then each indemnifying party agrees to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending same) (collectively "Losses") to which the indemnifying party may be subject in such proportion as is appropriate to reflect the relative benefits received by the Company and the Trust on the one hand and by the Placement Agent on the other hand from the offering of the Securities; provided, however, that in no case shall the Placement Agent be responsible for any amount in excess of the purchase discount or commission applicable to the Preferred Securities purchased hereunder. If the allocation provided by the immediately preceding sentence is unavailable for any reason, then each indemnifying party shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company and the Trust on the one hand and of the Placement Agent on the other hand in connection with the statements or omissions which resulted in such Losses, as well as any other relevant equitable considerations. Benefits received by the Company and the Trust shall be deemed to be equal to the total net proceeds from the offering (before deducting expenses) received by it, and benefits received by the Placement Agent shall be deemed to be equal to the total Commission specified in Section 2.4.1. Relative fault shall be determined by reference to, among other things, whether any untrue or any alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by the Company and the Trust on the one hand or the Placement Agent on the other hand, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Company, the Trust and the Placement Agent agree that it would not be just and equitable if contribution were determined by pro rata allocation or any other method of allocation which does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this Section 7.1.4, no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 7, the Purchaser, each person who controls the Placement Agent or the Purchaser within the meaning of either the Securities Act or the Exchange Act and each director, officer, employee and agent of the Placement Agent or the

Purchaser shall have the same rights to contribution as the Placement Agent, and each person who controls the Company within the meaning of either the Securities Act or the Exchange Act, each officer and director of the Company and each Administrator of the Trust shall have the same rights to contribution as the Company, subject in each case to the applicable terms and conditions of this Section 7.1.4.

17

#### Section 8. Rights and Responsibilities of Placement Agent.

8.1 Reliance. In performing its duties under this Agreement, the Placement Agent shall be entitled to rely upon any notice, signature or writing which it shall in good faith believe to be genuine and to be signed or presented by a proper party or parties. The Placement Agent may rely upon any opinions or certificates or other documents delivered by the Offerors or their counsel or designees to either the Placement Agent or the Purchaser.

8.2 Rights of Placement Agent. In connection with the performance of its duties under this Agreement, the Placement Agent shall not be liable for any error of judgment or any action taken or omitted to be taken unless the Placement Agent was grossly negligent or engaged in willful misconduct in connection with such performance or non-performance. No provision of this Agreement shall require the Placement Agent to expend or risk its own funds or otherwise incur any financial liability on behalf of the Purchaser in connection with the performance of any of its duties hereunder. The Placement Agent shall be under no obligation to exercise any of the rights or powers vested in it by this Agreement.

Section 9. Termination. This Agreement shall be subject to termination in the absolute discretion of the Placement Agent, by notice given to the Company and the Trust prior to delivery of and payment for the Preferred Securities, if prior to such time (i) there has occurred any Material Adverse Effect, or (ii) trading in any of the Company's securities shall have been suspended by the SEC or the exchange upon which the Company's securities are traded, if any, or trading in securities generally on the New York Stock Exchange shall have been suspended or limited or minimum prices shall have been established on such exchange, (ii) a banking moratorium shall have been declared either by federal or Florida authorities, or (iii) there shall have occurred any outbreak or escalation of hostilities, declaration by the United States of a national emergency or war or other calamity or crisis the effect of which on financial markets is such as to make it, in the Placement Agent's judgment, impracticable or inadvisable to proceed with the offering or delivery of the Preferred Securities.

#### Section 10. Miscellaneous.

10.1 Disclosure Schedule. The term "Disclosure Schedule," as used herein, means the schedule, if any, attached to this Agreement that sets forth items the disclosure of which is necessary or appropriate as an exception to one or more representations or warranties contained in Section 4 hereof. The Disclosure Schedule shall be arranged in paragraphs corresponding to the section numbers contained in Section 4. Nothing in the Disclosure Schedule shall be deemed adequate to disclose an exception to a representation or warranty made herein unless the Disclosure Schedule identifies the exception with reasonable particularity and describes the relevant facts in reasonable detail. Without limiting the generality of the immediately preceding sentence, the mere listing (or inclusion of a copy) of a document or other item in the Disclosure Schedule shall not be deemed adequate to disclose an exception to a representation or warranty made herein unless the representation or warranty has to do with the existence of the document or other item itself. Information provided by the Company in response to any due diligence questionnaire shall not be deemed part of the Disclosure Schedule and shall not be deemed to be an exception to one or more representations or warranties contained in Section 4 hereof unless

18

such information is specifically included on the Disclosure Schedule in accordance with the provisions of this Section 10.1.

Nothing expressed or mentioned in this Agreement is intended or shall be construed to give any person other than the parties hereto and the affiliates, directors, officers, employees, agents and controlling persons referred to in Section 7 hereof and their successors, assigns, heirs and legal representatives, any right or obligation hereunder. None of the rights or obligations of the Company or the Trust under this Agreement may be assigned, whether by operation of law or otherwise, without the Placement Agent's prior written consent. 10.8 Entire Agreement. This Agreement, together with the Operative Documents and the other documents delivered in connection with the transactions contemplated by this Agreement, is intended by the parties as a final expression of their agreement and intended to be a complete and exclusive statement of the agreement and understanding of the parties hereto in respect of the subject matter contained herein and therein. There are no restrictions, promises, warranties or undertakings, other than those set forth or referred to herein and therein. This Agreement, together with the Operative Documents and the other documents delivered in connection with the transaction contemplated by this Agreement, supersedes all prior agreements and understandings between the parties with respect to such subject matter.

10.9 Severability. In the event that any one or more of the provisions contained herein, or the application thereof in any circumstances, is held invalid, illegal or unenforceable in any respect for any reason, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions hereof shall not be in any way impaired or affected, it being intended that all of the Placement Agent's and the Purchaser's rights and privileges shall be enforceable to the fullest extent permitted by law.

10.10 Survival. The respective agreements, representations, warranties, indemnities and other statements of the Company and the Trust and their respective officers or trustees and of the Placement Agent set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of the Placement Agent, the Purchaser, the Company or the Trust or any of their respective officers, directors, trustees or controlling persons, and will survive delivery of and payment for the Preferred Securities. The provisions of Sections 2.4 and 7 shall survive the termination or cancellation of this Agreement.

Ladies and Gentlemen:

We have acted as counsel to Capital City Bank Group, Inc. (the "Company"), a Florida corporation in connection with a certain Placement Agreement, dated November 1, 2004, (the "Placement Agreement"), between the Company and CCBG Capital Trust I (the "Trust"), on one hand, and SunTrust Capital Markets, Inc. (the "Placement Agent"), on the other hand. Pursuant to the Placement Agreement, and subject to the terms and conditions stated therein, the Trust will issue and sell to STI Investment Management, Inc. (the "Purchaser"), \$30,000,000 aggregate principal amount of Preferred Securities (liquidation amount \$1,000.00 per preferred security) (the "Preferred Securities"), which Preferred Securities are guaranteed on a subordinated basis by the Company to the extent set forth in the Guarantee Agreement dated November 1, 2004, between the Company and the Guarantee Trustee named therein (the "Guarantee Agreement"). The Trust is purchasing, with the proceeds from the sale of the Preferred Securities and the sale to the Company of 928 Common Securities, liquidation amount of \$1,000 per common security (the "Common Securities"), \$30,928,000 aggregate principal amount of Junior Subordinated Notes due December 31, 2034 (the "Junior Subordinated Notes") of the Company issued pursuant to an Indenture dated as of November 1, 2004 (the "Indenture"), between the Company and Wilmington Trust Company, as indenture trustee (the "Indenture Trustee").

Capitalized terms used herein and not otherwise defined shall have the same meaning ascribed to them in the Placement Agreement.

The law covered by the opinions expressed herein is limited to the law of the United States of America and of the State of Georgia.

B-1-1

We have made such investigations of law as, in our judgment, were necessary to render the following opinions. We have also reviewed (a) the Company's Articles of Incorporation, as amended, and its Bylaws, as amended; and

(b) such corporate documents, records, information and certificates of the Company and its subsidiaries, certificates of public officials or government authorities and other documents as we have deemed necessary or appropriate as a basis for the opinions hereinafter expressed. As to certain facts material to our opinions, we have relied, with your permission, upon statements, certificates or representations, including those delivered or made in connection with the above-referenced transaction, of officers and other representatives of the Company and its subsidiaries and the Trust after discussing the contents thereof with such officers. We have not made any independent investigation as to the existence of actions, suits, investigations or proceedings, if any, pending or threatened against the Company or any of its subsidiaries, and we have not conducted any independent search of any public records in connection with our rendering our opinions set forth herein.

In rendering the opinions expressed below, we have assumed, without verification (i) the genuineness of the signatures on all documents that we have examined, (ii) the authenticity of all documents submitted to us as originals, (iii) the conformity with authentic original documents of all documents submitted to us as copies, and (iv) the legal capacity of all natural persons. We have assumed (except to the extent set forth in our opinions below as to the Company) (a) that all parties to, or that have otherwise executed, the Operative Documents have been duly organized or formed, as the case may be, and are in good standing under the laws of their respective jurisdictions of organization or formation, as the case may be, and have full power, corporate or other, to enter into and perform all obligations thereunder and (b) the due authorization by all requisite action, corporate or otherwise, and execution delivery by such persons of such documents.

Based upon and subject to the foregoing and the further qualifications set forth below, we are of the opinion as of the date hereof that:

1. The Company is validly existing and in good standing under the laws of the State of Florida and is duly registered as a financial holding company under the Bank Holding Company Act of 1956, as amended. Each of the Subsidiaries is validly existing and in good standing under the laws of its jurisdiction of organization. Each of the Company and the Subsidiaries has full corporate power and authority to own or lease its properties and to conduct its business as such business is currently conducted in all material respects.

2. The issuance, sale and delivery of the Preferred Securities and the Junior Subordinated Notes in accordance with the terms and conditions of the Placement Agreement and the other Operative Documents have been duly authorized by all necessary actions of the Company. The issuance, sale and delivery of the Junior Subordinated Notes by the Company and the issuance, sale and delivery of the Preferred Securities and Common Securities by the Trust do not give rise to any preemptive rights to subscribe for or to purchase any shares of capital stock or equity securities of the Company under the Articles of Incorporation or Bylaws of the Company or, to our knowledge, under any agreement or other instrument to which the Company is a party or by which the Company may be bound.

B-1-2

3. The Company has all requisite corporate power to enter into and perform its obligations under the Placement Agreement and the Subscription Agreement, and the Placement Agreement and the Subscription Agreement have been duly and validly authorized, executed and delivered by the Company and constitute the legal, valid and binding obligations of the Company enforceable against the Company in accordance with their terms.

4. Each of the Transaction Documents has been duly authorized, executed and delivered by the Company. Each of the Indenture and the Guarantee Agreement constitutes a valid and legally binding obligation of the Company enforceable against the Company in accordance with its terms.

5. The Junior Subordinated Notes have been duly authorized for issuance by the Company, and the Junior Subordinated Note issued and delivered by the Company to the Trust on this date has been duly executed and delivered by the Company and, assuming due authentication by the Indenture Trustee under the Indenture, is entitled to the benefits of the Indenture and constitutes the legal, valid and binding obligation of the Company enforceable against the Company in accordance with its terms.

6. The execution, delivery and performance of the Placement Agreement and the other Operative Documents and the consummation of the transactions contemplated by the Placement Agreement and the other Operative Documents do not and will not conflict with, result in the creation or imposition of any material lien, claim, charge, encumbrance or restriction upon any property or assets of the Company or the Subsidiaries pursuant to, or constitute a material breach or violation of, or constitute a material default under, with or without notice or lapse of time or both, any of the terms, provisions or conditions of (i) the articles of incorporation or charter, bylaws or other governing documents of the Company or the Subsidiaries, or (ii) to our knowledge, any material contract, indenture, mortgage, deed of trust, loan or credit agreement, note, lease, franchise, license or any other agreement or instrument known to us to which the Company or any of the Subsidiaries is a party or by which any of them or any of

their respective properties may be bound or (iii) any order, decree, judgment, franchise, license, permit, rule or regulation of any court, arbitrator, government, or governmental agency or instrumentality, domestic or foreign, known to us having jurisdiction over the Company or the Subsidiaries or any of their respective properties which, in each case or in the aggregate, is material to the Company and the Subsidiaries on a consolidated basis.

7. Except for filings, registrations or qualifications that may be required by applicable securities laws, no authorization, approval, consent or order of, or filing, registration or qualification with, any person (including without limitation, any court, governmental body or authority) is required under the laws of the State of Florida in connection with the offer and sale of the Preferred Securities as contemplated by the Placement Agreement and the other Operative Documents.

8. To our knowledge, (i) neither the Company nor any of the Subsidiaries is in breach or violation of, or default under, with or without notice or lapse of time or both, its

B-1-3

Articles of Incorporation or Charter, Bylaws or other governing documents, and (ii) no action, suit or proceeding is pending or threatened against the Company or any of the Subsidiaries, before or by any court or governmental official, commission, board or other administrative agency, authority or body, or any arbitrator, wherein an unfavorable decision, ruling or finding could reasonably be expected to have a material adverse effect on the consummation of the transactions contemplated by the Placement Agreement and the other Operative Documents or the issuance and sale of the Preferred Securities as contemplated therein or the condition (financial or otherwise), earnings, affairs, business, or results of operations of the Company and its subsidiaries on a consolidated basis.

9. Assuming the accuracy of the representations and warranties of the Company, the Placement Agent and the Purchaser in the respective Operative Documents, it is not necessary in connection with the offering, sale and delivery of the Preferred Securities, the Junior Subordinated Notes and the Guarantee Agreement (or the Guarantee) to register the same under the Securities Act of 1933, as amended, under the circumstances contemplated in the Placement Agreement and the Subscription Agreement.

10. Neither the Company nor the Trust is or after giving effect to the offering and sale of the Preferred Securities and the consummation of the transactions described in the Placement Agreement will be, an "investment company" or an entity "controlled" by an "investment company," in each case within the meaning of the Investment Company Act of 1940, as amended.

Our opinions set forth herein are limited by the following exceptions and qualifications:

(A) The opinions expressed in the first two sentences of numbered paragraph 1 of this Opinion Letter are based solely upon certain certificates and confirmations issued by the applicable governmental officer or authority with respect to each of the Company and the Subsidiaries.

(B) As used in paragraph 1 of this Opinion Letter, the term "in good standing" shall mean (i) when used in connection with a corporation, that all filings and registrations required to have been made by such corporation under the Florida Business Corporation Act have been made and that all filing fees that are due and payable in connection therewith have been paid, and (ii) when used in connection with a bank, that all filings and registrations required to have been made by such bank under the Florida Banking Code have been made and that all filing fees that are due and payable in connection therewith have been paid.

(C) We have assumed for purposes of this Opinion Letter that all the documents as to which we have opined with respect to enforceability constitute the legal, valid and binding obligations of the parties thereto other than the Company.

(D) Our opinions regarding the legality, validity, binding effect or enforceability of each of the Placement Agreement and Subscription Agreement are subject to and limited by: (i) bankruptcy, insolvency, moratorium, reorganization or other laws affecting the rights of

B-1-4

creditors, generally; (ii) the effect of general principles of equity, whether applied by a court of law or equity, including the discretionary nature of equitable remedies; (iii) the possible unenforceability, as contrary to public policy, of provisions regarding indemnities for violations of securities laws; and (iv) the possible unavailability of certain remedies in the case of a non-material breach.

(E) Our opinions regarding the legality, validity, binding effect or

enforceability of each of the Indenture, the Trust Agreement, the Guarantee Agreement and the Junior Subordinated Notes are subject to and limited by: (i) bankruptcy, insolvency, moratorium, reorganization or other laws affecting the rights of creditors, generally; and (ii) the effect of general principles of equity, whether applied by a court of law or equity, including the discretionary nature of equitable remedies.

With respect to any matters indicated herein to be limited to our knowledge (or words to like effect), the opinions set forth herein with respect to such matters are specifically limited to the actual knowledge of the attorneys who are members of or are employed by this firm who have obtained such knowledge solely in connection with the representation of the Company with respect to the offering of the Preferred Securities and the other transactions contemplated by the Placement Agreement.

With respect to the foregoing opinions, we do not express any opinions as to the laws of the state of New York and have assumed, with your approval and without rendering any opinion to such effect, that to the extent applicable, the laws of the State of New York are substantively identical to the laws of the State of Georgia which would apply, without regard to conflict of law provisions, were the matter in question governed by the laws of Georgia. We express no opinion as to matters of choice of law (including the enforceability of any choice of law provisions in any agreement).

This opinion is rendered to you solely pursuant to Section 3.2(a) of the Placement Agreement. As such, it may be relied upon by you or by a Subsequent Purchaser as defined in Section 3.2 of the Placement Agreement only and may not be used or relied upon by any other person for any purpose whatsoever without our prior written consent.

Very truly yours,

STI Investment Management, Inc.

Newark, Delaware 19711

Ladies and Gentlemen:

We have acted as counsel to SunTrust Capital Markets, Inc. (the "Placement Agent"), a Tennessee corporation, and STI Investment Management, Inc. (the "Purchaser"), a Delaware corporation, in connection with the Purchaser's purchase of \$30,000,000 Preferred Securities (liquidation amount \$1,000 per preferred security) (the "Preferred Securities") to be issued by CCBG Capital Trust I (the "Trust"). The Preferred Securities represent undivided beneficial ownership interests in \$30,928,000 in aggregate principal amount of Junior Subordinated Notes due 2034 (the "Junior Subordinated Notes") of Capital City Bank Group, Inc. (the "Company"). This opinion letter is furnished pursuant to Section 3.2(b) of the Placement Agreement dated November 1, 2004, between the Company, the Trust and the Placement Agent.

In arriving at the opinions expressed below we have examined executed copies of (i) the Amended and Restated Trust Agreement of the Trust dated the date hereof (the "Trust Agreement") and (ii) the Junior Subordinated Indenture relating to the issuance of the Junior Subordinated Notes dated the date hereof (the "Indenture") (together, the "Operative Documents"). In addition, we have relied on the representations of the Company contained in its letter dated as of the date hereof and delivered to us in connection with the issuance of our opinions expressed below. We have assumed the legal capacity of all natural persons, the genuineness of all signatures, the authenticity of all documents and records submitted to us as originals, the conformity to original documents and records of all documents and records submitted to us as copies, and the truthfulness of all statements of facts contained therein. We have also made such investigations of law and fact as we have deemed appropriate as a basis for the opinion expressed below.

Based upon and subject to the foregoing and such further qualifications as set forth below, it is our opinion that, under current law and assuming the performance of the Operative Documents in accordance with the terms described therein:

1. the Trust will be classified for United States federal income tax purposes as a grantor trust and not as an association that is taxable as a corporation, and
2. the Junior Subordinated Notes will be treated for United States federal income tax purposes as indebtedness of the Company.

Our opinion is based on the U.S. Internal Revenue Code of 1986, as amended, Treasury regulations promulgated thereunder, and administrative and judicial interpretations thereof, all as of the date hereof and all of which are subject to change, possibly on a retroactive basis. In rendering this opinion, we are expressing our views only as to the federal income tax laws of the United States of America. In rendering this opinion, we make no undertaking to advise you of the effect of changes in matters of law or fact occurring subsequent to the date hereof.

This opinion is rendered to you solely pursuant to Section 3.2(b) of the Placement Agreement. As such, it may be relied upon by you and by any Subsequent Purchaser as defined in Section 3.2 of the Placement Agreement only and may not be used or relied upon by any other person for any purpose whatsoever without our prior written consent.

Very truly yours,

RECITALS OF THE COMPANY

WHEREAS, the Company has duly authorized the execution and delivery of this Indenture to provide for the issuance of its unsecured junior subordinated deferrable interest notes (the "Securities") issued to evidence loans made to the Company of the proceeds from the issuance by CCBG Capital Trust I, a Delaware statutory trust (the "Trust"), of undivided preferred beneficial interests in the assets of the Trust (the "Preferred Securities") and undivided common beneficial interests in the assets of the Trust (the "Common Securities" and, collectively with the Preferred Securities, the "Trust Securities"), and to provide the terms and conditions upon which the Securities are to be authenticated, issued and delivered; and

WHEREAS, all things necessary to make this Indenture a valid agreement of the Company, in accordance with its terms, have been done.

Now, therefore, this Indenture Witnesseth:

- (c) all accounting terms not otherwise defined herein have the meanings assigned to them in accordance with GAAP;
- (d) unless the context otherwise requires, any reference to an "Article" or a "Section" refers to an Article or a Section, as the case may be, of this Indenture;
- (e) the words "hereby", "herein", "hereof" and "hereunder" and other words of similar import refer to this Indenture as a whole and not to any particular Article, Section or other subdivision;

1

(f) a reference to the singular includes the plural and vice versa; and

(g) the masculine, feminine or neuter genders used herein shall include the masculine, feminine and neuter genders.

"Act" when used with respect to any Holder, has the meaning specified in Section 1.4.

"Administrative Trustee" means, with respect to the Trust, a Person identified as an "Administrative Trustee" in the Trust Agreement, solely in its

capacity as Administrative Trustee of the Trust under the Trust Agreement and not in its individual capacity, or its successor in interest in such capacity, or any successor Administrative Trustee appointed as therein provided.

"Additional Interest" means the interest, if any, that shall accrue on any amounts payable on the Securities, the payment of which has not been made on the applicable Interest Payment Date and which shall accrue at the rate per annum specified or determined as specified in such Security.

"Additional Taxes" means taxes, duties or other governmental charges imposed on the Trust as a result of a Tax Event (which, for the sake of clarity, does not include amounts required to be deducted or withheld by the Trust from payments made by the Trust to or for the benefit of the Holder of, or any Person that acquires a beneficial interest in, the Securities).

"Affiliate" of any specified Person means any other Person directly or indirectly controlling or controlled by or under direct or indirect common control with such specified Person. For the purposes of this definition, "control," when used with respect to any specified Person, means the power to direct the management and policies of such Person, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise; and the terms "controlling" and "controlled" have meanings correlative to the foregoing.

By way of example, the inability of the Company to treat all or any portion of the liquidation amount of the Preferred Securities as Tier 1 Capital as a result of the adoption as a final rule of any of the proposals set forth in the Notice of Proposed Rulemaking on Risk-Based Capital Standards: Trust Preferred Securities and the Definition of Capital, issued on May 6, 2004, by the Federal Reserve, shall not constitute the basis for a Capital Disqualification Event.

Without limiting the generality of the foregoing, any Securities issued under the authority of such defective document or instrument shall nevertheless be the valid obligations of the Company entitled to the benefits of this Indenture equally and ratably with all other Outstanding Securities.

#### SECTION 1.4. Acts of Holders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given to or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent thereof duly appointed in writing; and, except as herein otherwise

11

respect of anything done or suffered to be done by the Trustee or the Company in reliance thereon, whether or not notation of such action is made upon such Security.

(e) Without limiting the foregoing, a Holder entitled to take any action hereunder with regard to any particular Security may do so with regard to all or any part of the principal amount of such Security or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such principal amount.

(f) Except as set forth in paragraph (g) of this Section 1.4, the Company may set any day as a record date for the purpose of determining the Holders of Outstanding Securities entitled to give, make or take any request, demand, authorization, direction, notice, consent, waiver or other action provided or permitted by this Indenture to be given, made or taken by Holders of Securities. If any record date is set pursuant to this paragraph, the Holders of Outstanding Securities on such record date, and no other Holders, shall be entitled to take the relevant action, whether or not such Holders remain Holders after such record date; provided, that no such action shall be effective hereunder unless taken on or prior to the applicable Expiration Date (as defined below) by Holders of the requisite principal amount of Outstanding Securities on such record date. Nothing in this paragraph shall be construed to prevent the Company from setting a new record date for any action for which a record date has previously been set pursuant to this paragraph (whereupon the record date previously set shall automatically and with no action by any Person be canceled and of no effect). Promptly after any record date is set pursuant to this paragraph, the Company, at its own expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Trustee in writing and to each Holder of Securities in the manner set forth in Section 1.6.

12

(g) The Trustee may set any day as a record date for the purpose of determining the Holders of Outstanding Securities entitled to join in the giving or making of (i) any Notice of Default, (ii) any declaration of acceleration or rescission or annulment thereof referred to in Section 5.2, (iii) any request to institute proceedings referred to in Section 5.7(b) or (iv) any direction referred to in Section 5.12. If any record date is set pursuant to this paragraph, the Holders of Outstanding Securities on such record date, and no other Holders, shall be entitled to join in such notice, declaration, request or direction, whether or not such Holders remain Holders after such record date; provided, that no such action shall be effective hereunder unless taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Outstanding Securities on such record date. Nothing in this paragraph shall be construed to prevent the Trustee from setting a new record date for any action for which a record date has previously been set pursuant to this paragraph (whereupon the record date previously set shall automatically and with no action by any Person be canceled and of no effect). Promptly after any record date is set pursuant to this paragraph, the Trustee, at the Company's expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Company in writing and to each Holder of Securities in the manner set forth in Section 1.6.

(h) With respect to any record date set pursuant to paragraph (f) or (g) of this Section 1.4, the party hereto that sets such record date may designate any day as the "Expiration Date" and from time to time may change the Expiration Date to any earlier or later day; provided, that no such change shall be effective unless notice of the proposed new Expiration Date is given to the other party hereto in writing, and to each Holder of Securities in the manner set forth in Section 1.6, on or prior to the existing Expiration Date. If an Expiration Date is not designated with respect to any record date set pursuant to this Section 1.4, the party hereto that set such record date shall be deemed to have initially designated the ninetieth (90th) day after such record date as the Expiration Date with respect thereto, subject to its right to change the Expiration Date as provided in this paragraph. Notwithstanding the foregoing, no Expiration Date shall be later than the one hundred and eightieth (180th) day after the applicable record date.

#### SECTION 1.5. Notices, Etc.

Any request, demand, authorization, direction, notice, consent, waiver, Act of Holders, or other document provided or permitted by this Indenture to be made upon, given or furnished to, or filed with:

(a) the Trustee by any Holder, any holder of Preferred Securities or the Company shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing to or with the Trustee at its Corporate Trust Office,

(b) the Company by the Trustee, any Holder or any holder of Preferred Securities shall be sufficient for every purpose hereunder if in writing and mailed, first class, postage prepaid, to the Company addressed to it at Capital City Bank Group, Inc., 217 North Monroe Street, Tallahassee, Florida, 32301 Attn: Chief Financial Officer, or at any other address previously furnished in

writing to the Trustee by the Company,

13

(c) the Placement Agent by the Trustee, the Company, any Holder or any holder or beneficial owner of the Preferred Securities, shall be sufficient for every purpose hereunder if in writing and mailed, first-class postage prepaid to the Placement Agent at 303 Peachtree Street, N.E., 24th Floor, Mail Code 3950, Atlanta, Georgia 30308 or any other address previously furnished by the Placement Agent, or

#### SECTION 1.6. Notice to Holders; Waiver.

Where this Indenture provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first class, postage prepaid, to each Holder affected by such event to the address of such Holder as it appears in the Securities Register, not later than the latest date, and not earlier than the earliest date, prescribed for the giving of such notice. If, by reason of the suspension of or irregularities in regular mail service or for any other reason, it shall be impossible or impracticable to mail notice of any event to Holders when said notice is required to be given pursuant to any provision of this Indenture, then any manner of giving such notice as shall be satisfactory to the Trustee shall be deemed to be a sufficient giving of such notice. In any case where notice to Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

#### SECTION 1.7. Effect of Headings and Table of Contents.

The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction of this Indenture.

#### SECTION 1.8. Successors and Assigns.

This Indenture shall be binding upon and shall inure to the benefit of any successor to the Company and the Trustee, including any successor by operation of law. Except in connection with a transaction involving the Company that is permitted under Article VIII and pursuant to which the assignee agrees in writing to perform the Company's obligations hereunder, the Company shall not assign its obligations hereunder.

#### SECTION 1.9. Separability Clause.

If any provision in this Indenture or in the Securities shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in

14

any way be affected or impaired thereby, and there shall be deemed substituted for the provision at issue a valid, legal and enforceable provision as similar as possible to the provision at issue.

#### SECTION 1.10. Benefits of Indenture.

Nothing in this Indenture or in the Securities, express or implied, shall give to any Person, other than the parties hereto and their successors and assigns, the holders of Senior Debt, the Holders of the Securities and, to the extent expressly provided in Sections 5.2, 5.8, 5.9, 5.11, 5.13, 9.2 and 10.7, the holders of Preferred Securities, any benefit or any legal or equitable right, remedy or claim under this Indenture.

#### SECTION 1.11. Governing Law.

This Indenture and the rights and obligations of each of the Holders, the Company and the Trustee shall be construed and enforced in accordance with and governed by the laws of the State of New York without reference to its conflict of laws provisions (other than Section 5-1401 of the General Obligations Law).

#### SECTION 1.12. Submission to Jurisdiction.

ANY LEGAL ACTION OR PROCEEDING BY OR AGAINST ANY PARTY HERETO OR WITH RESPECT TO OR ARISING OUT OF THIS INDENTURE MAY BE BROUGHT IN OR REMOVED TO THE

COURTS OF THE STATE OF NEW YORK, IN AND FOR THE COUNTY OF NEW YORK, OR OF THE UNITED STATES OF AMERICA FOR THE SOUTHERN DISTRICT OF NEW YORK (IN EACH CASE SITTING IN THE BOROUGH OF MANHATTAN). BY EXECUTION AND DELIVERY OF THIS INDENTURE, EACH PARTY ACCEPTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE AFORESAID COURTS (AND COURTS OF APPEALS THEREFROM) FOR LEGAL PROCEEDINGS ARISING OUT OF OR IN CONNECTION WITH THIS INDENTURE.

SECTION 1.13. Non-Business Days.

If any Interest Payment Date, Redemption Date or Stated Maturity of any Security shall not be a Business Day, then (notwithstanding any other provision of this Indenture or the Securities) payment of interest, premium or principal or other amounts in respect of such Security shall not be made on such date, but shall be made on the next succeeding Business Day (and no interest shall accrue in respect of the amounts whose payment is so delayed for the period from and after such Interest Payment Date, Redemption Date or Stated Maturity, as the case may be, until such next succeeding Business Day) except that, if such Business Day falls in the next succeeding calendar year, such payment shall be made on the immediately preceding Business Day, in each case with the same force and effect as if made on the Interest Payment Date or Redemption Date or at the Stated Maturity.

ARTICLE II

Security Forms

SECTION 2.1. Form of Security.

Any Security issued hereunder shall be in substantially the following form:

CAPITAL CITY BANK GROUP, INC.

Junior Subordinated Note due 2034

No. \_\_\_\_\_ \$30,928,000

Capital City Bank Group, Inc., a corporation organized and existing under the laws of Florida (hereinafter called the "Company," which term includes any successor Person under the Indenture hereinafter referred to), for value received, hereby promises to pay to Wilmington Trust Company, not in its individual capacity but solely as Property Trustee for CCBG Capital Trust I, a Delaware statutory trust (the "Holder"), or registered assigns, the principal sum of thirty million nine hundred twenty-eight thousand (\$30,928,000) Dollars or such other principal amount represented hereby as may be set forth in the records of the Securities Registrar hereinafter referred to in accordance with the Indenture on December 31, 2034. The Company further promises to pay interest on said principal sum from November 1, 2004, or from the most recent Interest Payment Date to which interest has been paid or duly provided for, quarterly (subject to deferral as set forth herein) in arrears on December 31, March 31, June 30, and September 30 of each year, commencing on December 31, 2004, or if any such day is not a Business Day, on the next succeeding Business Day (and no interest shall accrue in respect of the amounts whose payment is so delayed for the period from and after such Interest Payment Date until such next succeeding Business Day), except that, if such Business Day falls in the next succeeding calendar year, such payment shall be made on the immediately preceding Business Day, in each case, with the same force and effect as if made on the Interest Payment Date, at a fixed rate per annum equal to 5.71% through the Interest Payment Date in December, 2009, and a variable interest rate per annum, reset quarterly, equal to LIBOR plus 1.90% thereafter, together with Additional Tax Sums, if any, as provided in Section 10.5 of the Indenture, until the principal hereof is paid or duly provided for or made available for payment; provided, that any overdue principal, premium or Additional Tax Sums and any overdue installment of interest shall bear Additional Interest (to the extent that the payment of such interest shall be legally enforceable) at a fixed rate per annum equal to 5.71% through the Interest Payment Date in December, 2009, and a variable rate per annum, reset quarterly, equal to LIBOR plus 1.90% thereafter, compounded quarterly, from the dates such amounts are due until they are paid or made available for payment, and such interest shall be payable on demand.

The amount of interest payable shall be computed on the basis of a 360-day year and the actual number of days elapsed in the relevant interest period. The amount of interest payable for any full interest period shall be computed by dividing the applicable rate per annum by four. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date shall, as provided in the Indenture, be paid to the Person in whose name this Security (or one or more

16

Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest installment. Any such interest not so punctually

paid or duly provided for shall forthwith cease to be payable to the Holder on such Regular Record Date and may either be paid to the Person in whose name this Security (or one or more Predecessor Securities) is registered at the close of business on a Special Record Date for the payment of such Defaulted Interest to be fixed by the Trustee, notice whereof shall be given to Holders of Securities not less than ten (10) days prior to such Special Record Date, or be paid at any time in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Securities may be listed, and upon such notice as may be required by such exchange, all as more fully provided in the Indenture.

So long as no Event of Default pursuant to Sections 5.1(c), (e) or (f) of the Indenture has occurred and is continuing, the Company shall have the right, at any time and from time to time during the term of this Security, to defer the payment of interest on this Security for a period of up to twenty (20) consecutive quarterly interest payment periods (each such period, an "Extension Period"), during which Extension Period(s), no interest shall be due and payable (except any Additional Tax Sums that may be due and payable). No Extension Period shall end on a date other than an Interest Payment Date, and no Extension Period shall extend beyond the Stated Maturity of the principal of this Security. No interest shall be due and payable during an Extension Period (except any Additional Tax Sums that may be due and payable), except at the end thereof, but each installment of interest that would otherwise have been due and payable during such Extension Period shall bear Additional Interest (to the extent payment of such interest would be legally enforceable) at fixed rate per annum equal to 5.71% through the Interest Payment Date in December, 2009, and a variable interest rate per annum, reset quarterly, equal to LIBOR plus 1.90% thereafter, compounded quarterly, from the dates on which amounts would have otherwise been due and payable until paid or made available for payment. At the end of any such Extension Period, the Company shall pay all interest then accrued and unpaid on this Security, together with such Additional Interest. Prior to the termination of any such Extension Period, the Company may further defer the payment of interest; provided, that (i) all such previous and further extensions comprising such Extension Period do not exceed twenty (20) quarterly interest payment periods, (ii) no Extension Period shall end on a date other than an Interest Payment Date and (iii) no Extension Period shall extend beyond the Stated Maturity of the principal of this Security. Upon the termination of any such Extension Period and upon the payment of all accrued and unpaid interest and any Additional Interest then due on any Interest Payment Date, the Company may elect to begin a new Extension Period; provided, that (i) such Extension Period does not exceed twenty (20) quarterly interest payment periods, (ii) no Extension Period shall end on a date other than an Interest Payment Date and (iii) no Extension Period shall extend beyond the Stated Maturity of the principal of this Security. The Company shall give (i) the Holder of this Security, (ii) the Trustee, (iii) the Property Trustee and (iv) any beneficial owner of the Preferred Securities reasonably identified to the Company (which identification may be made either by such beneficial owner or by the Placement Agent or the Purchaser) written notice of its election to begin any such Extension Period at least five (5) Business Days prior to the next succeeding Interest Payment Date on which interest on this Security would be payable but for such deferral.

During any such Extension Period, the Company shall not (i) declare or pay any dividends or distributions on, or redeem, purchase, acquire or make a liquidation payment with

17

respect to, any of the Company's capital stock or (ii) make any payment of principal of or any interest or premium on or repay, repurchase or redeem any debt securities of the Company that rank pari passu in all respects with or junior in interest to this Security (other than (a) repurchases, redemptions or other acquisitions of shares of capital stock of the Company in connection with (1) any employment contract, benefit plan or other similar arrangement with or for the benefit of any one or more employees, officers, directors or consultants, (2) a dividend reinvestment or stockholder stock purchase plan or (3) the issuance of capital stock of the Company (or securities convertible into or exercisable for such capital stock) as consideration in an acquisition transaction entered into prior to the applicable Extension Period, (b) as a result of an exchange or conversion of any class or series of the Company's capital stock (or any capital stock of a Subsidiary of the Company) for any class or series of the Company's capital stock or of any class or series of the Company's indebtedness for any class or series of the Company's capital stock, (c) the purchase of fractional interests in shares of the Company's capital stock pursuant to the conversion or exchange provisions of such capital stock or the security being converted or exchanged, (d) any declaration of a dividend in connection with any Rights Plan, the issuance of rights, stock or other property under any Rights Plan, or the redemption or repurchase of rights pursuant thereto or (e) any dividend in the form of stock, warrants, options or other rights where the dividend stock or the stock issuable upon exercise of such warrants, options or other rights is the same stock as that on which the dividend is being paid or ranks pari passu with or junior to such stock).

Payment of principal of, premium, if any, and interest on this Security shall be made in such coin or currency of the United States of America as at the

time of payment is legal tender for payment of public and private debts. Payments of principal, premium, if any, and interest due at the Maturity of this Security shall be made at the office or agency of the Company maintained for that purpose in the Place of Payment upon surrender of such Securities to the Paying Agent, and payments of interest shall be made, subject to such surrender where applicable, by wire transfer at such place and to such account at a banking institution in the United States as may be designated in writing to the Paying Agent at least ten (10) Business Days prior to the date for payment by the Person entitled thereto unless proper written transfer instructions have not been received by the relevant record date, in which case such payments shall be made by check mailed to the address of such Person as such address shall appear in the Security Register. Notwithstanding the foregoing, so long as the holder of this Security is the Property Trustee, the payment of the principal of (and premium, if any) and interest (including any overdue installment of interest and Additional Tax Sums, if any) on this Security will be made at such place and to such account as may be designated by the Property Trustee.

The indebtedness evidenced by this Security is, to the extent provided in the Indenture, subordinate and junior in right of payment to the prior payment in full of all Senior Debt, and this Security is issued subject to the provisions of the Indenture with respect thereto. Each Holder of this Security, by accepting the same, (a) agrees to and shall be bound by such provisions, (b) authorizes and directs the Trustee on his or her behalf to take such actions as may be necessary or appropriate to effectuate the subordination so provided and (c) appoints the Trustee his or her attorney-in-fact for any and all such purposes. Each Holder hereof, by his or her acceptance hereof, waives all notice of the acceptance of the subordination provisions contained herein and in the Indenture by each holder of Senior Debt, whether now outstanding or hereafter incurred, and waives reliance by each such holder upon said provisions.

18

Unless the certificate of authentication hereon has been executed by the Trustee by manual signature, this Security shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

This Security is one of a duly authorized issue of securities of the Company (the "Securities") issued under the Junior Subordinated Indenture, dated as of November 1, 2004 (the "Indenture"), between the Company and Wilmington Trust Company, as Trustee (in such capacity, the "Trustee," which term includes any successor trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee, the holders of Senior Debt and the Holders of the Securities, and of the terms upon which the Securities are, and are to be, authenticated and delivered.

All terms used in this Security that are defined in the Indenture or in the Amended and Restated Trust Agreement, dated as of November 1, 2004 (as modified, amended or supplemented from time to time, the "Trust Agreement"), relating to CCBG Capital Trust I (the "Trust"), among the Company, as Depositor, the Trustees named therein and the Holders from time to time of the Trust Securities issued pursuant thereto, shall have the meanings assigned to them in the Indenture or the Trust Agreement, as the case may be.

The Company may, on any Interest Payment Date, at its option, upon not less than thirty (30) days' nor more than sixty (60) days' written notice to the Holders of the Securities (unless a shorter notice period shall be satisfactory to the Trustee) on or after December 31, 2009 and subject to the terms and conditions of Article XI of the Indenture, redeem this Security in whole at any time or in part from time to time at a Redemption Price equal to one hundred percent (100%) of the principal amount hereof, together, in the case of any such redemption, with accrued interest, including any Additional Interest, to but excluding the date fixed for redemption; provided, that the Company shall have received the prior approval of the Federal Reserve if then required.

In addition, upon the occurrence and during the continuation of a Special Event, the Company may, at its option, upon not less than thirty (30) days' nor more than sixty (60) days' written notice to the Holders of the Securities (unless a shorter notice period shall be satisfactory to the Trustee), redeem this Security, in whole but not in part, subject to the terms and conditions of Article XI of the Indenture at the Special Event Redemption Price; provided, that the Company shall have received the prior approval of the Federal Reserve if then required.

In the event of redemption of this Security in part only, a new Security or Securities for the unredeemed portion hereof will be issued in the name of the Holder hereof upon the cancellation hereof. If less than all the Securities are to be redeemed, the particular Securities to be redeemed shall be selected not more than sixty (60) days prior to the Redemption Date by the Trustee from the Outstanding Securities not previously called for redemption, by such method as the Trustee shall deem fair and appropriate and which may provide for the selection for redemption of a portion of the principal amount of any Security.

The Indenture permits, with certain exceptions as therein provided, the

Company and the Trustee at any time to enter into a supplemental indenture or indentures for the purpose of

19

modifying in any manner the rights and obligations of the Company and of the Holders of the Securities, with the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities. The Indenture also contains provisions permitting Holders of specified percentages in principal amount of the Securities, on behalf of the Holders of all Securities, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest, including any Additional Interest, on this Security at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Securities Register, upon surrender of this Security for registration of transfer at the office or agency of the Company maintained for such purpose, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Securities Registrar and duly executed by, the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon one or more new Securities, of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Securities are issuable only in registered form without coupons in minimum denominations of \$100,000 and any integral multiple of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Securities are exchangeable for a like aggregate principal amount of Securities and of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

The Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

The Company and, by its acceptance of this Security or a beneficial interest therein, the Holder of, and any Person that acquires a beneficial interest in, this Security agree that, for United States federal, state and local tax purposes, it is intended that this Security constitute indebtedness.

20

This Security shall be construed and enforced in accordance with and governed by the laws of the State of New York, without reference to its conflict of laws provisions (other than Section 5-1401 of the General Obligations Law).

IN WITNESS WHEREOF, the Company has caused this instrument to be duly executed.

#### SECTION 2.4. Temporary Securities.

(a) Pending the preparation of definitive Securities, the Company may execute, and upon Company Order the Trustee shall authenticate and deliver, temporary Securities that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Securities may determine, as evidenced by their execution of such Securities.

(b) If temporary Securities are issued, the Company will cause definitive Securities to be prepared without unreasonable delay. After the preparation of definitive Securities, the temporary Securities shall be exchangeable for definitive Securities upon surrender of the temporary Securities at the office or agency of the Company designated for that purpose without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor one or more definitive Securities of any authorized denominations having the same Original Issue Date and Stated Maturity and having the same terms as such temporary Securities. ### ARTICLE III

#### The Securities

#### SECTION 3.1. Payment of Principal and Interest.

(a) The unpaid principal amount of the Securities shall bear interest at a fixed rate per annum equal to 5.71% through the Interest Payment Date in December, 2009, and a variable interest rate per annum, reset quarterly, equal to LIBOR plus 1.90% thereafter, such interest to accrue from the Original Issue Date or from the most recent Interest Payment Date to which interest has been paid or duly provided, and any overdue principal, premium or Additional Tax Sums and any overdue installment of interest shall bear Additional Interest (to the extent

24

payment of such interest would be legally enforceable) at a fixed rate per annum equal to 5.71% through the Interest Payment Date in December, 2009, and a variable rate per annum, reset quarterly, equal to LIBOR plus 1.90% thereafter,

from the dates such amounts are due until they are paid or funds for the payment thereof are made available for payment.

(b) Interest and Additional Interest on any Security that is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest, except that interest and any Additional Interest payable on the Stated Maturity (or any date of principal repayment upon early maturity) of the principal of a Security or on a Redemption Date shall be paid to the Person to whom principal is paid. The initial payment of interest on any Security that is issued between a Regular Record Date and the related Interest Payment Date shall be payable as provided in such Security.

(c) Any interest on any Security that is due and payable, but is not timely paid or duly provided for, on any Interest Payment Date for Securities (herein called "Defaulted Interest") shall forthwith cease to be payable to the registered Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in paragraph (i) or (ii) below:

(i) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest (a "Special Record Date"), which shall be fixed in the following manner. At least thirty (30) days prior to the date of the proposed payment, the Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest, which shall be not more than fifteen (15) days and not less than ten (10) days prior to the date of the proposed payment and not less than ten (10) days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class, postage prepaid, to each Holder of a Security at the address of such Holder as it appears in the Securities Register not less than ten (10) days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Securities (or their respective Predecessor Securities) are registered on such Special Record Date; or

(ii) The Company may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on

25

which the Securities may be listed and, upon such notice as may be required by such exchange (or by the Trustee if the Securities are not listed), if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such payment shall be deemed practicable by the Trustee.

(d) Payments of interest on the Securities shall include interest accrued to but excluding the respective Interest Payment Dates. Interest payments for the Securities shall be computed and paid on the basis of a 360-day year and the actual number of days elapsed in the relevant interest period. The amount of interest payable for any full interest period shall be computed by dividing the applicable rate per annum by four.

(e) Payment of principal of, premium, if any, and interest on the Securities shall be made in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts. Payments of principal, premium, if any, and interest due at the Maturity of such Securities shall be made at the Place of Payment upon surrender of such Securities to the Paying Agent and payments of interest shall be made subject to such surrender where applicable, by wire transfer at such place and to such account at a banking institution in the United States as may be designated in writing to the Paying Agent at least ten (10) Business Days prior to the date for payment by the Person entitled thereto unless proper written transfer instructions have not been received by the relevant record date, in which case such payments shall be made by check mailed to the address of such Person as such address shall appear in the Security Register. Notwithstanding the foregoing, so long as the holder of the Security is the Property Trustee, the payment of the principal of (and premium if any) and interest (including any

overdue installment of interest and Additional Tax Sums, if any) on the Security will be made at such place and to such account as may be designated by the Property Trustee.

(f) Subject to the foregoing provisions of this Section 3.1, each Security delivered under this Indenture upon transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, that were carried by such other Security.

#### SECTION 3.2. Denominations.

The Securities shall be in registered form without coupons and shall be issuable in minimum denominations of \$100,000 and any integral multiple of \$1,000 in excess thereof.

#### SECTION 3.3. Execution, Authentication, Delivery and Dating.

(a) At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Securities in an aggregate principal amount (including all then Outstanding Securities) not in excess of \$30,928,000 executed by the Company to the Trustee for authentication, together with a Company Order for the authentication and delivery of such Securities, and the Trustee in accordance with the Company Order shall authenticate and deliver such Securities. In authenticating such Securities, and accepting the additional responsibilities under this Indenture in relation to such Securities, the Trustee shall be entitled to receive, and shall be fully protected in relying upon:

26

(i) a copy of any Board Resolution relating thereto; and

(ii) an Opinion of Counsel stating that such Securities, when authenticated and delivered by the Trustee and issued by the Company in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute valid and legally binding obligations of the Company, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles.

(b) The Securities shall be executed on behalf of the Company by its Chairman of the Board, its Vice Chairman of the Board, its President or one of its Vice Presidents. The signature of any of these officers on the Securities may be manual or facsimile. Securities bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of such Securities.

(c) No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by the manual signature of one of its authorized officers, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder. Notwithstanding the foregoing, if any Security shall have been authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Security to the Trustee for cancellation as provided in Section 3.8, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

(d) Each Security shall be dated the date of its authentication.

#### SECTION 3.4. Global Securities.

(a) Upon the election of the Holder after the Original Issue Date, which election need not be in writing, the Securities owned by such Holder shall be issued in the form of one or more Global Securities registered in the name of the Depositary or its nominee. Each Global Security issued under this Indenture shall be registered in the name of the Depositary designated by the Company for such Global Security or a nominee thereof and delivered to such Depositary or a nominee thereof or custodian therefor, and each such Global Security shall constitute a single Security for all purposes of this Indenture.

(b) Notwithstanding any other provision in this Indenture, no Global Security may be exchanged in whole or in part for Securities registered, and no transfer of a Global Security in whole or in part may be registered, in the name of any Person other than the Depositary for such Global Security or a nominee thereof unless (i) such Depositary advises the Trustee and the Company in writing that such Depositary is no longer willing or able to properly discharge its responsibilities as Depositary with respect to such Global Security, and no qualified successor is appointed by the Company within ninety (90) days of receipt by the Company of such notice, (ii)

such Depository ceases to be a clearing agency registered under the Exchange Act and no successor is appointed by the Company within ninety (90) days after obtaining knowledge of such event, (iii) the Company executes and delivers to the Trustee a Company Order stating that the Company elects to terminate the book-entry system through the Depository or (iv) an Event of Default shall have occurred and be continuing. Upon the occurrence of any event specified in clause (i), (ii), (iii) or (iv) above, the Trustee shall notify the Depository and instruct the Depository to notify all owners of beneficial interests in such Global Security of the occurrence of such event and of the availability of Securities to such owners of beneficial interests requesting the same. Upon the issuance of such Securities and the registration in the Securities Register of such Securities in the names of the Holders of the beneficial interests therein, the Trustees shall recognize such holders of beneficial interests as Holders.

(c) If any Global Security is to be exchanged for other Securities or canceled in part, or if another Security is to be exchanged in whole or in part for a beneficial interest in any Global Security, then either (i) such Global Security shall be so surrendered for exchange or cancellation as provided in this Article III or (ii) the principal amount thereof shall be reduced or increased by an amount equal to the portion thereof to be so exchanged or canceled, or equal to the principal amount of such other Security to be so exchanged for a beneficial interest therein, as the case may be, by means of an appropriate adjustment made on the records of the Securities Registrar, whereupon the Trustee, in accordance with the Applicable Depository Procedures, shall instruct the Depository or its authorized representative to make a corresponding adjustment to its records. Upon any such surrender or adjustment of a Global Security by the Depository, accompanied by registration instructions, the Company shall execute and the Trustee shall authenticate and deliver any Securities issuable in exchange for such Global Security (or any portion thereof) in accordance with the instructions of the Depository. The Trustee shall not be liable for any delay in delivery of such instructions and may conclusively rely on, and shall be fully protected in relying on, such instructions.

(d) Every Security authenticated and delivered upon registration of transfer of, or in exchange for or in lieu of, a Global Security or any portion thereof shall be authenticated and delivered in the form of, and shall be, a Global Security, unless such Security is registered in the name of a Person other than the Depository for such Global Security or a nominee thereof.

(e) Securities distributed to holders of Book-Entry Preferred Securities (as defined in the applicable Trust Agreement) upon the dissolution of the Trust shall be distributed in the form of one or more Global Securities registered in the name of a Depository or its nominee, and deposited with the Securities Registrar, as custodian for such Depository, or with such Depository, for credit by the Depository to the respective accounts of the beneficial owners of the Securities represented thereby (or such other accounts as they may direct). Securities distributed to holders of Preferred Securities other than Book-Entry Preferred Securities upon the dissolution of the Trust shall not be issued in the form of a Global Security or any other form intended to facilitate book-entry trading in beneficial interests in such Securities.

(f) The Depository or its nominee, as the registered owner of a Global Security, shall be the Holder of such Global Security for all purposes under this Indenture and the Securities, and owners of beneficial interests in a Global Security shall hold such interests pursuant to the Applicable Depository Procedures. Accordingly, any such owner's beneficial interest in a Global

Security shall be shown only on, and the transfer of such interest shall be effected only through, records maintained by the Depository or its nominee or its Depository Participants. The Securities Registrar and the Trustee shall be entitled to deal with the Depository for all purposes of this Indenture relating to a Global Security (including the payment of principal and interest thereon and the giving of instructions or directions by owners of beneficial interests therein and the giving of notices) as the sole Holder of the Security and shall have no obligations to the owners of beneficial interests therein. Neither the Trustee nor the Securities Registrar shall have any liability in respect of any transfers effected by the Depository.

(g) The rights of owners of beneficial interests in a Global Security shall be exercised only through the Depository and shall be limited to those established by law and agreements between such owners and the Depository and/or its Depository Participants.

(h) No holder of any beneficial interest in any Global Security held on its behalf by a Depository shall have any rights under this Indenture with respect to such Global Security, and such Depository may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the owner of such Global Security for all purposes whatsoever. None of the Company, the Trustee nor any agent of the Company or the Trustee will have any responsibility

or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a Global Security or maintaining, supervising or reviewing any records relating to such beneficial ownership interests. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by a Depository or impair, as between a Depository and such holders of beneficial interests, the operation of customary practices governing the exercise of the rights of the Depository (or its nominee) as Holder of any Security.

#### SECTION 3.5. Registration, Transfer and Exchange Generally.

(a) The Trustee shall cause to be kept at the Corporate Trust Office a register (the "Securities Register") in which the registrar and transfer agent with respect to the Securities (the "Securities Registrar"), subject to such reasonable regulations as it may prescribe, shall provide for the registration of Securities and of transfers and exchanges of Securities. The Trustee shall at all times also be the Securities Registrar. The provisions of Article VI shall apply to the Trustee in its role as Securities Registrar.

(b) Upon surrender for registration of transfer of any Security at the offices or agencies of the Company designated for that purpose the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of any authorized denominations of like tenor and aggregate principal amount.

(c) At the option of the Holder, Securities may be exchanged for other Securities of any authorized denominations, of like tenor and aggregate principal amount, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Securities that the Holder making the exchange is entitled to receive.

29

(d) All Securities issued upon any transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such transfer or exchange.

(e) Every Security presented or surrendered for transfer or exchange shall (if so required by the Company or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Securities Registrar, duly executed by the Holder thereof or such Holder's attorney duly authorized in writing.

(f) No service charge shall be made to a Holder for any transfer or exchange of Securities, but the Company and the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Securities.

(g) Neither the Company nor the Trustee shall be required pursuant to the provisions of this Section 3.5, (i) to issue, register the transfer of or exchange any Security during a period beginning at the opening of business fifteen (15) days before the day of selection for redemption of Securities pursuant to Article XI and ending at the close of business on the day of mailing of the notice of redemption or (ii) to register the transfer of or exchange any Security so selected for redemption in whole or in part, except, in the case of any such Security to be redeemed in part, any portion thereof not to be redeemed.

(h) The Company shall designate an office or offices or agency or agencies where Securities may be surrendered for registration or transfer or exchange. The Company initially designates the Corporate Trust Office as its office and agency for such purposes. The Company shall give prompt written notice to the Trustee and to the Holders of any change in the location of any such office or agency.

#### SECTION 3.6. Mutilated, Destroyed, Lost and Stolen Securities.

(a) If any mutilated Security is surrendered to the Trustee together with such security or indemnity as may be required by the Company or the Trustee to save each of them harmless, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a new Security of like tenor and aggregate principal amount and bearing a number not contemporaneously outstanding.

(b) If there shall be delivered to the Company and to the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Company or the Trustee that such Security has been acquired by a bona fide purchaser, the Company shall execute and upon its written request the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security, a new Security of like tenor and aggregate principal amount as such destroyed, lost or stolen Security,

and bearing a number not contemporaneously outstanding.

(c) If any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security.

30

(d) Upon the issuance of any new Security under this Section 3.6, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

(e) Every new Security issued pursuant to this Section 3.6 in lieu of any mutilated, destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Company, whether or not the mutilated, destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities duly issued hereunder.

(f) The provisions of this Section 3.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

#### SECTION 3.7. Persons Deemed Owners.

The Company, the Trustee and any agent of the Company or the Trustee shall treat the Person in whose name any Security is registered as the owner of such Security for the purpose of receiving payment of principal of and any interest on such Security and for all other purposes whatsoever, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

#### SECTION 3.8. Cancellation.

All Securities surrendered for payment, redemption, transfer or exchange shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee, and any such Securities and Securities surrendered directly to the Trustee for any such purpose shall be promptly canceled by it. The Company may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder that the Company may have acquired in any manner whatsoever, and all Securities so delivered shall be promptly canceled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities canceled as provided in this Section 3.8, except as expressly permitted by this Indenture. All canceled Securities shall be disposed of by the Trustee in accordance with its customary practices and the Trustee shall deliver to the Company a certificate of such disposition.

#### SECTION 3.9. Deferrals of Interest Payment Dates.

(a) So long as no Event of Default pursuant to Sections 5.1(c), (e) or (f) has occurred and is continuing, the Company shall have the right, at any time and from time to time during the term of the Security, to defer the payment of interest on the Securities for a period of up to twenty (20) consecutive quarterly interest payment periods (each such period, an "Extension Period"), during which Extension Period(s), the Company shall have the right to make no payments or partial payments of interest on any Interest Payment Date (except any Additional Tax Sums that otherwise may be due and payable). No Extension Period shall end on a date other than an Interest Payment Date and no Extension Period shall extend beyond the Stated Maturity of the principal of the Securities. No interest shall be due and payable during an Extension Period, except at the end thereof, but each installment of interest that would otherwise

31

have been due and payable during such Extension Period shall bear Additional Interest (to the extent payment of such interest would be legally enforceable) at a fixed rate per annum equal to 5.71% through the Interest Payment Date in December, 2009, and a variable rate per annum, reset quarterly, equal to LIBOR plus 1.90% thereafter, compounded quarterly, from the dates on which amounts would have otherwise been due and payable until paid or until funds for the payment thereof have been made available for payment. At the end of any such Extension Period, the Company shall pay all interest then accrued and unpaid on the Securities together with such Additional Interest. Prior to the termination of any such Extension Period, the Company may extend such Extension Period and further defer the payment of interest; provided, that (i) all such previous and further extensions comprising such Extension Period do not exceed twenty (20) quarterly interest payment periods, (ii) no Extension Period shall end on a date other than an Interest Payment Date and (iii) no Extension Period shall extend beyond the Stated Maturity of the principal of the Securities. Upon the termination of any such Extension Period and upon the payment of all accrued and unpaid interest and any Additional Interest then due on any Interest Payment Date, the Company may elect to begin a new Extension Period; provided, that (i) such Extension Period does not exceed twenty (20) quarterly interest payment periods, (ii) no Extension Period shall end on a date other than an Interest

Payment Date and (iii) no Extension Period shall extend beyond the Stated Maturity of the principal of the Securities. The Company shall give (i) the Holders of the Securities, (ii) the Trustee, (iii) the Property Trustee and (iv) any beneficial owner of the Preferred Securities reasonably identified to the Company (which identification may be made either by such beneficial owner or by the Placement Agent or the Purchaser) written notice of its election to begin any such Extension Period at least five (5) Business Days prior to the next succeeding Interest Payment Date on which interest on the Securities would be payable but for such deferral.

(b) In connection with any such Extension Period, the Company shall be subject to the restrictions set forth in Section 10.6(a).

#### SECTION 3.10. Right of Set-Off.

Notwithstanding anything to the contrary herein, the Company shall have the right to set off any payment it is otherwise required to make in respect of any Security to the extent the Company has theretofore made, or is concurrently on the date of such payment making, a payment under the Guarantee Agreement relating to such Security or to a holder of Preferred Securities pursuant to an action undertaken under Section 5.8 of this Indenture.

#### SECTION 3.11. Agreed Tax Treatment.

Each Security issued hereunder shall provide that the Company and, by its acceptance or acquisition of a Security or a beneficial interest therein, the Holder of, and any Person that acquires a direct or indirect beneficial interest in, such Security, intend and agree to treat such Security as indebtedness of the Company for United States Federal, state and local tax purposes and to treat the Preferred Securities (including but not limited to all payments and proceeds with respect to the Preferred Securities) as an undivided beneficial ownership interest in the Securities (and payments and proceeds therefrom, respectively) for United States Federal, state and local tax purposes. The provisions of this Indenture shall be interpreted to further this intention and agreement of the parties.

32

#### SECTION 3.12. CUSIP Numbers.

The Company in issuing the Securities may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption and other similar or related materials as a convenience to Holders; provided, that any such notice or other materials may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of redemption or other materials and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers.

### ARTICLE IV

#### Satisfaction and Discharge

##### SECTION 4.1. Satisfaction and Discharge of Indenture.

This Indenture shall, upon Company Request, cease to be of further effect (except as to any surviving rights of registration of transfer or exchange of Securities herein expressly provided for and as otherwise provided in this Section 4.1) and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when

(a) either

(i) all Securities theretofore authenticated and delivered (other than (A) Securities that have been mutilated, destroyed, lost or stolen and that have been replaced or paid as provided in Section 3.6 and (B) Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust as provided in Section 10.2) have been delivered to the Trustee for cancellation; or

(ii) all such Securities not theretofore delivered to the Trustee for cancellation

(A) have become due and payable, or

(B) will become due and payable at their Stated Maturity within one year of the date of deposit, or

(C) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company,

and the Company, in the case of subclause (ii) (A), (B) or (C) above, has deposited or caused to be deposited with the Trustee as trust funds in trust for such purpose (x) an amount in the currency or currencies in which the Securities are payable, (y) Government Obligations which through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than the due date of any payment, money in an amount or (z) a combination thereof, in each case sufficient, in the

33

opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge the entire indebtedness on such Securities not theretofore delivered to the Trustee for cancellation, for principal and any premium and interest (including any Additional Interest) to the date of such deposit (in the case of Securities that have become due and payable) or to the Stated Maturity (or any date of principal repayment upon early maturity) or Redemption Date, as the case may be;

(b) the Company has paid or caused to be paid all other sums payable hereunder by the Company; and

(c) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 6.6, the obligations of the Company to any Authenticating Agent under Section 6.11 and, if money shall have been deposited with the Trustee pursuant to subclause (a) (ii) of this Section 4.1, the obligations of the Trustee under Section 4.2 and Section 10.2(e) shall survive.

#### SECTION 4.2. Application of Trust Money.

Subject to the provisions of Section 10.2(e), all money deposited with the Trustee pursuant to Section 4.1 shall be held in trust and applied by the Trustee, in accordance with the provisions of the Securities and this Indenture, to the payment in accordance with Section 3.1, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal and any premium and interest (including any Additional Interest) for the payment of which such money or obligations have been deposited with or received by the Trustee. Moneys held by the Trustee under this Section 4.2 shall not be subject to the claims of holders of Senior Debt under Article XII.

### ARTICLE V

#### Remedies

#### SECTION 5.1. Events of Default.

"Event of Default" means, wherever used herein with respect to the Securities, any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) default in the payment of any interest upon any Security, including any Additional Interest in respect thereof, when it becomes due and payable, and continuance of such default for

34

a period of thirty (30) days (subject to the deferral of any due date in the case of an Extension Period); or

(b) default in the payment of the principal of or any premium on any Security at its Maturity; or

(c) default in the payment of any interest upon any Security, including any Additional Interest in respect thereof, following the nonpayment of any such interest for twenty (20) or more consecutive quarterly interest payment periods; or

(d) default in the performance, or breach, of any covenant or warranty of the Company in this Indenture and continuance of such default or breach for a period of thirty (30) days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least twenty five percent (25%) in aggregate principal amount of the Outstanding Securities a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice

of Default" hereunder; or

(e) the entry by a court having jurisdiction in the premises of a decree or order adjudging the Company a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company under any applicable Federal or state bankruptcy, insolvency, reorganization or other similar law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of sixty (60) consecutive days; or

(f) the institution by the Company of proceedings to be adjudicated a bankrupt or insolvent, or the consent by the Company to the institution of bankruptcy or insolvency proceedings against it, or the filing by the Company of a petition or answer or consent seeking reorganization or relief under any applicable Federal or state bankruptcy, insolvency, reorganization or other similar law, or the consent by it to the filing of such petition or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due and its willingness to be adjudicated a bankrupt or insolvent, or the taking of corporate action by the Company in furtherance of any such action; or

(g) the Trust shall have voluntarily or involuntarily liquidated, dissolved, wound-up its business or otherwise terminated its existence, except in connection with (1) the distribution of the Securities to holders of the Preferred Securities in liquidation of their interests in the Trust, (2) the redemption of all of the outstanding Preferred Securities or (3) certain mergers, consolidations or amalgamations, each as and to the extent permitted by the Trust Agreement.

#### SECTION 5.2. Acceleration of Maturity; Rescission and Annulment.

(a) If an Event of Default pursuant to Sections 5.1(c), (e) or (f) occurs and is continuing, then and in every such case the Trustee or the Holders of not less than twenty five

35

percent (25%) in principal amount of the Outstanding Securities may declare the principal amount of all the Securities to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by Holders), provided, that if, upon an Event of Default pursuant to Sections 5.1(c), (e) or (f), the Trustee or the Holders of not less than twenty five percent (25%) in principal amount of the Outstanding Securities fail to declare the principal of all the Outstanding Securities to be immediately due and payable, the holders of at least twenty five percent (25%) in aggregate Liquidation Amount (as defined in the Trust Agreement) of the Preferred Securities then outstanding shall have the right to make such declaration by a notice in writing to the Property Trustee, the Company and the Trustee; and upon any such declaration the principal amount of and the accrued interest (including any Additional Interest) on all the Securities shall become immediately due and payable.

(b) At any time after such a declaration of acceleration with respect to Securities has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter provided in this Article V, the Holders of a majority in principal amount of the Outstanding Securities, by written notice to the Indenture Trustee, or the Holders of a majority in aggregate liquidation amount of the Preferred Securities, by written notice to the Property Trustee, the Company and the Trustee, may rescind and annul such declaration and its consequences if:

(i) the Company has paid or deposited with the Trustee a sum sufficient to pay:

- (A) all overdue installments of interest on all Securities,
- (B) any accrued Additional Interest on all Securities,
- (C) the principal of and any premium on any Securities that have become due otherwise than by such declaration of acceleration and interest (including any Additional Interest) thereon at the rate borne by the Securities, and
- (D) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, the Property Trustee and their agents and counsel; and

(ii) all Events of Default with respect to Securities, other than

the non-payment of the principal of Securities that has become due solely by such acceleration, have been cured or waived as provided in Section 5.13;

provided, that if the Holders of such Securities fail to annul such declaration and waive such default, the holders of not less than a majority in aggregate Liquidation Amount (as defined in the Trust Agreement) of the Preferred Securities then outstanding shall also have the right to rescind and annul such declaration and its consequences by written notice to the Property Trustee, the Company and the Trustee, subject to the satisfaction of the conditions set forth in paragraph (b) of this Section 5.2. No such rescission shall affect any subsequent default or impair any right consequent thereon.

36

SECTION 5.3. Collection of Indebtedness and Suits for Enforcement by Trustee.

(a) The Company covenants that if:

(i) default is made in the payment of any installment of interest (including any Additional Interest) on any Security when such interest becomes due and payable and such default continues for a period of thirty (30) days, or

(ii) default is made in the payment of the principal of and any premium on any Security at the Maturity thereof,

the Company will, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal and any premium and interest (including any Additional Interest) and, in addition thereto, all amounts owing the Trustee under Section 6.6.

(b) If the Company fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, and may prosecute such proceeding to judgment or final decree, and may enforce the same against the Company or any other obligor upon such Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon the Securities, wherever situated.

(c) If an Event of Default with respect to Securities occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

SECTION 5.4. Trustee May File Proofs of Claim.

In case of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or similar judicial proceeding relative to the Company (or any other obligor upon the Securities), its property or its creditors, the Trustee shall be entitled and empowered, by intervention in such proceeding or otherwise, to take any and all actions authorized hereunder in order to have claims of the Holders and the Trustee allowed in any such proceeding. In particular, the Trustee shall be authorized to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequester or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to first pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts owing the Trustee, any predecessor Trustee and other Persons under Section 6.6.

37

SECTION 5.5. Trustee May Enforce Claim Without Possession of Securities.

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, subject to Article XII and after provision for the payment of all the amounts owing the Trustee, any predecessor Trustee and other Persons under Section 6.6, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

SECTION 5.6. Application of Money Collected.

Any money or property collected or to be applied by the Trustee with respect to the Securities pursuant to this Article V shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money or property on account of principal or any premium or interest (including any Additional Interest), upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee, any predecessor Trustee and other Persons under Section 6.6;

SECOND: To the payment of all Senior Debt of the Company if and to the extent required by Article XII.

THIRD: Subject to Article XII, to the payment of the amounts then due and unpaid upon the Securities for principal and any premium and interest (including any Additional Interest) in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities for principal and any premium and interest (including any Additional Interest), respectively; and

FOURTH: The balance, if any, to the Person or Persons entitled thereto.

#### SECTION 5.7. Limitation on Suits.

Subject to Section 5.8, no Holder of any Securities shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture or for the appointment of a custodian, receiver, assignee, trustee, liquidator, sequestrator (or other similar official) or for any other remedy hereunder, unless:

(a) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities;

(b) the Holders of not less than a majority in aggregate principal amount of the Outstanding Securities shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

38

(c) such Holder or Holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;

(d) the Trustee after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding for sixty (60) days; and

(e) no direction inconsistent with such written request has been given to the Trustee during such sixty (60)-day period by the Holders of a majority in aggregate principal amount of the Outstanding Securities;

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Securities, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all such Holders.

#### SECTION 5.8. Unconditional Right of Holders to Receive Principal, Premium and Interest; Direct Action by Holders of Preferred Securities.

Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment of the principal of and any premium on such Security at its Maturity and payment of interest (including any Additional Interest) on such Security when due and payable and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Any registered holder of the Preferred Securities shall have the right, upon the occurrence of an Event of Default described in Section 5.1(a), Section 5.1(b) or Section 5.1(c), to institute a suit directly against the Company for enforcement of payment to such holder of principal of and any premium and interest (including any Additional Interest) on the Securities having a principal amount equal to the aggregate Liquidation Amount (as defined in the Trust Agreement) of the Preferred Securities held by such holder.

#### SECTION 5.9. Restoration of Rights and Remedies.

If the Trustee, any Holder or any holder of Preferred Securities has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee, such Holder or such holder of Preferred Securities, then and in every such case the Company, the Trustee, such Holders and such holder of Preferred Securities shall, subject to any

determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee, such Holder and such holder of Preferred Securities shall continue as though no such proceeding had been instituted.

SECTION 5.10. Rights and Remedies Cumulative.

Except as otherwise provided in Section 3.6(f), no right or remedy herein conferred upon or reserved to the Trustee or the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity

39

or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 5.11. Delay or Omission Not Waiver.

No delay or omission of the Trustee, any Holder of any Securities or any holder of any Preferred Security to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article V or by law to the Trustee or to the Holders and the right and remedy given to the holders of Preferred Securities by Section 5.8 may be exercised from time to time, and as often as may be deemed expedient, by the Trustee, the Holders or the holders of Preferred Securities, as the case may be.

SECTION 5.12. Control by Holders.

The Holders of not less than a majority in aggregate principal amount of the Outstanding Securities shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee; provided, that:

(a) such direction shall not be in conflict with any rule of law or with this Indenture,

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction, and

(c) subject to the provisions of Section 6.2, the Trustee shall have the right to decline to follow such direction if a Responsible Officer or Officers of the Trustee shall, in good faith, reasonably determine that the proceeding so directed would be unjustly prejudicial to the Holders not joining in any such direction or would involve the Trustee in personal liability.

SECTION 5.13. Waiver of Past Defaults.

(a) The Holders of not less than a majority in aggregate principal amount of the Outstanding Securities and the holders of a majority in aggregate Liquidation Amount (as defined in the Trust Agreement) of the Preferred Securities may waive any past Event of Default hereunder and its consequences except an Event of Default:

(i) in the payment of the principal of or any premium or interest (including any Additional Interest) on any Security (unless such Event of Default has been cured and the Company has paid to or deposited with the Trustee a sum sufficient to pay all installments of interest (including any Additional Interest) due and past due and all principal of and any premium on all Securities due otherwise than by acceleration), or

(ii) in respect of a covenant or provision hereof that under Article IX cannot be modified or amended without the consent of each Holder of any Outstanding Security.

40

(b) Any such waiver shall be deemed to be on behalf of the Holders of all the Securities or, in the case of a waiver by holders of Preferred Securities issued by such Trust, by all holders of Preferred Securities.

(c) Upon any such waiver, such Event of Default shall cease to exist and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Event of Default or impair any right consequent thereon.

SECTION 5.14. Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Security by his or her acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or

remedy under this Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.14 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than ten percent (10%) in aggregate principal amount of the Outstanding Securities, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or any premium on the Security after the Stated Maturity or any interest (including any Additional Interest) on any Security after it is due and payable.

#### SECTION 5.15. Waiver of Usury, Stay or Extension Laws.

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any usury, stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

### ARTICLE VI

#### The Trustee

#### SECTION 6.1. Corporate Trustee Required.

There shall at all times be a Trustee hereunder with respect to the Securities. The Trustee shall be a corporation organized and doing business under the laws of the United States or of any state thereof, authorized to exercise corporate trust powers, having a combined capital and surplus of at least \$50,000,000, subject to supervision or examination by Federal or state authority and having an office within the United States. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of such supervising or

41

examining authority, then, for the purposes of this Section 6.1, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.1, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

#### SECTION 6.2. Certain Duties and Responsibilities.

(a) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; provided, that in the case of any such certificates or opinions that by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture.

(b) If an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from the Holders of at least a majority in aggregate principal amount of the Outstanding Securities, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) Notwithstanding the foregoing, no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it. Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be

subject to the provisions of this Section 6.2. To the extent that, at law or in equity, the Trustee has duties and liabilities relating to the Holders, the Trustee shall not be liable to any Holder for the Trustee's good faith reliance on the provisions of this Indenture. The provisions of this Indenture, to the extent that they restrict the duties and liabilities of the Trustee otherwise existing at law or in equity, are agreed by the Company and the Holders to replace such other duties and liabilities of the Trustee.

(d) No provisions of this Indenture shall be construed to relieve the Trustee from liability with respect to matters that are within the authority of the Trustee under this Indenture for its own negligent action, negligent failure to act or willful misconduct, except that:

42

(i) the Trustee shall not be liable for any error or judgment made in good faith by an authorized officer of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(ii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of at least a majority in aggregate principal amount of the Outstanding Securities relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee under this Indenture; and

(iii) the Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed with the Company and money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law.

#### SECTION 6.3. Notice of Defaults.

Within ninety (90) days after the occurrence of any default actually known to the Trustee, the Trustee shall give the Holders notice of such default unless such default shall have been cured or waived; provided, that except in the case of a default in the payment of the principal of or any premium or interest on any Securities, the Trustee shall be fully protected in withholding the notice if and so long as the board of directors, the executive committee or a trust committee of directors and/or Responsible Officers of the Trustee in good faith determines that withholding the notice is in the interest of holders of Securities; and provided, that in the case of any default of the character specified in Section 5.1(d), no such notice to Holders shall be given until at least thirty (30) days after the occurrence thereof. For the purpose of this Section 6.3, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default.

#### SECTION 6.4. Certain Rights of Trustee.

Subject to the provisions of Section 6.2:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting in good faith and in accordance with the terms hereof upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) if (i) in performing its duties under this Indenture the Trustee is required to decide between alternative courses of action, (ii) in construing any of the provisions of this Indenture the Trustee finds ambiguous or inconsistent with any other provisions contained herein or (iii) the Trustee is unsure of the application of any provision of this Indenture, then, except as to any matter as to which the Holders are entitled to decide under the terms of this Indenture, the Trustee shall deliver a notice to the Company requesting the Company's written instruction as to the course of action to be taken and the Trustee shall take such action, or refrain from taking such action, as the Trustee shall be instructed in writing to take, or to refrain from taking, by the Company; provided, that if the Trustee does not receive such instructions from the Company

43

within ten Business Days after it has delivered such notice or such reasonably shorter period of time set forth in such notice the Trustee may, but shall be under no duty to, take such action, or refrain from taking such action, as the Trustee shall deem advisable and in the best interests of the Holders, in which event the Trustee shall have no liability except for its own negligence, bad faith or willful misconduct;

(c) any request or direction of the Company shall be sufficiently evidenced by a Company Request or Company Order and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

(d) the Trustee may consult with counsel (which counsel may be counsel

to the Trustee, the Company or any of its Affiliates, and may include any of its employees) and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities that might be incurred by it in compliance with such request or direction, including reasonable advances as may be requested by the Trustee;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, indenture, note or other paper or document, but the Trustee in its discretion may make such inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys, custodians or nominees and the Trustee shall not be responsible for any misconduct or negligence on the part of any such agent, attorney, custodian or nominee appointed with due care by it hereunder;

(h) whenever in the administration of this Indenture the Trustee shall deem it desirable to receive instructions with respect to enforcing any remedy or right or taking any other action with respect to enforcing any remedy or right hereunder, the Trustees (i) may request instructions from the Holders (which instructions may only be given by the Holders of the same aggregate principal amount of Outstanding Securities as would be entitled to direct the Trustee under this Indenture in respect of such remedy, right or action), (ii) may refrain from enforcing such remedy or right or taking such action until such instructions are received and (iii) shall be protected in acting in accordance with such instructions;

(i) except as otherwise expressly provided by this Indenture, the Trustee shall not be under any obligation to take any action that is discretionary under the provisions of this Indenture;

44

(j) without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs expenses or renders services in connection with any bankruptcy, insolvency or other proceeding referred to in clauses (d) or (e) of the definition of Event of Default, such expenses (including legal fees and expenses of its agents and counsel) and the compensation for such services are intended to constitute expenses of administration under any bankruptcy laws or law relating to creditors rights generally;

(k) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, conclusively rely upon an Officers' Certificate addressing such matter, which, upon receipt of such request, shall be promptly delivered by the Company;

(l) the Trustee shall not be charged with knowledge of any Event of Default unless either (i) a Responsible Officer of the Trustee shall have actual knowledge or (ii) the Trustee shall have received notice thereof from the Company or a Holder; and

(m) in the event that the Trustee is also acting as Paying Agent, Authenticating Agent or Securities Registrar hereunder, the rights and protections afforded to the Trustee pursuant to this Article VI shall also be afforded such Paying Agent, Authenticating Agent, or Securities Registrar.

#### SECTION 6.5. May Hold Securities.

The Trustee, any Authenticating Agent, any Paying Agent, any Securities Registrar or any other agent of the Company, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Company with the same rights it would have if it were not Trustee, Authenticating Agent, Paying Agent, Securities Registrar or such other agent.

#### SECTION 6.6. Compensation; Reimbursement; Indemnity.

(a) The Company agrees

(i) to pay to the Trustee from time to time reasonable compensation for all services rendered by it hereunder in such amounts as

the Company and the Trustee shall agree from time to time (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence, bad faith or willful misconduct; and

(iii) to the fullest extent permitted by applicable law, to indemnify the Trustee and its Affiliates, and their officers, directors, shareholders, agents, representatives and employees for, and to hold them harmless against, any loss, damage, action, suit, liability,

45

tax (other than income, franchise or other taxes imposed on amounts paid pursuant to (i) or (ii) hereof), penalty, expense or claim of any kind or nature whatsoever incurred without negligence, bad faith or willful misconduct on its part arising out of or in connection with the acceptance or administration of this trust or the performance of the Trustee's duties hereunder, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

(b) The obligations of the Company under this Section 6.6 shall survive the satisfaction and discharge of this Indenture and the earlier resignation or removal of the Trustee.

(c) In no event shall the Trustee be liable for any indirect, special, punitive or consequential loss or damage of any kind whatsoever, including, but not limited to, lost profits, even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(d) In no event shall the Trustee be liable for any failure or delay in the performance of its obligations hereunder because of circumstances beyond its control, including, but not limited to, acts of God, flood, war (whether declared or undeclared), terrorism, fire, riot, embargo, government action, including any laws, ordinances, regulations, governmental action or the like which delay, restrict or prohibit the providing of the services contemplated by this Indenture.

#### SECTION 6.7. Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Trustee under Section 6.8.

(b) The Trustee may resign at any time by giving written notice thereof to the Company.

(c) Unless an Event of Default shall have occurred and be continuing, the Trustee may be removed at any time by the Company by a Board Resolution. If an Event of Default shall have occurred and be continuing, the Trustee may be removed by Act of the Holders of a majority in aggregate principal amount of the Outstanding Securities, delivered to the Trustee and to the Company.

(d) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any reason, at a time when no Event of Default shall have occurred and be continuing, the Company, by a Board Resolution, shall promptly appoint a successor Trustee, and such successor Trustee and the retiring Trustee shall comply with the applicable requirements of Section 6.8. If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any reason, at a time when an Event of Default shall have occurred and be continuing, the Holders, by Act of the Holders of a majority in aggregate principal amount of the Outstanding Securities, shall promptly appoint a successor Trustee, and such successor Trustee and the retiring Trustee shall comply with the applicable requirements of Section 6.8. If no successor Trustee shall have been

46

so appointed by the Company or the Holders and accepted appointment within sixty (60) days after the giving of a notice of resignation by the Trustee or the removal of the Trustee in the manner required by Section 6.8, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of such Holder and all others similarly situated, and any resigning Trustee may, at the expense of the Company, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) The Company shall give notice to all Holders in the manner provided in Section 1.6 of each resignation and each removal of the Trustee and each

appointment of a successor Trustee. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office.

#### SECTION 6.8. Acceptance of Appointment by Successor.

(a) In case of the appointment hereunder of a successor Trustee, each successor Trustee so appointed shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on the request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder.

(b) Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all rights, powers and trusts referred to in paragraph (a) of this Section 6.8.

(c) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article VI.

#### SECTION 6.9. Merger, Conversion, Consolidation or Succession to Business.

Any Person into which the Trustee may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any Person succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, without the execution or filing of any paper or any further act on the part of any of the parties hereto, provided, that such Person shall be otherwise qualified and eligible under this Article VI. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation or as otherwise provided above in this Section 6.9 to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated, and in case any Securities shall not have been authenticated, any successor to the Trustee may authenticate such Securities either in the name of any predecessor Trustee or in the name of such successor Trustee, and in all cases the certificate of authentication shall have the full force which

47

it is provided anywhere in the Securities or in this Indenture that the certificate of the Trustee shall have.

#### SECTION 6.10. Not Responsible for Recitals or Issuance of Securities.

The recitals contained herein and in the Securities, except the Trustee's certificates of authentication, shall be taken as the statements of the Company, and neither the Trustee nor any Authenticating Agent assumes any responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. Neither the Trustee nor any Authenticating Agent shall be accountable for the use or application by the Company of the Securities or the proceeds thereof.

#### SECTION 6.11. Appointment of Authenticating Agent.

(a) The Trustee may appoint an Authenticating Agent or Agents with respect to the Securities, which shall be authorized to act on behalf of the Trustee to authenticate Securities issued upon original issue and upon exchange, registration of transfer or partial redemption thereof or pursuant to Section 3.6, and Securities so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Wherever reference is made in this Indenture to the authentication and delivery of Securities by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall be acceptable to the Company and shall at all times be a corporation organized and doing business under the laws of the United States of America, or of any State or Territory thereof or the District of Columbia, authorized under such laws to act as Authenticating Agent, having a combined capital and surplus of not less than \$50,000,000 and subject to supervision or examination by Federal or state authority. If such Authenticating Agent publishes reports of condition at least annually pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section 6.11 the combined capital and surplus of such Authenticating Agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section 6.11, such Authenticating Agent shall resign immediately in the manner

and with the effect specified in this Section 6.11.

(b) Any Person into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any Person succeeding to all or substantially all of the corporate trust business of an Authenticating Agent shall be the successor Authenticating Agent hereunder, provided such Person shall be otherwise eligible under this Section 6.11, without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

(c) An Authenticating Agent may resign at any time by giving written notice thereof to the Trustee and to the Company. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at

48

any time such Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section 6.11, the Trustee may appoint a successor Authenticating Agent eligible under the provisions of this Section 6.11, which shall be acceptable to the Company, and shall give notice of such appointment to all Holders. Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent.

(d) The Company agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services under this Section 6.11 in such amounts as the Company and the Authenticating Agent shall agree from time to time.

(e) If an appointment of an Authenticating Agent is made pursuant to this Section 6.11, the Securities may have endorsed thereon, in addition to the Trustee's certificate of authentication, an alternative certificate of authentication in the following form:

(b) Whenever the Company shall have one or more Paying Agents, it will, prior to 10:00 a.m., New York City time, on each due date of the principal of or any premium or interest (including any Additional Interest) on any Securities, deposit with a Paying Agent a sum sufficient to pay such amount, such sum to be held as provided in the Trust Indenture Act and

#### SECTION 10.4. Calculation Agent.

(a) The Company hereby agrees that for so long as any of the Securities remain Outstanding, there will at all times be an agent appointed to calculate LIBOR in respect of each Interest Payment Date in accordance with the terms of Schedule A (the "Calculation Agent"). The Company has initially appointed the Trustee as Calculation Agent for purposes of determining LIBOR for each Interest Payment Date. The Calculation Agent may be removed by the Company at any time. So long as the Property Trustee holds any of the Securities, the Calculation Agent shall be the Property Trustee. If the Calculation Agent is unable or unwilling to act as such or is removed by the Company, the Company will promptly appoint as a replacement Calculation Agent the London office of a leading bank which is engaged in transactions in Eurodollar deposits in the international Eurodollar market and which does not control or is not controlled by or under

common control with the Company or its Affiliates. The Calculation Agent may not resign its duties without a successor having been duly appointed.

(b) The Calculation Agent shall be required to agree that, as soon as possible after 11:00 a.m. (London time) on each LIBOR Determination Date (as defined in Schedule A), but in no event later than 11:00 a.m. (London time) on the Business Day immediately following each LIBOR Determination Date, the Calculation Agent will calculate the interest rate (rounded to the nearest cent, with half a cent being rounded upwards) for the related Interest Payment Date, and will communicate such rate and amount to the Company, the Trustee, each Paying Agent and the Depository. The Calculation Agent will also specify to the Company the quotations upon which the foregoing rates and amounts are based and, in any event, the Calculation Agent shall notify the Company before 5:00 p.m. (London time) on each LIBOR Determination Date that either: (i) it has determined or is in the process of determining the foregoing rates and amounts or (ii) it has not determined and is not in the process of determining the foregoing rates and amounts, together with its reasons therefor. The Calculation Agent's determination of the foregoing rates and amounts for any Interest Payment Date will (in the absence of manifest error) be final and binding upon all parties. For the sole purpose of calculating the interest rate for the Securities, "Business Day" shall be defined as any day on which dealings in deposits in Dollars are transacted in the London interbank market.

#### SECTION 10.5. Additional Tax Sums.

So long as no Event of Default has occurred and is continuing, if (a) the Trust is the Holder of all of the Outstanding Securities and (b) a Tax Event described in clause (i) or (iii) in the definition of Tax Event in Section 1.1 hereof has occurred and is continuing, the Company shall pay to the Trust (and its permitted successors or assigns under the related Trust Agreement) for so long as the Trust (or its permitted successor or assignee) is the registered holder of the Outstanding Securities, such amounts as may be necessary in order that the amount of Distributions (including any Additional Interest Amount (as defined in the Trust Agreement)) then due and payable by the Trust on the Preferred Securities and Common Securities that at any time remain outstanding in accordance with the terms thereof shall not be reduced as a result of any Additional Taxes arising from such Tax Event (additional such amounts payable by the Company to the Trust, the "Additional Tax Sums"). Whenever in this Indenture or the Securities there is a reference in any context to the payment of principal of or interest on the Securities, such mention shall be deemed to include mention of the payments of the Additional Tax Sums

56

provided for in this Section 10.5 to the extent that, in such context, Additional Tax Sums are, were or would be payable in respect thereof pursuant to the provisions of this Section 10.5 and express mention of the payment of Additional Tax Sums (if applicable) in any provisions hereof shall not be construed as excluding Additional Tax Sums in those provisions hereof where such express mention is not made; provided, that the deferral of the payment of interest pursuant to Section 3.9 on the Securities shall not defer the payment of any Additional Tax Sums that may be due and payable.

#### SECTION 10.6. Additional Covenants.

(a) The Company covenants and agrees with each Holder of Securities that if an Event of Default shall have occurred and be continuing or the Company shall have given notice of its election to begin an Extension Period with respect to the Securities and shall not have rescinded such notice, or such Extension Period, or any extension thereof, shall be continuing, it shall not (i) declare or pay any dividends or distributions on, or redeem, purchase, acquire or make a liquidation payment with respect to, any shares of the Company's capital stock, or (ii) make any payment of principal of or any interest or premium on or repay, repurchase or redeem any debt securities of the Company that rank pari passu in all respects with or junior in interest to the Securities (other than (A) repurchases, redemptions or other acquisitions of shares of capital stock of the Company in connection with any employment contract, benefit plan or other similar arrangement with or for the benefit of any one or more employees, officers, directors or consultants, in connection with a dividend reinvestment or stockholder stock purchase plan or in connection with the issuance of capital stock of the Company (or securities convertible into or exercisable for such capital stock) as consideration in an acquisition transaction entered into prior to the applicable Extension Period, (B) as a result of an exchange or conversion of any class or series of the Company's capital stock (or any capital stock of a Subsidiary of the Company) for any class or series of the Company's capital stock or of any class or series of the Company's indebtedness for any class or series of the Company's capital stock, (C) the purchase of fractional interests in shares of the Company's capital stock pursuant to the conversion or exchange provisions of such capital stock or the security being converted or exchanged, (D) any declaration of a dividend in connection with any Rights Plan, the issuance of rights, stock or other property under any Rights Plan or the redemption or repurchase of rights pursuant thereto, or (E) any dividend in the form of stock, warrants, options or other rights where the dividend stock or the stock issuable upon exercise of such warrants, options or other rights is the same stock as that on which the

dividend is being paid or ranks pari passu with or junior to such stock).

(b) The Company also covenants with each Holder of Securities (i) to hold, directly or indirectly, one hundred percent (100%) of the Common Securities of the Trust, provided, that any permitted successor of the Company hereunder may succeed to the Company's ownership of such Common Securities, (ii) as holder of such Common Securities, not to voluntarily dissolve, wind-up or liquidate the Trust other than (A) in connection with a distribution of the Securities to the holders of the Preferred Securities in liquidation of the Trust or (B) in connection with certain mergers, consolidations or amalgamations permitted by the Trust Agreement and (iii) to use its reasonable commercial efforts, consistent with the terms and provisions of the Trust Agreement, to cause the Trust to continue to be taxable as a grantor trust and not as a corporation for United States Federal income tax purposes.

57

#### SECTION 10.7. Waiver of Covenants.

The Company may omit in any particular instance to comply with any covenant or condition contained in Section 10.6 if, before or after the time for such compliance, the Holders of at least a majority in aggregate principal amount of the Outstanding Securities shall, by Act of such Holders, and at least a majority of the aggregate Liquidation Amount (as defined in the Trust Agreement) of the Preferred Securities then outstanding, by consent of such holders, either waive such compliance in such instance or generally waive compliance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company in respect of any such covenant or condition shall remain in full force and effect.

#### SECTION 10.8. Treatment of Securities.

The Company will treat the Securities as indebtedness, and the amounts payable in respect of the principal amount of such Securities as interest, for all U.S. federal income tax purposes. All payments in respect of the Securities will be made free and clear of U.S. withholding tax to any beneficial owner thereof that has provided an Internal Revenue Service Form W-8BEN (or any substitute or successor form) establishing its non-U.S. status for U.S. federal income tax purposes.

### ARTICLE XI

#### Redemption of Securities

##### SECTION 11.1. Optional Redemption.

The Company may, at its option, on any Interest Payment Date, on or after December 31, 2009, redeem the Securities in whole at any time or in part from time to time, at a Redemption Price equal to one hundred percent (100%) of the principal amount thereof (or of the redeemed portion thereof, as applicable), together, in the case of any such redemption, with accrued interest, including any Additional Interest, to but excluding the date fixed for redemption; provided, that the Company shall have received the prior approval of the Federal Reserve with respect to such redemption if then required.

##### SECTION 11.2. Special Event Redemption.

Upon the occurrence and during the continuation of a Special Event, the Company may, at its option, redeem the Securities, in whole but not in part, at a redemption price equal to the Redemption Price specified in Section 11.1 above, together, in the case of any such redemption, with accrued interest, including any Additional Interest, to but excluding the date fixed for redemption (the "Special Event Redemption Price"); provided, that the Company shall have received the prior approval of the Federal Reserve with respect to such redemption if then required.

58

##### SECTION 11.3. Election to Redeem; Notice to Trustee.

The election of the Company to redeem any Securities, in whole or in part, shall be evidenced by or pursuant to a Board Resolution. In case of any redemption at the election of the Company, the Company shall, not less than forty five (45) days and not more than seventy five (75) days prior to the Redemption Date (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee and the Property Trustee under the Trust Agreement in writing of such date and of the principal amount of the Securities to be redeemed and provide the additional information required to be included in the notice or notices contemplated by Section 11.5. In the case of any redemption of Securities, in whole or in part, (a) prior to the expiration of any restriction on such redemption provided in this Indenture or the Securities or (b) pursuant to an election of the Company which is subject to a condition specified in this Indenture or the Securities, the Company shall furnish the Trustee with an Officers' Certificate and an Opinion of Counsel evidencing compliance with such

restriction or condition.

#### SECTION 11.4. Selection of Securities to be Redeemed.

(a) If less than all the Securities are to be redeemed, the particular Securities to be redeemed shall be selected not more than sixty (60) days prior to the Redemption Date by the Trustee from the Outstanding Securities not previously called for redemption, by such method as the Trustee shall deem fair and appropriate and which may provide for the selection for redemption of a portion of the principal amount of any or each Security, provided, that the unredeemed portion of the principal amount of any Security shall be in an authorized denomination (which shall not be less than the minimum authorized denomination) for such Security.

(b) The Trustee shall promptly notify the Company in writing of the Securities selected for redemption and, in the case of any Securities selected for partial redemption, the principal amount thereof to be redeemed. For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Security redeemed or to be redeemed only in part, to the portion of the principal amount of such Security that has been or is to be redeemed.

(c) The provisions of paragraphs (a) and (b) of this Section 11.4 shall not apply with respect to any redemption affecting only a single Security, whether such Security is to be redeemed in whole or in part. In the case of any such redemption in part, the unredeemed portion of the principal amount of the Security shall be in an authorized denomination (which shall not be less than the minimum authorized denomination) for such Security.

#### SECTION 11.5. Notice of Redemption.

(a) Notice of redemption shall be given not later than the thirtieth (30th) day, and not earlier than the sixtieth (60th) day, prior to the Redemption Date to each Holder of Securities to be redeemed, in whole or in part (unless a shorter notice shall be satisfactory to the Property Trustee under the related Trust Agreement).

(b) With respect to Securities to be redeemed, in whole or in part, each notice of redemption shall state:

59

(i) the Redemption Date;

(ii) the Redemption Price or, if the Redemption Price cannot be calculated prior to the time the notice is required to be sent, the estimate of the Redemption Price, as calculated by the Company, together with a statement that it is an estimate and that the actual Redemption Price will be calculated on the fifth Business Day prior to the Redemption Date (and if an estimate is provided, a further notice shall be sent of the actual Redemption Price on the date that such Redemption Price is calculated);

(iii) if less than all Outstanding Securities are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the particular Securities to be redeemed;

(iv) that on the Redemption Date, the Redemption Price will become due and payable upon each such Security or portion thereof, and that any interest (including any Additional Interest) on such Security or such portion, as the case may be, shall cease to accrue on and after said date; and

(v) the place or places where such Securities are to be surrendered for payment of the Redemption Price.

(c) Notice of redemption of Securities to be redeemed, in whole or in part, at the election of the Company shall be given by the Company or, at the Company's request, by the Trustee in the name and at the expense of the Company and shall be irrevocable. The notice if mailed in the manner provided above shall be conclusively presumed to have been duly given, whether or not the Holder receives such notice. In any case, a failure to give such notice by mail or any defect in the notice to the Holder of any Security designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other Security.

#### SECTION 11.6. Deposit of Redemption Price.

Prior to 10:00 a.m., New York City time, on the Redemption Date specified in the notice of redemption given as provided in Section 11.5, the Company will deposit with the Trustee or with one or more Paying Agents (or if the Company is acting as its own Paying Agent, the Company will segregate and hold in trust as provided in Section 10.2) an amount of money sufficient to pay the Redemption Price of, and any accrued interest (including any Additional Interest) on, all the Securities (or portions thereof) that are to be redeemed on that date.

SECTION 11.7. Payment of Securities Called for Redemption.

(a) If any notice of redemption has been given as provided in Section 11.5, the Securities or portion of Securities with respect to which such notice has been given shall become due and payable on the date and at the place or places stated in such notice at the applicable Redemption Price, together with accrued interest (including any Additional Interest) to the Redemption Date. On presentation and surrender of such Securities at a Place of Payment specified in such notice, the Securities or the specified portions thereof shall be paid and redeemed by the Company at the applicable Redemption Price, together with accrued interest (including any Additional Interest) to the Redemption Date.

60

(b) Upon presentation of any Security redeemed in part only, the Company shall execute and the Trustee shall authenticate and deliver to the Holder thereof, at the expense of the Company, a new Security or Securities, of authorized denominations, in aggregate principal amount equal to the unredeemed portion of the Security so presented and having the same Original Issue Date, Stated Maturity and terms.

(c) If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal of and any premium on such Security shall, until paid, bear interest from the Redemption Date at the rate prescribed therefor in the Security.

ARTICLE XII

Subordination of Securities

SECTION 12.1. Securities Subordinate to Senior Debt.

The Company covenants and agrees, and each Holder of a Security, by its acceptance thereof, likewise covenants and agrees, that, to the extent and in the manner hereinafter set forth in this Article XII, the payment of the principal of and any premium and interest (including any Additional Interest) on each and all of the Securities are hereby expressly made subordinate and subject in right of payment to the prior payment in full of all Senior Debt.

SECTION 12.2. No Payment When Senior Debt in Default; Payment Over of Proceeds Upon Dissolution, Etc.

(a) In the event and during the continuation of any default by the Company in the payment of any principal of or any premium or interest on any Senior Debt (following any grace period, if applicable) when the same becomes due and payable, whether at maturity or at a date fixed for prepayment or by declaration of acceleration or otherwise, then, upon written notice of such default to the Company by the holders of such Senior Debt or any trustee therefor, unless and until such default shall have been cured or waived or shall have ceased to exist, no direct or indirect payment (in cash, property, securities, by set-off or otherwise) shall be made or agreed to be made on account of the principal of or any premium or interest (including any Additional Interest) on any of the Securities, or in respect of any redemption, repayment, retirement, purchase or other acquisition of any of the Securities.

(b) In the event of a bankruptcy, insolvency or other proceeding described in clause (d) or (e) of the definition of Event of Default (each such event, if any, herein sometimes referred to as a "Proceeding"), all Senior Debt (including any interest thereon accruing after the commencement of any such proceedings) shall first be paid in full before any payment or distribution, whether in cash, securities or other property, shall be made to any Holder of any of the Securities on account thereof. Any payment or distribution, whether in cash, securities or other property (other than securities of the Company or any other entity provided for by a plan of reorganization or readjustment the payment of which is subordinate, at least to the extent provided in these subordination provisions with respect to the indebtedness evidenced by the Securities, to the payment of all Senior Debt at the time outstanding and to any securities issued in respect thereof under any such plan of reorganization or readjustment), which would otherwise

61

(but for these subordination provisions) be payable or deliverable in respect of the Securities shall be paid or delivered directly to the holders of Senior Debt in accordance with the priorities then existing among such holders until all Senior Debt (including any interest thereon accruing after the commencement of any Proceeding) shall have been paid in full.

(c) In the event of any Proceeding, after payment in full of all sums owing with respect to Senior Debt, the Holders of the Securities, together with the holders of any obligations of the Company ranking on a parity with the Securities, shall be entitled to be paid from the remaining assets of the Company the amounts at the time due and owing on account of unpaid principal of and any premium and interest (including any Additional Interest) on the

Securities and such other obligations before any payment or other distribution, whether in cash, property or otherwise, shall be made on account of any capital stock or any obligations of the Company ranking junior to the Securities and such other obligations. If, notwithstanding the foregoing, any payment or distribution of any character or any security, whether in cash, securities or other property (other than securities of the Company or any other entity provided for by a plan of reorganization or readjustment the payment of which is subordinate, at least to the extent provided in these subordination provisions with respect to the indebtedness evidenced by the Securities, to the payment of all Senior Debt at the time outstanding and to any securities issued in respect thereof under any such plan of reorganization or readjustment) shall be received by the Trustee or any Holder in contravention of any of the terms hereof and before all Senior Debt shall have been paid in full, such payment or distribution or security shall be received in trust for the benefit of, and shall be paid over or delivered and transferred to, the holders of the Senior Debt at the time outstanding in accordance with the priorities then existing among such holders for application to the payment of all Senior Debt remaining unpaid, to the extent necessary to pay all such Senior Debt (including any interest thereon accruing after the commencement of any Proceeding) in full. In the event of the failure of the Trustee or any Holder to endorse or assign any such payment, distribution or security, each holder of Senior Debt is hereby irrevocably authorized to endorse or assign the same.

(d) The Trustee and the Holders, at the expense of the Company, shall take such reasonable action (including the delivery of this Indenture to an agent for any holders of Senior Debt or consent to the filing of a financing statement with respect hereto) as may, in the opinion of counsel designated by the holders of a majority in principal amount of the Senior Debt at the time outstanding, be necessary or appropriate to assure the effectiveness of the subordination effected by these provisions.

(e) The provisions of this Section 12.2 shall not impair any rights, interests, remedies or powers of any secured creditor of the Company in respect of any security interest the creation of which is not prohibited by the provisions of this Indenture.

(f) The securing of any obligations of the Company, otherwise ranking on a parity with the Securities or ranking junior to the Securities, shall not be deemed to prevent such obligations from constituting, respectively, obligations ranking on a parity with the Securities or ranking junior to the Securities.

62

#### SECTION 12.3. Payment Permitted If No Default.

Nothing contained in this Article XII or elsewhere in this Indenture or in any of the Securities shall prevent (a) the Company, at any time, except during the pendency of the conditions described in paragraph (a) of Section 12.2 or of any Proceeding referred to in Section 12.2, from making payments at any time of principal of and any premium or interest (including any Additional Interest) on the Securities or (b) the application by the Trustee of any moneys deposited with it hereunder to the payment of or on account of the principal of and any premium or interest (including any Additional Interest) on the Securities or the retention of such payment by the Holders, if, at the time of such application by the Trustee, it did not have knowledge (in accordance with Section 12.8) that such payment would have been prohibited by the provisions of this Article XII, except as provided in Section 12.8.

#### SECTION 12.4. Subrogation to Rights of Holders of Senior Debt.

Subject to the payment in full of all amounts due or to become due on all Senior Debt, or the provision for such payment in cash or cash equivalents or otherwise in a manner satisfactory to the holders of Senior Debt, the Holders of the Securities shall be subrogated to the extent of the payments or distributions made to the holders of such Senior Debt pursuant to the provisions of this Article XII (equally and ratably with the holders of all indebtedness of the Company that by its express terms is subordinated to Senior Debt of the Company to substantially the same extent as the Securities are subordinated to the Senior Debt and is entitled to like rights of subrogation by reason of any payments or distributions made to holders of such Senior Debt) to the rights of the holders of such Senior Debt to receive payments and distributions of cash, property and securities applicable to the Senior Debt until the principal of and any premium and interest (including any Additional Interest) on the Securities shall be paid in full. For purposes of such subrogation, no payments or distributions to the holders of the Senior Debt of any cash, property or securities to which the Holders of the Securities or the Trustee would be entitled except for the provisions of this Article XII, and no payments made pursuant to the provisions of this Article XII to the holders of Senior Debt by Holders of the Securities or the Trustee, shall, as among the Company, its creditors other than holders of Senior Debt, and the Holders of the Securities, be deemed to be a payment or distribution by the Company to or on account of the Senior Debt.

#### SECTION 12.5. Provisions Solely to Define Relative Rights.

The provisions of this Article XII are and are intended solely for the purpose of defining the relative rights of the Holders of the Securities on the one hand and the holders of Senior Debt on the other hand. Nothing contained in this Article XII or elsewhere in this Indenture or in the Securities is intended to or shall (a) impair, as between the Company and the Holders of the Securities, the obligations of the Company, which are absolute and unconditional, to pay to the Holders of the Securities the principal of and any premium and interest (including any Additional Interest) on the Securities as and when the same shall become due and payable in accordance with their terms, (b) affect the relative rights against the Company of the Holders of the Securities and creditors of the Company other than their rights in relation to the holders of Senior Debt or (c) prevent the Trustee or the Holder of any Security (or to the extent expressly provided herein, the holder of any Preferred Security) from exercising all remedies otherwise permitted by

63

applicable law upon default under this Indenture, including filing and voting claims in any Proceeding, subject to the rights, if any, under this Article XII of the holders of Senior Debt to receive cash, property and securities otherwise payable or deliverable to the Trustee or such Holder.

#### SECTION 12.6. Trustee to Effectuate Subordination.

Each Holder of a Security by his or her acceptance thereof authorizes and directs the Trustee on his or her behalf to take such action as may be necessary or appropriate to acknowledge or effectuate the subordination provided in this Article XII and appoints the Trustee his or her attorney-in-fact for any and all such purposes.

#### SECTION 12.7. No Waiver of Subordination Provisions.

(a) No right of any present or future holder of any Senior Debt to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Company or by any act or failure to act, in good faith, by any such holder, or by any noncompliance by the Company with the terms, provisions and covenants of this Indenture, regardless of any knowledge thereof that any such holder may have or be otherwise charged with.

(b) Without in any way limiting the generality of paragraph (a) of this Section 12.7, the holders of Senior Debt may, at any time and from to time, without the consent of or notice to the Trustee or the Holders of the Securities, without incurring responsibility to such Holders of the Securities and without impairing or releasing the subordination provided in this Article XII or the obligations hereunder of such Holders of the Securities to the holders of Senior Debt, do any one or more of the following: (i) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, Senior Debt, or otherwise amend or supplement in any manner Senior Debt or any instrument evidencing the same or any agreement under which Senior Debt is outstanding, (ii) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing Senior Debt, (iii) release any Person liable in any manner for the payment of Senior Debt and (iv) exercise or refrain from exercising any rights against the Company and any other Person.

#### SECTION 12.8. Notice to Trustee.

(a) The Company shall give prompt written notice to a Responsible Officer of the Trustee of any fact known to the Company that would prohibit the making of any payment to or by the Trustee in respect of the Securities. Notwithstanding the provisions of this Article XII or any other provision of this Indenture, the Trustee shall not be charged with knowledge of the existence of any facts that would prohibit the making of any payment to or by the Trustee in respect of the Securities, unless and until a Responsible Officer of the Trustee shall have received written notice thereof from the Company or a holder of Senior Debt or from any trustee, agent or representative therefor; provided, that if the Trustee shall not have received the notice provided for in this Section 12.8 at least two Business Days prior to the date upon which by the terms hereof any monies may become payable for any purpose (including, the payment of the principal of and any premium on or interest (including any Additional Interest) on any Security),

64

then, anything herein contained to the contrary notwithstanding, the Trustee shall have full power and authority to receive such monies and to apply the same to the purpose for which they were received and shall not be affected by any notice to the contrary that may be received by it within two Business Days prior to such date.

(b) The Trustee shall be entitled to rely on the delivery to it of a written notice by a Person representing himself or herself to be a holder of Senior Debt (or a trustee, agent, representative or attorney-in-fact therefor) to establish that such notice has been given by a holder of Senior Debt (or a trustee, agent, representative or attorney-in-fact therefor). In the event that

the Trustee determines in good faith that further evidence is required with respect to the right of any Person as a holder of Senior Debt to participate in any payment or distribution pursuant to this Article XII, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of Senior Debt held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and any other facts pertinent to the rights of such Person under this Article XII, and if such evidence is not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment.

SECTION 12.9. Reliance on Judicial Order or Certificate of Liquidating Agent.

Upon any payment or distribution of assets of the Company referred to in this Article XII, the Trustee and the Holders of the Securities shall be entitled to conclusively rely upon any order or decree entered by any court of competent jurisdiction in which such Proceeding is pending, or a certificate of the trustee in bankruptcy, receiver, liquidating trustee, custodian, assignee for the benefit of creditors, agent or other Person making such payment or distribution, delivered to the Trustee or to the Holders of Securities, for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of the Senior Debt and other indebtedness of the Company, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article XII.

SECTION 12.10. Trustee Not Fiduciary for Holders of Senior Debt.

The Trustee, in its capacity as trustee under this Indenture, shall not be deemed to owe any fiduciary duty to the holders of Senior Debt and shall not be liable to any such holders if it shall in good faith mistakenly pay over or distribute to Holders of Securities or to the Company or to any other Person cash, property or securities to which any holders of Senior Debt shall be entitled by virtue of this Article XII or otherwise.

SECTION 12.11. Rights of Trustee as Holder of Senior Debt; Preservation of Trustee's Rights.

The Trustee in its individual capacity shall be entitled to all the rights set forth in this Article XII with respect to any Senior Debt that may at any time be held by it, to the same extent as any other holder of Senior Debt, and nothing in this Indenture shall deprive the Trustee of any of its rights as such holder.

65

SECTION 12.12. Article Applicable to Paying Agents.

If at any time any Paying Agent other than the Trustee shall have been appointed by the Company and be then acting hereunder, the term "Trustee" as used in this Article XII shall in such case (unless the context otherwise requires) be construed as extending to and including such Paying Agent within its meaning as fully for all intents and purposes as if such Paying Agent were named in this Article XII in addition to or in place of the Trustee; provided, that Sections 12.8 and 12.11 shall not apply to the Company or any Affiliate of the Company if the Company or such Affiliate acts as Paying Agent.

This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

DETERMINATION OF LIBOR

With respect to the Securities, the London interbank offered rate ("LIBOR") shall be determined by the Calculation Agent in accordance with the following provisions (in each case rounded to the nearest .000001%):

(1) On the second LIBOR Business Day (as defined below) prior to an Interest Payment Date beginning on December 31, 2009 (each such day, a "LIBOR Determination Date"), LIBOR for any given security shall, for the following interest payment period, equal the rate, as obtained by the Calculation Agent from Bloomberg Financial Markets Commodities News, for three-month U.S. Dollar deposits in Europe, which appears on Dow Jones Telerate Page 3750 (as defined in the International Swaps and Derivatives Association, Inc. 1991 Interest Rate and Currency Exchange Definitions), or such other page as may replace such Page 3750, as of 11:00 a.m. (London time) on such LIBOR Determination Date.

(2) If, on any LIBOR Determination Date, such rate does not appear on Dow Jones Telerate Page 3750 or such other page as may replace such Page 3750, the Calculation Agent shall determine the arithmetic mean of the offered quotations of the Reference Banks (as defined below) to leading banks in the London interbank market for three-month U.S. Dollar deposits in Europe in an amount determined by the Calculation Agent by reference to requests for quotations as of approximately 11:00 a.m. (London time) on the LIBOR Determination Date made by the Calculation Agent to the Reference Banks. If, on any LIBOR Determination Date, at least two of the Reference Banks provide such quotations, LIBOR shall equal such arithmetic mean of such quotations. If, on any LIBOR Determination Date, only one or none of the Reference Banks provide such quotations, LIBOR shall be deemed to be the arithmetic mean of the offered quotations that leading banks in the City of New York selected by the Calculation Agent are quoting on the relevant LIBOR Determination Date for three-month U.S. Dollar deposits in Europe in an amount determined by the Calculation Agent by reference to the principal London offices of leading banks in the London interbank market; provided that, if the Calculation Agent is required but is unable to determine a rate in accordance with at least one of the procedures provided above, LIBOR shall be LIBOR as determined on the previous LIBOR Determination Date.

(3) As used herein: "Reference Banks" means four major banks in the London interbank market selected by the Calculation Agent; and "LIBOR Business Day" means a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) in London.

## ARTICLE II

### REPORTS

#### SECTION 2.1 List of Holders.

The Guarantor shall furnish or cause to be furnished to the Guarantee Trustee at such times as the Guarantee Trustee may request in writing, within thirty (30) days after the receipt by the Guarantor of any such request, a list, in such form as the Guarantee Trustee may reasonably require, of the names and addresses of the Holders (the "List of Holders") as of a date not more than fifteen (15) days prior to the time such list is furnished, in each case to the extent such information is in the possession or control of the Guarantor and is not identical to a previously supplied list of Holders or has not otherwise been received by the Guarantee Trustee in its capacity as such. The Guarantee Trustee may destroy any List of Holders previously given to it on receipt of a new List of Holders.

#### SECTION 2.2 Periodic Reports to the Guarantee Trustee.

The Guarantor shall deliver to the Guarantee Trustee, within one hundred and twenty (120) days after the end of each fiscal year of the Guarantor ending after the date of this Guarantee Agreement, an Officers' Certificate covering the preceding fiscal year, stating whether or not to the knowledge of the signers thereof the Guarantor is in default in the performance or observance of any of the terms or provisions or any of the conditions of this Guarantee Agreement (without regard to any period of grace or requirement of notice provided hereunder) and, if the Guarantor shall be in default thereof, specifying all such defaults and the nature and status thereof of which they have knowledge.

#### SECTION 2.3 Event of Default; Waiver.

The Holders of a Majority in Liquidation Amount of the Preferred Securities may, on behalf of the Holders, waive any past Event of Default and its consequences. Upon such waiver, any such Event of Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Guarantee Agreement, but no such waiver shall extend to any subsequent or other default or Event of Default or impair any right consequent therefrom.

#### SECTION 2.4 Event of Default; Notice.

(a) The Guarantee Trustee shall, within ninety (90) days after the occurrence of a default, transmit to the Holders notices of all defaults actually known to the Guarantee Trustee, unless such defaults have been cured or waived before the giving of such notice, provided, that, except in the case of a default in

6

the payment of a Guarantee Payment, the Guarantee Trustee shall be protected in withholding such notice if and so long as the Board of Directors, the executive committee or a trust committee of directors and/or Responsible Officers of the Guarantee Trustee in good faith determine that the withholding of such notice is in the interests of the Holders. For the purpose of this Section 2.4, the term "default" means any event that is, or after notice or lapse of time or both would become, an Event of Default.

(b) The Guarantee Trustee shall not be deemed to have knowledge of any Event of Default unless the Guarantee Trustee shall have received written notice, or a Responsible Officer charged with the administration of this Guarantee Agreement shall have obtained written notice, of such Event of Default from the Guarantor or a Holder.

## ARTICLE III

### POWERS, DUTIES AND RIGHTS OF THE GUARANTEE TRUSTEE

#### SECTION 3.1 Powers and Duties of the Guarantee Trustee.

(a) This Guarantee Agreement shall be held by the Guarantee Trustee for the benefit of the Holders, and the Guarantee Trustee shall not transfer this Guarantee Agreement to any Person except a Holder exercising its rights pursuant to Section 5.4(d) or to a Successor Guarantee Trustee upon acceptance by such Successor Guarantee Trustee of its appointment to act as Successor Guarantee Trustee. The right, title and interest of the Guarantee Trustee shall automatically vest in any Successor Guarantee Trustee, upon acceptance by such Successor Guarantee Trustee of its appointment hereunder, and such vesting and cessation of

title shall be effective whether or not conveyancing documents have been executed and delivered pursuant to the appointment of such Successor Guarantee Trustee.

(b) The rights, immunities, duties and responsibilities of the Guarantee Trustee shall be as provided by this Guarantee Agreement and there shall be no other duties or obligations, express or implied, of the Guarantee Trustee. Notwithstanding the foregoing, no provisions of this Guarantee Agreement shall require the Guarantee Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it. Whether or not herein expressly so provided, every provision of this Guarantee Agreement relating to the conduct or affecting the liability of or affording protection to the Guarantee Trustee shall be subject to the provisions of this Section 3.1. To the extent that, at law or in equity, the Guarantee Trustee has duties and liabilities relating to the Guarantor or the Holders, the Guarantee Trustee shall not be liable to any Holder for the Guarantee Trustee's good faith reliance on the provisions of this Guarantee Agreement. The provisions of this Guarantee

7

Agreement, to the extent that they restrict the duties and liabilities of the Guarantee Trustee otherwise existing at law or in equity, are agreed by the Guarantor and the Holders to replace such other duties and liabilities of the Guarantee Trustee.

(c) No provision of this Guarantee Agreement shall be construed to relieve the Guarantee Trustee from liability for its own negligent action, negligent failure to act or own willful misconduct, except that:

(i) the Guarantee Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer of the Guarantee Trustee, unless it shall be proved that the Guarantee Trustee was negligent in ascertaining the pertinent facts upon which such judgment was made; and

(ii) the Guarantee Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of not less than a Majority in Liquidation Amount of the Preferred Securities relating to the time, method and place of conducting any proceeding for any remedy available to the Guarantee Trustee, or exercising any trust or power conferred upon the Guarantee Trustee under this Guarantee Agreement.

#### SECTION 3.2 Certain Rights of the Guarantee Trustee.

(a) Subject to the provisions of Section 3.1:

(i) the Guarantee Trustee may conclusively rely and shall be fully protected in acting or refraining from acting in good faith and in accordance with the terms hereof upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document reasonably believed by it to be genuine and to have been signed, sent or presented by the proper party or parties;

(ii) any direction or act of the Guarantor contemplated by this Guarantee Agreement shall be sufficiently evidenced by an Officers' Certificate unless otherwise prescribed herein;

(iii) the Guarantee Trustee may consult with counsel, and the advice of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted to be taken by it hereunder in good faith and in reliance thereon and in accordance with such advice. Such counsel may be counsel to the Guarantee Trustee, the Guarantor or any of its Affiliates and may be one of its employees. The Guarantee Trustee shall have the right at any time to seek instructions concerning the administration of this Guarantee Agreement from any court of competent jurisdiction;

8

(iv) the Guarantee Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Guarantee Agreement at the request or direction of any Holder, unless such Holder shall have provided to the Guarantee Trustee reasonable security or indemnity against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities that might be incurred by it in complying with such request or direction,

including such reasonable advances as may be requested by the Guarantee Trustee; provided, that, nothing contained in this Section 3.2(a) (iv) shall be taken to relieve the Guarantee Trustee, upon the occurrence of an Event of Default, of its obligation to exercise the rights and powers vested in it by this Guarantee Agreement;

(v) the Guarantee Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Guarantee Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and if the Guarantee Trustee shall determine to make such inquiry or investigation, it shall be entitled to examine the books, records and premises of the Guarantor, personally or by agent or attorney;

(vi) the Guarantee Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through its agents, attorneys, custodians or nominees and the Guarantee Trustee shall not be responsible for any misconduct or negligence on the part of any such agent, attorney, custodian or nominee appointed with due care by it hereunder;

(vii) whenever in the administration of this Guarantee Agreement the Guarantee Trustee shall deem it desirable to receive instructions with respect to enforcing any remedy or right hereunder, the Guarantee Trustee (A) may request instructions from the Holders of a Majority in Liquidation Amount of the Preferred Securities, (B) may refrain from enforcing such remedy or right or taking such other action until such instructions are received and (C) shall be protected in acting in accordance with such instructions;

(viii) except as otherwise expressly provided by this Guarantee Agreement, the Guarantee Trustee shall not be under any obligation to take any action that is discretionary under the provisions of this Guarantee Agreement; and

(ix) whenever, in the administration of this Guarantee Agreement, the Guarantee Trustee shall deem it desirable that a matter be proved or established before taking, suffering or omitting to take any action hereunder, the Guarantee Trustee (unless other evidence is herein

9

specifically prescribed) may, in the absence of bad faith on its part, request and rely upon an Officers' Certificate which, upon receipt of such request from the Guarantee Trustee, shall be promptly delivered by the Guarantor.

(b) No provision of this Guarantee Agreement shall be deemed to impose any duty or obligation on the Guarantee Trustee to perform any act or acts or exercise any right, power, duty or obligation conferred or imposed on it in any jurisdiction in which it shall be illegal, or in which the Guarantee Trustee shall be unqualified or incompetent in accordance with applicable law, to perform any such act or acts or to exercise any such right, power, duty or obligation. No permissive power or authority available to the Guarantee Trustee shall be construed to be a duty to act in accordance with such power and authority.

#### SECTION 3.3 Compensation.

The Guarantor agrees to pay to the Guarantee Trustee from time to time reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provisions of law in regard to the compensation of a trustee of an express trust) and to reimburse the Guarantee Trustee upon request for all reasonable expenses, disbursements and advances (including the reasonable fees and expenses of its attorneys and agents) incurred or made by the Guarantee Trustee in accordance with any provisions of this Guarantee Agreement.

#### SECTION 3.4 Indemnity.

The Guarantor agrees to indemnify and hold harmless the Guarantee Trustee and any of its Affiliates and any of their officers, directors, shareholders, employees, representatives or agents from and against any loss, damage, liability, tax (other than income, franchise or other taxes imposed on amounts paid pursuant to Section 3.3), penalty, expense or claim of any kind or nature whatsoever incurred without negligence, bad faith or willful misconduct on its part, arising out of or in connection with the acceptance or administration of this Guarantee Agreement, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder. The Guarantee Trustee will not claim or

exact any lien or charge on any Guarantee Payments as a result of any amount due to it under this Guarantee Agreement. This indemnity shall survive the termination of this Agreement or the resignation or removal of the Guarantee Trustee.

In no event shall the Guarantee Trustee be liable for any indirect, special, punitive or consequential loss or damage of any kind whatsoever, including, but not limited to, lost profits, even if the Guarantee Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

In no event shall the Guarantee Trustee be liable for any failure or delay in the performance of its obligations hereunder because of circumstances beyond its control, including, but not limited to, acts of God, flood, war (declared or undeclared), terrorism, fire, riot, embargo or government action, including any laws, ordinances, regulations,

10

governmental action or the like which delay, restrict or prohibit the providing of the services contemplated by this Guarantee Agreement.

#### SECTION 3.5 Securities.

The Guarantee Trustee or any other agent of the Guarantee Trustee, in its individual or any other capacity, may become the owner or pledgee of Common or Preferred Securities.

### ARTICLE IV

(ii) be a corporation organized and doing business under the laws of the United States or of any State thereof, authorized to exercise corporate trust powers, having a combined capital and surplus of at least fifty million dollars (\$50,000,000), subject to supervision or examination by Federal or State authority and having an office within the United States. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of such supervising or examining authority, then, for the purposes of this Section 4.1, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

(b) If at any time the Guarantee Trustee shall cease to be eligible to so act under Section 4.1(a), the Guarantee Trustee shall immediately resign in the manner and with the effect set out in Section 4.2(c).

(d) If no Successor Guarantee Trustee shall have been appointed and accepted appointment as provided in this Section 4.2 within thirty (30) days after delivery to the Guarantor of an instrument of resignation, the resigning Guarantee Trustee may petition, at the expense of the Guarantor, any court of competent jurisdiction for appointment of a Successor Guarantee Trustee. Such court may thereupon, after prescribing such notice, if any, as it may deem proper, appoint a Successor Guarantee Trustee.

## ARTICLE V

### GUARANTEE

#### SECTION 5.1 Guarantee.

(a) The Guarantor irrevocably and unconditionally agrees to pay in full to the Holders the Guarantee Payments (without duplication of amounts theretofore paid by or on behalf of the Issuer), as and when due, regardless of any defense (except for the defense of payment by the Issuer), right of set-off or counterclaim which the Issuer may have or assert. The Guarantor's obligation to make a Guarantee Payment may be satisfied by direct payment of the required amounts by the Guarantor to the Holders or by causing the Issuer to pay such amounts to the Holders. The Guarantor shall give prompt written notice to the Guarantee Trustee in the event it makes any direct payment to the Holders hereunder.

(b) The Guarantor hereby also agrees to assume any and all Obligations of the Issuer, and, in the event any such Obligation is not so assumed, subject to the terms and conditions hereof, the Guarantor hereby irrevocably and unconditionally guarantees to each Beneficiary the full payment, when and as due, of any and all Obligations to such Beneficiaries. This Guarantee is intended to be for the Beneficiaries who have received notice hereof.

12

#### SECTION 5.2 Waiver of Notice and Demand.

The Guarantor hereby waives notice of acceptance of the Guarantee Agreement and of any liability to which it applies or may apply, presentment, demand for payment, any right to require a proceeding first against the Guarantee Trustee, Issuer or any other Person before proceeding against the Guarantor, protest, notice of nonpayment, notice of dishonor, notice of redemption and all other notices and demands.

#### SECTION 5.3 Obligations Not Affected.

The obligations, covenants, agreements and duties of the Guarantor under this Guarantee Agreement shall in no way be affected or impaired by reason of the happening from time to time of any of the following:

(a) the release or waiver, by operation of law or otherwise, of the performance or observance by the Issuer of any express or implied agreement, covenant, term or condition relating to the Preferred Securities to be performed or observed by the Issuer;

(b) the extension of time for the payment by the Issuer of all or any portion of the Distributions (other than an extension of time for payment of Distributions that results from the extension of any interest payment period on the Notes as provided in the Indenture), Redemption Price, Liquidation Distribution or any other sums payable under the terms of the Preferred Securities or the extension of time for the performance of any other obligation under, arising out of, or in connection with, the Preferred Securities;

(c) any failure, omission, delay or lack of diligence on the part of the Holders to enforce, assert or exercise any right, privilege, power or remedy conferred on the Holders pursuant to the terms of the Preferred Securities, or any action on the part of the Issuer granting indulgence or extension of any kind;

(d) the voluntary or involuntary liquidation, dissolution, sale of any collateral, receivership, insolvency, bankruptcy, assignment for the benefit of creditors, reorganization, arrangement, composition or readjustment of debt of, or other similar proceedings affecting, the Issuer or any of the assets of the Issuer;

(e) any invalidity of, or defect or deficiency in, the Preferred Securities;

(f) the settlement or compromise of any obligation guaranteed hereby or hereby incurred; or

(g) any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a guarantor, it

being the intent of this Section 5.3 that the obligations of the Guarantor hereunder shall be absolute and unconditional under any and all circumstances.

13

There shall be no obligation of the Holders to give notice to, or obtain the consent of, the Guarantor with respect to the happening of any of the foregoing.

#### SECTION 5.4 Rights of Holders.

The Guarantor expressly acknowledges that: (a) this Guarantee Agreement will be deposited with the Guarantee Trustee to be held for the benefit of the Holders; (b) the Guarantee Trustee has the right to enforce this Guarantee Agreement on behalf of the Holders; (c) the Holders of a Majority in Liquidation Amount of the Preferred Securities have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Guarantee Trustee in respect of this Guarantee Agreement or exercising any trust or power conferred upon the Guarantee Trustee under this Guarantee Agreement; and (d) any Holder may institute a legal proceeding directly against the Guarantor to enforce its rights under this Guarantee Agreement, without first instituting a legal proceeding against the Guarantee Trustee, the Issuer or any other Person.

#### SECTION 5.5 Guarantee of Payment.

This Guarantee Agreement creates a guarantee of payment and not of collection. This Guarantee Agreement will not be discharged except by payment of the Guarantee Payments in full (without duplication of amounts theretofore paid by the Issuer) or upon distribution of Notes to Holders as provided in the Trust Agreement.

#### SECTION 5.6 Subrogation.

The Guarantor shall be subrogated to all (if any) rights of the Holders against the Issuer in respect of any amounts paid to the Holders by the Guarantor under this Guarantee Agreement and shall have the right to waive payment by the Issuer pursuant to Section 5.1; provided, that, the Guarantor shall not (except to the extent required by mandatory provisions of law) be entitled to enforce or exercise any rights it may acquire by way of subrogation or any indemnity, reimbursement or other agreement, in all cases as a result of payment under this Guarantee Agreement, if, at the time of any such payment, any amounts are due and unpaid under this Guarantee Agreement. If any amount shall be paid to the Guarantor in violation of the preceding sentence, the Guarantor agrees to hold such amount in trust for the Holders and to pay over such amount to the Holders.

#### SECTION 5.7 Independent Obligations.

The Guarantor acknowledges that its obligations hereunder are independent of the obligations of the Issuer with respect to the Preferred Securities and that the Guarantor shall be liable as principal and as debtor hereunder to make Guarantee Payments pursuant to the terms of this Guarantee Agreement notwithstanding the occurrence of any event referred to in subsections (a) through (g), inclusive, of Section 5.3.

14

#### SECTION 5.8 Enforcement.

A Beneficiary may enforce the Obligations of the Guarantor contained in Section 5.1(b) directly against the Guarantor, and the Guarantor waives any right or remedy to require that any action be brought against the Issuer or any other person or entity before proceeding against the Guarantor.

### ARTICLE VI

#### COVENANTS AND SUBORDINATION

#### SECTION 6.1 Dividends, Distributions and Payments.

So long as any Preferred Securities remain outstanding, if there shall have occurred and be continuing an Event of Default or the Guarantor shall have entered into an Extension Period as provided for in the Indenture and such period, or any extension thereof, shall have commenced and be continuing, then the Guarantor may not (a) declare or pay any dividends or distributions on, or redeem, purchase, acquire or make liquidation payment with respect to, any of the Guarantor's capital stock or (b) make any payment of principal of or any interest or premium on or repay, repurchase or redeem any debt securities of the Guarantor that rank pari passu in all respects with or junior in interest to the Preferred Securities (other than (i) repurchases, redemptions or other acquisitions of shares of capital stock of the Guarantor in connection with any employment contract, benefit plan or other similar arrangement with or for the benefit of any one or more employees, officers, directors or consultants, in connection with a dividend reinvestment or stockholder stock purchase plan or in

connection with the issuance of capital stock of the Guarantor (or securities convertible into or exercisable for such capital stock) as consideration in an acquisition transaction entered into prior to the occurrence of such Event of Default or the applicable Extension Period, (ii) as a result of an exchange or conversion of any class or series of the Guarantor's capital stock (or any capital stock of a subsidiary of the Guarantor) for any class or series of the Guarantor's capital stock or any class or series of the Guarantor's indebtedness for any class or series of the Guarantor's capital stock, (iii) the purchase of fractional interests in shares of the Guarantor's capital stock pursuant to the conversions or exchange provisions of such capital stock or the security being converted or exchanged, (iv) any declaration of a dividend in connection with any rights plan, the issuance of rights, stock or other property under any rights plan or the redemption or repurchase of rights pursuant thereto, or (v) any dividend in the form of stock, warrants, options or other rights where the dividend stock or the stock issuable upon exercise of such warrants, options or other rights is the same stock as that on which the dividend is being paid or ranks pari passu with or junior to such stock).

#### SECTION 6.2 Subordination.

The obligations of the Guarantor under this Guarantee Agreement will constitute unsecured obligations of the Guarantor and will rank subordinate and junior in right of payment to all Senior Debt of the Guarantor.

15

#### SECTION 6.3 Pari Passu Guarantees.

(a) The obligations of the Guarantor under this Guarantee Agreement shall rank pari passu with the obligations of the Guarantor under any similar guarantee agreements issued by the Guarantor with respect to preferred securities (if any) similar to the Preferred Securities, issued by trusts other than the Issuer established or to be established by the Guarantor (if any), in each case similar to the Issuer.

(b) The right of the Guarantor to participate in any distribution of assets of any of its subsidiaries upon any such subsidiary's liquidation or reorganization or otherwise is subject to the prior claims of creditors of that subsidiary, except to the extent the Guarantor may itself be recognized as a creditor of that subsidiary. Accordingly, the Guarantor's obligations under this Guarantee will be effectively subordinated to all existing and future liabilities of the Guarantor's subsidiaries, and claimants should look only to the assets of the Guarantor for payments thereunder. This Guarantee does not limit the incurrence or issuance of other secured or unsecured debt of the Guarantor, including Senior Debt of the Guarantor, under any indenture or agreement that the Guarantor may enter into in the future or otherwise.

### ARTICLE VII

#### TERMINATION

#### SECTION 7.1 Termination.

This Guarantee Agreement shall terminate and be of no further force and effect upon (a) full payment of the Redemption Price of all Preferred Securities, (b) the distribution of Notes to the Holders in exchange for all of the Preferred Securities or (c) full payment of the amounts payable in accordance with the Trust Agreement upon liquidation of the Issuer. Notwithstanding the foregoing, this Guarantee Agreement will continue to be effective or will be reinstated, as the case may be, if at any time any Holder must restore payment of any sums paid with respect to Preferred Securities or this Guarantee Agreement. The obligations of the Guarantor under Sections 3.3 and 3.4 shall survive any such termination or the resignation and removal of the Guarantee Trustee.

estimate is provided, a further notice shall be sent of the actual Redemption Price on the date that such Redemption Price is calculated);

(iii) if less than all the Outstanding Trust Securities are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) and Liquidation Amounts of the particular Trust Securities to be redeemed;

(iv) that on the Redemption Date, the Redemption Price will become due and payable upon each such Trust Security, or portion thereof, to be redeemed and that Distributions thereon will cease to accumulate on such Trust Security or such portion, as the case may be, on and after said date, except as provided in Section 4.2(d);

(v) the place or places where the Trust Securities are to be surrendered for the payment of the Redemption Price; and

(vi) such other provisions as the Property Trustee deems relevant.

(c) The Trust Securities (or portion thereof) redeemed on each Redemption Date shall be redeemed at the Redemption Price with the proceeds from the contemporaneous redemption or payment at maturity of Notes. Redemptions of the Trust Securities (or portion thereof) shall be made and the Redemption Price shall be payable on each Redemption Date only to the extent that the Trust has funds then on hand and available in the Payment Account for the payment of such Redemption Price. Under the Indenture, the Notes may be redeemed by the Depositor on any Interest Payment Date, at the Depositor's option, on or after December 31, 2009, in whole or in part, from time to time at a redemption price equal to one hundred percent (100%) of the principal amount thereof, together, in the case of any such redemption, with accrued interest, including any Additional Interest, to but excluding the date fixed for redemption (the "Indenture Redemption Price"); provided, that the Depositor shall have received the prior approval of the Federal Reserve if then required. The Notes may also be redeemed by the Depositor, at its option, in whole but not in part, upon the occurrence of a Capital Disqualification Event, an Investment Company Event or a Tax Event at the Special Event Redemption Price (as set forth in the Indenture).

(d) If the Property Trustee gives a notice of redemption in respect of any Preferred Securities, then by 10:00 A.M., New York City time, on the Redemption Date, the Depositor shall deposit sufficient funds with the Property Trustee to pay the Redemption Price. If such deposit has been made by such time, then by 12:00 noon, New York City time, on the Redemption Date, the Property Trustee will, with respect to Book-Entry Preferred Securities, irrevocably deposit with the Depository for such Book-Entry Preferred Securities, to the extent available therefor, funds sufficient to pay the applicable Redemption Price and will give such Depository irrevocable instructions and authority to pay the Redemption Price to the Holders of the Preferred Securities. With respect to Preferred Securities that are not Book-Entry Preferred Securities, the Property Trustee will irrevocably deposit with the Paying Agent, to the extent available therefor, funds sufficient to pay the applicable Redemption Price and will give the Paying Agent irrevocable instructions and authority to pay the Redemption Price to the Holders of the Preferred Securities upon surrender of their Preferred Securities Certificates. Notwithstanding the foregoing, Distributions payable on or prior to the Redemption Date for any

18

Trust Securities (or portion thereof) called for redemption shall be payable to the Holders of such Trust Securities as they appear on the Securities Register on the relevant record dates for the related Distribution Dates. If notice of redemption shall have been given and funds deposited as required, then upon the

date of such deposit, all rights of Holders holding Trust Securities (or portion thereof) so called for redemption will cease, except the right of such Holders to receive the Redemption Price and any Distribution payable in respect of the Trust Securities on or prior to the Redemption Date, but without interest, and, in the case of a partial redemption, the right of such Holders to receive a new Trust Security or Securities of authorized denominations, in aggregate Liquidation Amount equal to the unredeemed portion of such Trust Security or Securities, and such Securities (or portion thereof) called for redemption will cease to be Outstanding. In the event that any date on which any Redemption Price is payable is not a Business Day, then payment of the Redemption Price payable on such date will be made on the next succeeding Business Day (and no interest shall accrue in respect of the amounts whose payment is so delayed for the period from and after each such date until the next succeeding Business Day) with the same force and effect as if made on such date. In the event that payment of the Redemption Price in respect of any Trust Securities (or portion thereof) called for redemption is improperly withheld or refused and not paid either by the Trust or by the Depositor pursuant to the Guarantee Agreement, Distributions on such Trust Securities (or portion thereof) will continue to accumulate, as set forth in Section 4.1, from the Redemption Date originally established by the Trust for such Trust Securities (or portion thereof) to the date such Redemption Price is actually paid, in which case the actual payment date will be the date fixed for redemption for purposes of calculating the Redemption Price.

(e) Subject to Section 4.3(a), if less than all the Outstanding Trust Securities are to be redeemed on a Redemption Date, then the aggregate Liquidation Amount of Trust Securities to be redeemed shall be allocated pro rata to the Common Securities and the Preferred Securities based upon the relative aggregate Liquidation Amounts of the Common Securities and the Preferred Securities. The Preferred Securities to be redeemed shall be redeemed on a pro rata basis based upon their respective Liquidation Amounts not more than sixty (60) days prior to the Redemption Date by the Property Trustee from the Outstanding Preferred Securities not previously called for redemption; provided, however, that with respect to Holders that would be required to hold less than one hundred (100) but more than zero (0) Trust Securities as a result of such redemption, the Trust shall redeem Trust Securities of each such Holder so that after such redemption such Holder shall hold either one hundred (100) Trust Securities or such Holder no longer holds any Trust Securities, and shall use such method (including, without limitation, by lot) as the Trust shall deem fair and appropriate; and provided, further, that so long as the Preferred Securities are Book-Entry Preferred Securities, such selection shall be made in accordance with the Applicable Depositary Procedures for the Preferred Securities by such Depositary. The Property Trustee shall promptly notify the Securities Registrar in writing of the Preferred Securities (or portion thereof) selected for redemption and, in the case of any Preferred Securities selected for partial redemption, the Liquidation Amount thereof to be redeemed. For all purposes of this Trust Agreement, unless the context otherwise requires, all provisions relating to the redemption of Preferred Securities shall relate, in the case of any Preferred Securities redeemed or to be redeemed only in part, to the portion of the aggregate Liquidation Amount of Preferred Securities that has been or is to be redeemed.

19

(f) The Trust in issuing the Trust Securities may use "CUSIP" numbers (if then generally in use), and, if so, the Property Trustee shall indicate the "CUSIP" numbers of the Trust Securities in notices of redemption and related materials as a convenience to Holders; provided, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Trust Securities or as contained in any notice of redemption and related materials.

#### SECTION 4.3. Subordination of Common Securities.

(a) Payment of Distributions (including any Additional Interest Amounts) on, the Redemption Price of and the Liquidation Distribution in respect of, the Trust Securities, as applicable, shall be made, pro rata among the Common Securities and the Preferred Securities based on the Liquidation Amount of the respective Trust Securities; provided, that if on any Distribution Date, Redemption Date or Liquidation Date an Event of Default shall have occurred and be continuing, no payment of any Distribution (including any Additional Interest Amounts) on, Redemption Price of or Liquidation Distribution in respect of, any Common Security, and no other payment on account of the redemption, liquidation or other acquisition of Common Securities, shall be made unless payment in full in cash of all accumulated and unpaid Distributions (including any Additional Interest Amounts) on all Outstanding Preferred Securities for all Distribution periods terminating on or prior thereto, or in the case of payment of the Redemption Price the full amount of such Redemption Price on all Outstanding Preferred Securities then called for redemption, or in the case of payment of the Liquidation Distribution the full amount of such Liquidation Distribution on all Outstanding Preferred Securities, shall have been made or provided for, and all funds immediately available to the Property Trustee shall first be applied to the payment in full in cash of all Distributions (including any Additional Interest Amounts) on, or the Redemption Price of or the Liquidation Distribution in respect of, the Preferred Securities then due and payable.

(b) In the case of the occurrence of any Event of Default, the Holders of the Common Securities shall have no right to act with respect to any such Event of Default under this Trust Agreement until all such Events of Default with respect to the Preferred Securities have been cured, waived or otherwise eliminated. Until all such Events of Default under this Trust Agreement with respect to the Preferred Securities have been so cured, waived or otherwise eliminated, the Property Trustee shall act solely on behalf of the Holders of the Preferred Securities and not on behalf of the Holders of the Common Securities, and only the Holders of all the Preferred Securities will have the right to direct the Property Trustee to act on their behalf.

#### SECTION 4.4. Payment Procedures.

Payments of Distributions (including any Additional Interest Amounts), the Redemption Price, Liquidation Amount or any other amounts in respect of the Preferred Securities shall be made by wire transfer at such place and to such account at a banking institution in the United States as may be designated in writing at least ten (10) Business Days prior to the date for payment by the Person entitled thereto unless proper written transfer instructions have not been received by the relevant record date, in which case such payments shall be made by check mailed to the address of such Person as such address shall appear in the Securities Register. If any Preferred Securities are held by a Depository, such Distributions thereon shall be made to the

20

Depository in immediately available funds. Payments in respect of the Common Securities shall be made in such manner as shall be mutually agreed between the Property Trustee and the Holder of all the Common Securities.

#### SECTION 4.5. Withholding Tax.

The Trust and the Administrative Trustees shall comply with all withholding and backup withholding tax requirements under United States federal, state and local law. The Administrative Trustees on behalf of the Trust shall request, and the Holders shall provide to the Trust, such forms or certificates as are necessary to establish an exemption from withholding and backup withholding tax with respect to each Holder and any representations and forms as shall reasonably be requested by the Administrative Trustees on behalf of the Trust to assist it in determining the extent of, and in fulfilling, its withholding and backup withholding tax obligations. The Administrative Trustees shall file required forms with applicable jurisdictions and, unless an exemption from withholding and backup withholding tax is properly established by a Holder, shall remit amounts withheld with respect to the Holder to applicable jurisdictions. To the extent that the Trust is required to withhold and pay over any amounts to any jurisdiction with respect to Distributions or allocations to any Holder, the amount withheld shall be deemed to be a Distribution in the amount of the withholding to the Holder. In the event of any claimed overwithholding, Holders shall be limited to an action against the applicable jurisdiction. If the amount required to be withheld was not withheld from actual Distributions made, the Administrative Trustees on behalf of the Trust may reduce subsequent Distributions by the amount of such required withholding.

#### SECTION 4.6. Tax Returns and Other Reports.

(a) The Administrative Trustees shall prepare (or cause to be prepared) at the principal office of the Trust in the United States, as defined for purposes of Treasury regulations section 301.7701-7, at the Depositor's expense, and file, all United States federal, state and local tax and information returns and reports required to be filed by or in respect of the Trust. The Administrative Trustees shall prepare at the principal office of the Trust in the United States, as defined for purposes of Treasury regulations section 301.7701-7, and furnish (or cause to be prepared and furnished), by January 31 in each taxable year of the Trust to each Holder all Internal Revenue Service forms and returns required to be provided by the Trust. The Administrative Trustees shall provide the Depositor and the Property Trustee with a copy of all such returns and reports promptly after such filing or furnishing.

(b) So long as the Property Trustee is the holder of the Notes, the Administrative Trustees will cause the Depositor's reports on Form FR Y-9C, FR Y-9LP and FR Y-6 to be delivered to the Property Trustee promptly following their filing with the Federal Reserve.

#### SECTION 4.7. Payment of Taxes, Duties, Etc. of the Trust.

Upon receipt under the Notes of Additional Tax Sums and upon the written direction of the Administrative Trustees, the Property Trustee shall promptly pay, solely out of monies on deposit pursuant to this Trust Agreement, any Additional Taxes imposed on the Trust by the United States or any other taxing authority.

21

#### SECTION 4.8. Payments under Indenture or Pursuant to Direct Actions.

Any amount payable hereunder to any Holder of Preferred Securities shall be reduced by the amount of any corresponding payment such Holder (or any Owner with respect thereto) has directly received pursuant to Section 5.8 of the Indenture or Section 6.10(b) of this Trust Agreement.

#### SECTION 4.9. Exchanges.

(a) If at any time the Depositor or any of its Affiliates (in either case, a "Depositor Affiliate") is the Owner or Holder of any Preferred Securities, such Depositor Affiliate shall have the right to deliver to the Property Trustee all or such portion of its Preferred Securities as it elects and receive, in exchange therefor, a Like Amount of Notes. Such election (i) shall be exercisable effective on any Distribution Date by such Depositor Affiliate delivering to the Property Trustee a written notice of such election specifying the Liquidation Amount of Preferred Securities with respect to which such election is being made and the Distribution Date on which such exchange shall occur, which Distribution Date shall be not less than ten (10) Business Days after the date of receipt by the Property Trustee of such election notice and (ii) shall be conditioned upon such Depositor Affiliate having delivered or caused to be delivered to the Property Trustee or its designee the Preferred Securities that are the subject of such election by 10:00 A.M. New York time, on the Distribution Date on which such exchange is to occur. After the exchange, such Preferred Securities will be canceled and will no longer be deemed to be Outstanding and all rights of the Depositor Affiliate with respect to such Preferred Securities will cease.

(b) In the case of an exchange described in Section 4.9(a), the Property Trustee on behalf of the Trust will, on the date of such exchange, exchange Notes having a principal amount equal to a proportional amount of the aggregate Liquidation Amount of the Outstanding Common Securities, based on the ratio of the aggregate Liquidation Amount of the Preferred Securities exchanged pursuant to Section 4.9(a) divided by the aggregate Liquidation Amount of the Preferred Securities Outstanding immediately prior to such exchange, for such proportional amount of Common Securities held by the Depositor (which contemporaneously shall be canceled and no longer be deemed to be Outstanding); provided, that the Depositor delivers or causes to be delivered to the Property Trustee or its designee the required amount of Common Securities to be exchanged by 10:00 A.M. New York time, on the Distribution Date on which such exchange is to occur.

#### SECTION 4.10. Calculation Agent.

(a) The Property Trustee shall initially, and for so long as it holds any of the Notes, be the Calculation Agent for purposes of determining LIBOR for each Distribution Date. The Calculation Agent may be removed by the Administrative Trustees at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Administrative Trustees, the Administrative Trustees will promptly appoint as a replacement Calculation Agent the London office of a leading bank which is engaged in transactions in three-month Eurodollar deposits in the international Eurodollar market and which does not control or is not controlled by

22

or under common control with the Administrative Trustee or its Affiliates. The Calculation Agent may not resign its duties without a successor having been duly appointed.

(b) The Calculation Agent shall be required to agree that, as soon as possible after 11:00 a.m. (London time) on each LIBOR Determination Date, but in no event later than 11:00 a.m. (London time) on the Business Day immediately following each LIBOR Determination Date, the Calculation Agent will calculate the interest rate (rounded to the nearest cent, with half a cent being rounded upwards) for the related Distribution Date, and will communicate such rate and amount to the Depositor, Trustee, each Paying Agent and the Depository. The Calculation Agent will also specify to the Administrative Trustee the quotations upon which the foregoing rates and amounts are based and, in any event, the Calculation Agent shall notify the Administrative Trustee before 5:00 p.m. (London time) on each LIBOR Determination Date that either: (i) it has determined or is in the process of determining the foregoing rates and amounts or (ii) it has not determined and is not in the process of determining the foregoing rates and amounts, together with its reasons therefor. The Calculation Agent's determination of the foregoing rates and amounts for any Distribution Date will (in the absence of manifest error) be final and binding upon all parties. For the sole purpose of calculating the interest rate for the Trust Securities, "Business Day" shall be defined as any day on which dealings in deposits in Dollars are transacted in the London interbank market.

#### SECTION 4.11. Certain Accounting Matters.

(a) At all times during the existence of the Trust, the Administrative Trustees shall keep, or cause to be kept at the principal office of the Trust in the United States, as defined for purposes of Treasury Regulations section 301.7701-7, full books of account, records and supporting documents, which shall reflect in reasonable detail each transaction of the Trust. The books of account

shall be maintained on the accrual method of accounting, in accordance with generally accepted accounting principles, consistently applied.

(b) The Administrative Trustees shall either (i), if the Depositor is then subject to such reporting requirements, cause each Form 10-K and Form 10-Q prepared by the Depositor and filed with the Commission in accordance with the Exchange Act to be delivered to each Holder, with a copy to the Property Trustee, within thirty (30) days after the filing thereof or (ii) cause to be prepared at the principal office of the Trust in the United States, as defined for purposes of Treasury Regulations section 301.7701-7, and delivered to each of the Holders, with a copy to the Property Trustee, within ninety (90) days after the end of each Fiscal Year, annual financial statements of the Trust, including a balance sheet of the Trust as of the end of such Fiscal Year, and the related statements of income or loss.

(c) The Trust shall maintain one or more bank accounts in the United States, as defined for purposes of Treasury Regulations section 301.7701-7, in the name and for the sole benefit of the Trust; provided, however, that all payments of funds in respect of the Notes held by the Property Trustee shall be made directly to the Payment Account and no other funds of the Trust shall be deposited in the Payment Account. The sole signatories for such accounts (including the Payment Account) shall be designated by the Property Trustee.

#### ARTICLE V.

#### SECURITIES

##### SECTION 5.1. Initial Ownership.

Upon the creation of the Trust and the contribution by the Depositor referred to in Section 2.3 and until the issuance of the Trust Securities, and at any time during which no Trust Securities are Outstanding, the Depositor shall be the sole beneficial owner of the Trust.

##### SECTION 5.2. Authorized Trust Securities.

The Trust shall be authorized to issue one series of Preferred Securities having an aggregate Liquidation Amount of \$30,000,000 and one series of Common Securities having an aggregate Liquidation Amount of \$928,000.

##### SECTION 5.3. Issuance of the Common Securities; Subscription and Purchase of Notes.

On the Closing Date, an Administrative Trustee, on behalf of the Trust, shall execute and deliver to the Depositor Common Securities Certificates, registered in the name of the Depositor, evidencing an aggregate of 928 Common Securities having an aggregate Liquidation Amount of \$928,000, against receipt by the Trust of the aggregate purchase price of such Common Securities of \$928,000. Contemporaneously therewith and with the sale by the Trust to the Holders of an aggregate of 30,000 Preferred Securities having an aggregate Liquidation Amount of \$30,000,000, an Administrative Trustee, on behalf of the Trust, shall subscribe for and purchase from the Depositor Notes, to be registered in the name of the Property Trustee on behalf of the Trust and having an aggregate principal amount equal to \$30,928,000, and, in satisfaction of the purchase price for such Notes, the Property Trustee, on behalf of the Trust, shall deliver to the Depositor the sum of \$30,928,000 (being the aggregate amount paid by the Holders for the Preferred Securities and the amount paid by the Depositor for the Common Securities).

##### SECTION 5.4. The Securities Certificates.

(a) The Preferred Securities Certificates shall be issued in minimum denominations of \$100,000 Liquidation Amount and integral multiples of \$1,000 in excess thereof, and the Common Securities Certificates shall be issued in minimum denominations of \$10,000 Liquidation Amount and integral multiples of \$1,000 in excess thereof. The Securities Certificates shall be executed on behalf of the Trust by manual or facsimile signature of at least one Administrative Trustee. Securities Certificates bearing the signatures of individuals who were, at the time when such signatures shall have been affixed, authorized to sign such Securities Certificates on behalf of the Trust shall be validly issued and entitled to the benefits of this Trust Agreement, notwithstanding that such individuals or any of them shall have ceased to be so authorized prior to the delivery of such Securities Certificates or did not have such authority at the date of delivery of such Securities Certificates.

24

(b) On the Closing Date, upon the written order of an authorized officer of the Depositor, the Administrative Trustees shall cause Securities Certificates to be executed on behalf of the Trust and delivered, without further corporate action by the Depositor, in authorized denominations.

(c) The Preferred Securities issued to QIBs shall be, except as provided

in Section 5.6, Book-Entry Preferred Securities issued in the form of one or more Global Preferred Securities registered in the name of the Depository, or its nominee and deposited with the Depository or a custodian for the Depository for credit by the Depository to the respective accounts of the Depository Participants thereof (or such other accounts as they may direct). The Preferred Securities issued to a Person other than a QIB shall be issued in the form of Definitive Preferred Securities Certificate.

(d) A Preferred Security shall not be valid until authenticated by the manual signature of an Authorized Officer of the Property Trustee. Such signature shall be conclusive evidence that the Preferred Security has been authenticated under this Trust Agreement. Upon written order of the Trust signed by one Administrative Trustee, the Property Trustee shall authenticate the Preferred Securities for original issue. The Property Trustee may appoint an authenticating agent that is a U.S. Person acceptable to the Trust to authenticate the Preferred Securities. A Common Security need not be so authenticated and shall be valid upon execution by one or more Administrative Trustees. The form of this certificate of authentication can be found in Section 5.13.

#### SECTION 5.5. Rights of Holders.

The Trust Securities shall have no preemptive or similar rights and when issued and delivered to Holders against payment of the purchase price therefor will be fully paid and non-assessable by the Trust. Except as provided in Section 5.11(b), the Holders of the Trust Securities, in their capacities as such, shall be entitled to the same limitation of personal liability extended to stockholders of private corporations for profit organized under the General Corporation Law of the State of Delaware.

#### SECTION 5.6. Book-Entry Preferred Securities.

(a) A Global Preferred Security may be exchanged, in whole or in part, for Definitive Preferred Securities Certificates registered in the names of the Owners only if such exchange complies with Section 5.7 and (i) the Depository advises the Administrative Trustees and the Property Trustee in writing that the Depository is no longer willing or able properly to discharge its responsibilities with respect to the Global Preferred Security, and no qualified successor is appointed by the Administrative Trustees within ninety (90) days of receipt of such notice, (ii) the Depository ceases to be a clearing agency registered under the Exchange Act and the Administrative Trustees fail to appoint a qualified successor within ninety (90) days of obtaining knowledge of such event, (iii) the Administrative Trustees at their option advise the Property Trustee in writing that the Trust elects to terminate the book-entry system through the Depository or (iv) a Note Event of Default has occurred and is continuing. Upon the occurrence of any event specified in clause (i), (ii), (iii) or (iv) above, the Administrative Trustees shall notify the Depository and instruct the Depository to notify all Owners of Book-Entry Preferred Securities,

25

the Delaware Trustee and the Property Trustee of the occurrence of such event and of the availability of the Definitive Preferred Securities Certificates to Owners of the Preferred Securities requesting the same. Upon the issuance of Definitive Preferred Securities Certificates, the Trustees shall recognize the Holders of the Definitive Preferred Securities Certificates as Holders. Notwithstanding the foregoing, if an Owner of a beneficial interest in a Global Preferred Security wishes at any time to transfer an interest in such Global Preferred Security to a Person other than a QIB, such transfer shall be effected, subject to the Applicable Depository Procedures, in accordance with the provisions of this Section 5.6 and Section 5.7, and the transferee shall receive a Definitive Preferred Securities Certificate in connection with such transfer. A holder of a Definitive Preferred Securities Certificate that is a QIB may, upon request, and in accordance with the provisions of this Section 5.6 and Section 5.7, exchange such Definitive Preferred Securities Certificate for a beneficial interest in a Global Preferred Security.

(b) If any Global Preferred Security is to be exchanged for Definitive Preferred Securities Certificates or canceled in part, or if any Definitive Preferred Securities Certificate is to be exchanged in whole or in part for any Global Preferred Security, then either (i) such Global Preferred Security shall be so surrendered for exchange or cancellation as provided in this Article V or (ii) the aggregate Liquidation Amount represented by such Global Preferred Security shall be reduced, subject to Section 5.4, or increased by an amount equal to the Liquidation Amount represented by that portion of the Global Preferred Security to be so exchanged or canceled, or equal to the Liquidation Amount represented by such Definitive Preferred Securities Certificates to be so exchanged for any Global Preferred Security, as the case may be, by means of an appropriate adjustment made on the records of the Securities Registrar, whereupon the Property Trustee, in accordance with the Applicable Depository Procedures, shall instruct the Depository or its authorized representative to make a corresponding adjustment to its records. Upon any such surrender to the Administrative Trustees or the Securities Registrar of any Global Preferred Security or Securities by the Depository, accompanied by registration instructions, the Administrative Trustees, or any one of them, shall execute the

Definitive Preferred Securities Certificates in accordance with the instructions of the Depository. None of the Securities Registrar or the Trustees shall be liable for any delay in delivery of such instructions and may conclusively rely on, and shall be fully protected in relying on, such instructions.

(c) Every Securities Certificate executed and delivered upon registration or transfer of, or in exchange for or in lieu of, a Global Preferred Security or any portion thereof shall be executed and delivered in the form of, and shall be, a Global Preferred Security, unless such Securities Certificate is registered in the name of a Person other than the Depository for such Global Preferred Security or a nominee thereof.

(d) The Depository or its nominee, as registered owner of a Global Preferred Security, shall be the Holder of such Global Preferred Security for all purposes under this Trust Agreement and the Global Preferred Security, and Owners with respect to a Global Preferred Security shall hold such interests pursuant to the Applicable Depository Procedures. The Securities Registrar and the Trustees shall be entitled to deal with the Depository for all purposes of this Trust Agreement relating to the Global Preferred Securities (including the payment of the Liquidation Amount of and Distributions on the Book-Entry Preferred Securities represented thereby and the giving of instructions or directions by Owners of Book-Entry Preferred

26

Securities represented thereby and the giving of notices) as the sole Holder of the Book-Entry Preferred Securities represented thereby and shall have no obligations to the Owners thereof. None of the Trustees nor the Securities Registrar shall have any liability in respect of any transfers effected by the Depository.

(e) The rights of the Owners of the Book-Entry Preferred Securities shall be exercised only through the Depository and shall be limited to those established by law, the Applicable Depository Procedures and agreements between such Owners and the Depository and/or the Depository Participants; provided, solely for the purpose of determining whether the Holders of the requisite amount of Preferred Securities have voted on any matter provided for in this Trust Agreement, to the extent that Preferred Securities are represented by a Global Preferred Security, the Trustees may conclusively rely on, and shall be fully protected in relying on, any written instrument (including a proxy) delivered to the Property Trustee by the Depository setting forth the Owners' votes or assigning the right to vote on any matter to any other Persons either in whole or in part. To the extent that Preferred Securities are represented by a Global Preferred Security, the initial Depository will make book-entry transfers among the Depository Participants and receive and transmit payments on the Preferred Securities that are represented by a Global Preferred Security to such Depository Participants, and none of the Depositor or the Trustees shall have any responsibility or obligation with respect thereto.

(f) To the extent that a notice or other communication to the Holders is required under this Trust Agreement, for so long as Preferred Securities are represented by a Global Preferred Security, the Trustees shall give all such notices and communications to the Depository, and shall have no obligations to the Owners.

#### SECTION 5.7. Registration of Transfer and Exchange of Preferred Securities Certificates.

(a) The Property Trustee shall keep or cause to be kept, at the Corporate Trust Office, a register or registers (the "Securities Register") in which the registrar and transfer agent with respect to the Trust Securities (the "Securities Registrar"), subject to such reasonable regulations as it may prescribe, shall provide for the registration of Preferred Securities Certificates and Common Securities Certificates and registration of transfers and exchanges of Preferred Securities Certificates as herein provided. The Person acting as the Property Trustee shall at all times also be the Securities Registrar. The provisions of Article VIII shall apply to the Property Trustee in its role as Securities Registrar.

(b) Upon surrender for registration of transfer of any Preferred Securities Certificate at the office or agency maintained pursuant to Section 5.7(f), the Administrative Trustees or any one of them shall execute by manual or facsimile signature and deliver to the Property Trustee, and the Property Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Preferred Securities Certificates in authorized denominations of a like aggregate Liquidation Amount as may be required by this Trust Agreement dated the date of execution by such Administrative Trustee or Trustees. At the option of a Holder, Preferred Securities Certificates may be exchanged for other Preferred Securities Certificates in authorized denominations and of a like aggregate Liquidation Amount upon surrender of the Preferred Securities Certificate to be exchanged at the office or agency maintained pursuant to

27

Section 5.7(f). Whenever any Preferred Securities Certificates are so surrendered for exchange, the Administrative Trustees or any one of them shall execute by manual or facsimile signature and deliver to the Property Trustee, and the Property Trustee shall authenticate and deliver, the Preferred Securities Certificates that the Holder making the exchange is entitled to receive.

(c) The Securities Registrar shall not be required, (i) to issue, register the transfer of or exchange any Preferred Security during a period beginning at the opening of business fifteen (15) days before the day of selection for redemption of such Preferred Securities pursuant to Article IV and ending at the close of business on the day of mailing of the notice of redemption or (ii) to register the transfer of or exchange any Preferred Security so selected for redemption in whole or in part, except, in the case of any such Preferred Security to be redeemed in part, any portion thereof not to be redeemed.

(d) Every Preferred Securities Certificate presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Securities Registrar duly executed by the Holder or such Holder's attorney duly authorized in writing and (i) if such Preferred Securities Certificate is being transferred otherwise than to a QIB, accompanied by a certificate of the transferee substantially in the form set forth as Exhibit E hereto or (ii) if such Preferred Securities Certificate is being transferred to a QIB, accompanied by a certificate of the transferor substantially in the form set forth as Exhibit F hereto.

(e) No service charge shall be made for any registration of transfer or exchange of Preferred Securities Certificates, but the Property Trustee on behalf of the Trust may require payment of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with any transfer or exchange of Preferred Securities Certificates.

(f) The Administrative Trustees shall designate an office or offices or agency or agencies where Preferred Securities Certificates may be surrendered for registration of transfer or exchange, and initially designate the Corporate Trust Office as its office and agency for such purposes. The Administrative Trustees shall give prompt written notice to the Depositor, the Property Trustee and to the Holders of any change in the location of any such office or agency.

#### SECTION 5.8. Mutilated, Destroyed, Lost or Stolen Securities Certificates.

(a) If any mutilated Securities Certificate shall be surrendered to the Securities Registrar together with such security or indemnity as may be required by the Securities Registrar and the Administrative Trustees to save each of them harmless, the Administrative Trustees, or any one of them, on behalf of the Trust, shall execute and make available for delivery in exchange therefor a new Securities Certificate of like class, tenor and denomination.

(b) If the Securities Registrar shall receive evidence to its satisfaction of the destruction, loss or theft of any Securities Certificate and there shall be delivered to the Securities Registrar and the Administrative Trustees such security or indemnity as may be required by them to save each of them harmless, then in the absence of notice that such Securities Certificate shall have been acquired by a protected purchaser, the Administrative Trustees, or any one of them, on behalf of the Trust, shall execute and make available for

28

delivery, and, with respect to Preferred Securities, the Property Trustee shall authenticate, in exchange for or in lieu of any such destroyed, lost or stolen Securities Certificate, a new Securities Certificate of like class, tenor and denomination.

(c) In connection with the issuance of any new Securities Certificate under this Section 5.8, the Administrative Trustees or the Securities Registrar may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith.

(d) Any duplicate Securities Certificate issued pursuant to this Section 5.8 shall constitute conclusive evidence of an undivided beneficial interest in the assets of the Trust corresponding to that evidenced by the mutilated, lost, stolen or destroyed Securities Certificate, as if originally issued, whether or not the lost, stolen or destroyed Securities Certificate shall be found at any time.

(e) If any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Depositor in its discretion may, instead of issuing a new Security, pay such Security.

(f) The provisions of this Section 5.8 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement of mutilated, destroyed, lost or stolen Securities Certificates.

SECTION 5.9. Persons Deemed Holders.

The Trustees and the Securities Registrar shall each treat the Person in whose name any Securities Certificate shall be registered in the Securities Register as the owner of such Securities Certificate for the purpose of receiving Distributions and for all other purposes whatsoever, and none of the Trustees and the Securities Registrar shall be bound by any notice to the contrary.

SECTION 5.10. Cancellation.

All Preferred Securities Certificates surrendered for registration of transfer or exchange or for payment shall, if surrendered to any Person other than the Property Trustee, be delivered to the Property Trustee, and any such Preferred Securities Certificates and Preferred Securities Certificates surrendered directly to the Property Trustee for any such purpose shall be promptly canceled by it. The Administrative Trustees may at any time deliver to the Property Trustee for cancellation any Preferred Securities Certificates previously delivered hereunder that the Administrative Trustees may have acquired in any manner whatsoever, and all Preferred Securities Certificates so delivered shall be promptly canceled by the Property Trustee. #### ARTICLE VI.

#### MEETINGS; VOTING; ACTS OF HOLDERS

#### SECTION 6.1. Notice of Meetings.

Notice of all meetings of the Holders of the Preferred Securities, stating the time, place and purpose of the meeting, shall be given by the Property Trustee pursuant to Section 11.8 to each Holder of Preferred Securities, at such Holder's registered address, at least fifteen (15) days and not more than ninety (90) days before the meeting. At any such meeting, any business properly before the meeting may be so considered whether or not stated in the notice of the meeting. Any adjourned meeting may be held as adjourned without further notice.

#### SECTION 6.2. Meetings of Holders of the Preferred Securities.

(a) No annual meeting of Holders is required to be held. The Property Trustee, however, shall call a meeting of the Holders of the Preferred Securities to vote on any matter upon the written request of the Holders of at least twenty five percent (25%) in aggregate Liquidation Amount of the Outstanding Preferred Securities and the Administrative Trustees or the Property Trustee may, at any time in their discretion, call a meeting of the Holders of the Preferred Securities to vote on any matters as to which such Holders are entitled to vote.

33

(b) The Holders of at least a Majority in Liquidation Amount of the Preferred Securities, present in person or by proxy, shall constitute a quorum at any meeting of the Holders of the Preferred Securities.

(c) If a quorum is present at a meeting, an affirmative vote by the Holders present, in person or by proxy, holding Preferred Securities representing at least a Majority in Liquidation Amount of the Preferred Securities held by the Holders present, either in person or by proxy, at such meeting shall constitute the action of the Holders of the Preferred Securities, unless this Trust Agreement requires a lesser or greater number of affirmative votes.

#### SECTION 6.3. Voting Rights.

Holders shall be entitled to one vote for each \$10,000 of Liquidation Amount represented by their Outstanding Trust Securities in respect of any matter as to which such Holders are entitled to vote.

#### SECTION 6.4. Proxies.

At any meeting of Holders, any Holder entitled to vote thereat may vote by proxy, provided, that no proxy shall be voted at any meeting unless it shall have been placed on file with the Administrative Trustees, or with such other officer or agent of the Trust as the Administrative Trustees may direct, for verification prior to the time at which such vote shall be taken. Pursuant to a resolution of the Property Trustee, proxies may be solicited in the name of the Property Trustee or one or more officers of the Property Trustee. Only Holders of record shall be entitled to vote. When Trust Securities are held jointly by several Persons, any one of them may vote at any meeting in person or by proxy in respect of such Trust Securities, but if more than one of them shall be present at such meeting in person or by proxy, and such joint owners or their proxies so present disagree as to any vote to be cast, such vote shall not be received in respect of such Trust Securities. A proxy purporting to be executed by or on behalf of a Holder shall be deemed valid unless challenged at or prior

to its exercise, and the burden of proving invalidity shall rest on the challenger. No proxy shall be valid more than three years after its date of execution.

#### SECTION 6.5. Holder Action by Written Consent.

Any action that may be taken by Holders at a meeting may be taken without a meeting and without prior notice if Holders holding at least a Majority in Liquidation Amount of all Preferred Securities entitled to vote in respect of such action (or such lesser or greater proportion thereof as shall be required by any other provision of this Trust Agreement) shall consent to the action in writing; provided, that notice of such action is promptly provided to the Holders of Preferred Securities that did not consent to such action. Any action that may be taken by the Holders of all the Common Securities may be taken without a meeting and without prior notice if such Holders shall consent to the action in writing.

#### SECTION 6.6. Record Date for Voting and Other Purposes.

Except as provided in Section 6.10(a), for the purposes of determining the Holders who are entitled to notice of and to vote at any meeting or to act by written consent, or to participate

34

in any distribution on the Trust Securities in respect of which a record date is not otherwise provided for in this Trust Agreement, or for the purpose of any other action, the Administrative Trustees may from time to time fix a date, not more than ninety (90) days prior to the date of any meeting of Holders or the payment of a Distribution or other action, as the case may be, as a record date for the determination of the identity of the Holders of record for such purposes.

#### SECTION 6.7. Acts of Holders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided or permitted by this Trust Agreement to be given, made or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent thereof duly appointed in writing; and, except as otherwise expressly provided herein, such action shall become effective when such instrument or instruments are delivered to an Administrative Trustee. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Trust Agreement and conclusive in favor of the Trustees, if made in the manner provided in this Section 6.7.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where such execution is by a signer acting in a capacity other than such signer's individual capacity, such certificate or affidavit shall also constitute sufficient proof of such signer's authority. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner that any Trustee receiving the same deems sufficient.

(c) The ownership of Trust Securities shall be proved by the Securities Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Trust Security shall bind every future Holder of the same Trust Security and the Holder of every Trust Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustees, the Administrative Trustees or the Trust in reliance thereon, whether or not notation of such action is made upon such Trust Security.

(e) Without limiting the foregoing, a Holder entitled hereunder to take any action hereunder with regard to any particular Trust Security may do so with regard to all or any part of the Liquidation Amount of such Trust Security or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such Liquidation Amount.

(f) If any dispute shall arise among the Holders or the Trustees with respect to the authenticity, validity or binding nature of any request, demand, authorization, direction, notice,

35

consent, waiver or other Act of such Holder or Trustee under this Article VI,

then the determination of such matter by the Property Trustee shall be conclusive with respect to such matter.

#### SECTION 6.8. Inspection of Records.

Upon reasonable written notice to the Administrative Trustees and the Property Trustee, the records of the Trust shall be open to inspection by any Holder during normal business hours for any purpose reasonably related to such Holder's interest as a Holder.

#### SECTION 6.9. Limitations on Voting Rights.

(a) Except as expressly provided in this Trust Agreement and in the Indenture and as otherwise required by law, no Holder of Preferred Securities shall have any right to vote or in any manner otherwise control the administration, operation and management of the Trust or the obligations of the parties hereto, nor shall anything herein set forth, or contained in the terms of the Securities Certificates, be construed so as to constitute the Holders from time to time as partners or members of an association.

(b) So long as any Notes are held by the Property Trustee on behalf of the Trust, the Property Trustee shall not (i) direct the time, method and place of conducting any proceeding for any remedy available to the Note Trustee, or exercise any trust or power conferred on the Property Trustee with respect to the Notes, (ii) waive any past default that may be waived under Section 5.13 of the Indenture, (iii) exercise any right to rescind or annul a declaration that the principal of all the Notes shall be due and payable or (iv) consent to any amendment, modification or termination of the Indenture or the Notes, where such consent shall be required, without, in each case, obtaining the prior approval of the Holders of at least a Majority in Liquidation Amount of the Preferred Securities; provided, that where a consent under the Indenture would require the consent of each holder of Notes (or each Holder of Preferred Securities) affected thereby, no such consent shall be given by the Property Trustee without the prior written consent of each Holder of Preferred Securities. The Property Trustee shall not revoke any action previously authorized or approved by a vote of the Holders of the Preferred Securities, except by a subsequent vote of the Holders of the Preferred Securities. In addition to obtaining the foregoing approvals of the Holders of the Preferred Securities, prior to taking any of the foregoing actions, the Property Trustee shall, at the expense of the Depositor, obtain an Opinion of Counsel experienced in such matters to the effect that such action shall not cause the Trust to be taxable as a corporation or classified as other than a grantor trust for United States federal income tax purposes.

(c) If any proposed amendment to the Trust Agreement provides for, or the Trustees otherwise propose to effect, (i) any action that would adversely affect in any material respect the powers, preferences or special rights of the Preferred Securities, whether by way of amendment to the Trust Agreement or otherwise or (ii) the dissolution, winding-up or termination of the Trust, other than pursuant to the terms of this Trust Agreement, then the Holders of Outstanding Preferred Securities as a class will be entitled to vote on such amendment or proposal and such amendment or proposal shall not be effective except with the approval of the Holders of at least a Majority in Liquidation Amount of the Preferred Securities. Notwithstanding any other provision

36

of this Trust Agreement, no amendment to this Trust Agreement may be made if, as a result of such amendment, it would cause the Trust to be taxable as a corporation or classified as other than a grantor trust for United States federal income tax purposes.

#### SECTION 6.10. Acceleration of Maturity; Rescission of Annulment; Waivers of Past Defaults.

(a) For so long as any Preferred Securities remain Outstanding, if, upon a Note Event of Default pursuant to paragraphs (c), (e) or (f) of Section 5.1 of the Indenture, the Note Trustee fails or the holders of not less than twenty five percent (25%) in principal amount of the outstanding Notes fail to declare the principal of all of the Notes to be immediately due and payable, the Holders of at least twenty-five percent (25%) in Liquidation Amount of the Preferred Securities then Outstanding shall have the right to make such declaration by a notice in writing to the Property Trustee, the Depositor and the Note Trustee. At any time after a declaration of acceleration with respect to the Notes has been made and before a judgment or decree for payment of the money due has been obtained by the Note Trustee as provided in the Indenture, the Holders of at least a Majority in Liquidation Amount of the Preferred Securities, by written notice to the Property Trustee, the Depositor and the Note Trustee, may rescind and annul such declaration and its consequences if:

(i) the Depositor has paid or deposited with the Note Trustee a sum sufficient to pay:

(A) all overdue installments of interest on all of the Notes;

(B) any accrued Additional Interest on all of the Notes;

(C) the principal of and any premium on any Notes that have become due otherwise than by such declaration of acceleration and interest and Additional Interest thereon at the rate borne by the Notes; and

(D) all sums paid or advanced by the Note Trustee under the Indenture and the reasonable compensation, expenses, disbursements and advances of the Note Trustee, the Property Trustee and their agents and counsel; and

(ii) all Note Events of Default, other than the non-payment of the principal of the Notes that has become due solely by such acceleration, have been cured or waived as provided in Section 5.13 of the Indenture.

Upon receipt by the Property Trustee of written notice requesting such an acceleration, or rescission and annulment thereof, by Holders of any part of the Preferred Securities, a record date shall be established for determining Holders of Outstanding Preferred Securities entitled to join in such notice, which record date shall be at the close of business on the day the Property Trustee receives such notice. The Holders on such record date, or their duly designated proxies, and only such Persons, shall be entitled to join in such notice, whether or not such Holders remain Holders after such record date; provided, that, unless such declaration of acceleration, or rescission and annulment, as the case may be, shall have become effective by virtue of the requisite percentage having joined in such notice prior to the day that is ninety (90) days after

37

such record date, such notice of declaration of acceleration, or rescission and annulment, as the case may be, shall automatically and without further action by any Holder be canceled and of no further effect. Nothing in this paragraph shall prevent a Holder, or a proxy of a Holder, from giving, after expiration of such ninety (90)-day period, a new written notice of declaration of acceleration, or rescission and annulment thereof, as the case may be, that is identical to a written notice that has been canceled pursuant to the proviso to the preceding sentence, in which event a new record date shall be established pursuant to the provisions of this Section 6.10(a).

(b) For so long as any Preferred Securities remain Outstanding, to the fullest extent permitted by law and subject to the terms of this Trust Agreement and the Indenture, upon a Note Event of Default specified in paragraph (a), (b) or (c) of Section 5.1 of the Indenture, any Holder of Preferred Securities shall have the right to institute a proceeding directly against the Depositor, pursuant to Section 5.8 of the Indenture, for enforcement of payment to such Holder of any amounts payable in respect of Notes having an aggregate principal amount equal to the aggregate Liquidation Amount of the Preferred Securities of such Holder. Except as set forth in Section 6.10(a) and this Section 6.10(b), the Holders of Preferred Securities shall have no right to exercise directly any right or remedy available to the holders of, or in respect of, the Notes.

(c) Notwithstanding paragraphs (a) and (b) of this Section 6.10, the Holders of at least a Majority in Liquidation Amount of the Preferred Securities may, on behalf of the Holders of all the Preferred Securities, waive any Note Event of Default, except any Note Event of Default arising from the failure to pay any principal of or any premium or interest on (including any Additional Interest) the Notes (unless such Note Event of Default has been cured and a sum sufficient to pay all matured installments of interest and all principal and premium on all Notes due otherwise than by acceleration has been deposited with the Note Trustee) or a Note Event of Default in respect of a covenant or provision that under the Indenture cannot be modified or amended without the consent of the holder of each outstanding Note. Upon any such waiver, such Note Event of Default shall cease to exist and any Note Event of Default arising therefrom shall be deemed to have been cured for every purpose of the Indenture; but no such waiver shall affect any subsequent Note Event of Default or impair any right consequent thereon.

(d) Notwithstanding paragraphs (a) and (b) of this Section 6.10, the Holders of at least a Majority in Liquidation Amount of the Preferred Securities may, on behalf of the Holders of all the Preferred Securities, waive any past Event of Default and its consequences. Upon such waiver, any such Event of Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Trust Agreement, but no such waiver shall extend to any subsequent or other Event of Default or impair any right consequent thereon.

(e) The Holders of a Majority in Liquidation Amount of the Preferred Securities shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Property Trustee in respect of this Trust Agreement or the Notes or exercising any trust or power conferred upon the Property Trustee under this Trust Agreement; provided, that, subject to Sections 8.5 and 8.7, the Property Trustee shall have the right to decline to follow any such direction if the Property Trustee being advised by

counsel determines that the action so directed may not lawfully be taken, or if the Property Trustee in good faith shall, by an officer or officers of the Property Trustee, determine that the proceedings so directed would be illegal or

38

involve it in personal liability or be unduly prejudicial to the rights of Holders not party to such direction, and provided, further, that nothing in this Trust Agreement shall impair the right of the Property Trustee to take any action deemed proper by the Property Trustee and which is not inconsistent with such direction.

(b) The Delaware Trustee shall not be entitled to exercise any powers, nor shall the Delaware Trustee have any of the duties and responsibilities, of the Property Trustee or the Administrative Trustees set forth herein. The Delaware Trustee shall be one of the trustees of the Trust for the sole and limited purpose of fulfilling the requirements of Section 3807 of the Delaware Statutory Trust Act and for taking such actions as are required to be taken by a Delaware trustee under the Delaware Statutory Trust Act. The duties (including fiduciary duties), liabilities and obligations of the Delaware Trustee shall be limited to (a) accepting legal process served on the Trust in the State of Delaware and (b) the execution of any certificates required to be filed with the Secretary of State of the State of Delaware that the Delaware Trustee is required to execute under Section 3811 of the Delaware Statutory Trust Act and there shall be no other duties (including fiduciary duties) or obligations, express or implied, at law or in equity, of the Delaware Trustee.

#### SECTION 8.4. Appointment of Administrative Trustees.

(a) There shall at all times be one or more Administrative Trustees hereunder with respect to the Trust Securities. Each Administrative Trustee shall be either a natural person who is at least 21 years of age or a legal entity that shall act through one or more persons authorized to bind that entity. Each of the individuals identified as an "Administrative Trustee" in the preamble of this Trust Agreement hereby accepts his or her appointment as such.

(b) Except where a requirement for action by a specific number of Administrative Trustees is expressly set forth in this Trust Agreement, any act required or permitted to be taken by, and any power of the Administrative Trustees may be exercised by, or with the consent of, any one such Administrative Trustee. Whenever a vacancy in the number of Administrative Trustees shall occur, until such vacancy is filled by the appointment of an Administrative Trustee in accordance with Section 8.11, the Administrative Trustees in office, regardless of their number (and notwithstanding any other provision of this Trust Agreement), shall have all the powers granted to the Administrative Trustees and shall discharge all the duties imposed upon the Administrative Trustees by this Trust Agreement.

#### SECTION 8.5. Duties and Responsibilities of the Trustees.

(a) The rights, immunities, duties and responsibilities of the Trustees shall be as provided by this Trust Agreement and there shall be no other duties (including fiduciary duties) or obligations, express or implied, at law or in equity, of the Trustees; provided, however, that if an Event of Default known to the Property Trustee has occurred and is continuing, the Property Trustee shall, prior to the receipt of directions, if any, from the Holders of at least a Majority in Liquidation Amount of the Preferred Securities, exercise such of the rights and powers vested in it by the Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs. Notwithstanding the foregoing, no provision of this Trust Agreement shall require any of the Trustees to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its or their rights or powers, if it or they shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it. Whether or not herein expressly so provided, every provision of this Trust Agreement relating to the conduct or

42

affecting the liability of or affording protection to the Trustees shall be subject to the provisions of this Section 8.5. To the extent that, at law or in equity, a Trustee has duties and liabilities relating to the Trust or to the Holders, such Trustee shall not be liable to the Trust or to any Holder for such Trustee's good faith reliance on the provisions of this Trust Agreement. The provisions of this Trust Agreement, to the extent that they restrict the duties and liabilities of the Trustees otherwise existing at law or in equity, are agreed by the Depositor and the Holders to replace such other duties and liabilities of the Trustees.

(b) All payments made by the Property Trustee or a Paying Agent in respect of the Trust Securities shall be made only from the revenue and proceeds from the Trust Property and only to the extent that there shall be sufficient revenue or proceeds from the Trust Property to enable the Property Trustee or a

Paying Agent to make payments in accordance with the terms hereof. Each Holder, by its acceptance of a Trust Security, agrees that it will look solely to the revenue and proceeds from the Trust Property to the extent legally available for distribution to it as herein provided and that the Trustees are not personally liable to it for any amount distributable in respect of any Trust Security or for any other liability in respect of any Trust Security. This Section 8.5(b) does not limit the liability of the Trustees expressly set forth elsewhere in this Trust Agreement.

(c) No provisions of this Trust Agreement shall be construed to relieve the Property Trustee from liability with respect to matters that are within the authority of the Property Trustee under this Trust Agreement for its own negligent action, negligent failure to act or willful misconduct, except that:

(i) the Property Trustee shall not be liable for any error or judgment made in good faith by an authorized officer of the Property Trustee, unless it shall be proved that the Property Trustee was negligent in ascertaining the pertinent facts;

(ii) the Property Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of at least a Majority in Liquidation Amount of the Preferred Securities relating to the time, method and place of conducting any proceeding for any remedy available to the Property Trustee hereunder or under the Indenture, or exercising any trust or power conferred upon the Property Trustee under this Trust Agreement;

(iii) the Property Trustee's sole duty with respect to the custody, safe keeping and physical preservation of the Notes and the Payment Account shall be to deal with such Property in a similar manner as the Property Trustee deals with similar property for its own account, subject to the protections and limitations on liability afforded to the Property Trustee under this Trust Agreement;

(iv) the Property Trustee shall not be liable for any interest on any money received by it except as it may otherwise agree with the Depositor; and money held by the Property Trustee need not be segregated from other funds held by it except in relation to the Payment Account maintained by the Property Trustee pursuant to Section 3.1 and except to the extent otherwise required by law; and

43

(v) the Property Trustee shall not be responsible for monitoring the compliance by the Administrative Trustees or the Depositor with their respective duties under this Trust Agreement, nor shall the Property Trustee be liable for the default or misconduct of any other Trustee or the Depositor.

#### SECTION 8.6. Notices of Defaults and Extensions.

(a) Within ninety (90) days after the occurrence of a default actually known to the Property Trustee, the Property Trustee shall transmit notice of such default to the Holders, the Administrative Trustees and the Depositor, unless such default shall have been cured or waived; provided, that, except in the case of a default in the payment of the principal of or any premium or interest (including any Additional Interest) on any Trust Security, the Property Trustee shall be fully protected in withholding such notice if and so long as the board of directors, the executive committee or a trust committee of directors and/or Responsible Officers of the Property Trustee in good faith determines that the withholding of such notice is in the interests of the Holders of the Trust Securities. For the purpose of this Section 8.6, the term "default" means any event that is, or after notice or lapse of time or both would become, an Event of Default.

(b) Within three (3) Business Days after the receipt of notice of the Depositor's exercise of its right to defer the payment of interest on the Notes pursuant to the Indenture, the Property Trustee shall transmit, in the manner and to the extent provided in Section 11.8, notice of such exercise to the Holders and the Administrative Trustees, unless such exercise shall have been revoked.

(c) The Property Trustee shall not be deemed to have knowledge of any Event of Default unless the Property Trustee shall have received written notice thereof from the Depositor, any Administrative Trustee or any Holder or unless an officer of the Property Trustee charged with the administration of this Trust Agreement shall have obtained actual knowledge of such Event of Default.

(d) The Property Trustee shall notify all Holders of the Preferred Securities of any notice of default received with respect to the Notes.

#### SECTION 8.7. Certain Rights of Property Trustee.

Subject to the provisions of Section 8.5:

(a) the Property Trustee may conclusively rely and shall be protected in acting or refraining from acting in good faith and in accordance with the terms hereof upon any resolution, Opinion of Counsel, certificate, written representation of a Holder or transferee, certificate of auditors or any other resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, appraisal, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) if (i) in performing its duties under this Trust Agreement the Property Trustee is required to decide between alternative courses of action, (ii) in construing any of the provisions of this Trust Agreement the Property Trustee finds a provision ambiguous or inconsistent with

44

any other provisions contained herein or (iii) the Property Trustee is unsure of the application of any provision of this Trust Agreement, then, except as to any matter as to which the Holders of the Preferred Securities are entitled to vote under the terms of this Trust Agreement, the Property Trustee shall deliver a notice to the Depositor requesting the Depositor's written instruction as to the course of action to be taken and the Property Trustee shall take such action, or refrain from taking such action, as the Property Trustee shall be instructed in writing to take, or to refrain from taking, by the Depositor; provided, that if the Property Trustee does not receive such instructions of the Depositor within ten (10) Business Days after it has delivered such notice or such reasonably shorter period of time set forth in such notice, the Property Trustee may, but shall be under no duty to, take such action, or refrain from taking such action, as the Property Trustee shall deem advisable and in the best interests of the Holders, in which event the Property Trustee shall have no liability except for its own negligence, bad faith or willful misconduct;

(c) any direction or act of the Depositor contemplated by this Trust Agreement shall be sufficiently evidenced by an Officers' Certificate unless otherwise expressly provided herein;

(d) any direction or act of an Administrative Trustee contemplated by this Trust Agreement shall be sufficiently evidenced by a certificate executed by such Administrative Trustee and setting forth such direction or act;

(e) the Property Trustee shall have no duty to see to any recording, filing or registration of any instrument (including any financing or continuation statement or any filing under tax or securities laws) or any re-recording, re-filing or re-registration thereof;

(f) the Property Trustee may consult with counsel (which counsel may be counsel to the Property Trustee, the Depositor or any of its Affiliates, and may include any of its employees) and the advice of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon and in accordance with such advice; the Property Trustee shall have the right at any time to seek instructions concerning the administration of this Trust Agreement from any court of competent jurisdiction;

(g) the Property Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Trust Agreement at the request or direction of any of the Holders pursuant to this Trust Agreement, unless such Holders shall have offered to the Property Trustee reasonable security or indemnity against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities that might be incurred by it in compliance with such request or direction, including reasonable advances as may be requested by the Property Trustee;

(h) the Property Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, bond, debenture, note or other evidence of indebtedness or other paper or document, unless requested in writing to do so by one or more Holders, but the Property Trustee may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Property Trustee shall determine to make such inquiry or investigation, it shall be entitled to examine the books, records and premises of the Depositor, personally or by agent or attorney;

45

(i) the Property Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through its agents, attorneys, custodians or nominees and the Property Trustee shall not be responsible for any negligence or misconduct on the part of any such agent, attorney, custodian or nominee appointed with due care by it hereunder;

(j) whenever in the administration of this Trust Agreement the Property Trustee shall deem it desirable to receive instructions with respect to enforcing any remedy or right hereunder, the Property Trustee (i) may request

instructions from the Holders (which instructions may only be given by the Holders of the same proportion in Liquidation Amount of the Trust Securities as would be entitled to direct the Property Trustee under this Trust Agreement in respect of such remedy, right or action), (ii) may refrain from enforcing such remedy or right or taking such other action until such instructions are received and (iii) shall be protected in acting in accordance with such instructions;

(k) except as otherwise expressly provided by this Trust Agreement, the Property Trustee shall not be under any obligation to take any action that is discretionary under the provisions of this Trust Agreement;

(l) without prejudice to any other rights available to the Property Trustee under applicable law, when the Property Trustee incurs expenses or renders services in connection with a Bankruptcy Event, such expenses (including legal fees and expenses of its agents and counsel) and the compensation for such services are intended to constitute expenses of administration under any bankruptcy law or law relating to creditors rights generally; and

(m) whenever in the administration of this Trust Agreement the Property Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Property Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, request and rely on an Officers' Certificate which, upon receipt of such request, shall be promptly delivered by the Depositor.

No provision of this Trust Agreement shall be deemed to impose any duty or obligation on any Trustee to perform any act or acts or exercise any right, power, duty or obligation conferred or imposed on it, in any jurisdiction in which it shall be illegal, or in which such Person shall be unqualified or incompetent in accordance with applicable law, to perform any such act or acts, or to exercise any such right, power, duty or obligation.

#### SECTION 8.8. Delegation of Power.

Any Trustee may, by power of attorney consistent with applicable law, delegate to any other natural person over the age of 21 its, his or her power for the purpose of executing any documents contemplated in Section 2.5. The Trustees shall have power to delegate from time to time to such of their number or to the Depositor the doing of such things and the execution of such instruments either in the name of the Trust or the names of the Trustees or otherwise as the Trustees may deem expedient, to the extent such delegation is not prohibited by applicable law or contrary to the provisions of this Trust Agreement.

46

#### SECTION 8.9. May Hold Securities.

Any Trustee or any other agent of any Trustee or the Trust, in its individual or any other capacity, may become the owner or pledgee of Trust Securities and except as provided in the definition of the term "Outstanding" in Article I, may otherwise deal with the Trust with the same rights it would have if it were not a Trustee or such other agent.

#### SECTION 8.10. Compensation; Reimbursement; Indemnity.

The Depositor agrees:

(a) to pay to the Trustees from time to time such reasonable compensation for all services rendered by them hereunder as may be agreed by the Depositor and the Trustees from time to time (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(b) to reimburse the Trustees upon request for all reasonable expenses, disbursements and advances incurred or made by the Trustees in accordance with any provision of this Trust Agreement (including the reasonable compensation and the expenses and disbursements of their agents and counsel), except any such expense, disbursement or advance as may be attributable to their negligence, bad faith or willful misconduct; and

(c) to the fullest extent permitted by applicable law, to indemnify and hold harmless (i) each Trustee, (ii) any Affiliate of any Trustee, (iii) any officer, director, shareholder, employee, representative or agent of any Trustee or any Affiliate of any Trustee and (iv) any employee or agent of the Trust (referred to herein as an "Indemnified Person") from and against any loss, damage, liability, tax (other than income, franchise or other taxes imposed on amounts paid pursuant to Section 8.10(a) or (b) hereof), penalty, expense, suit or claim of any kind or nature whatsoever incurred without negligence, bad faith or willful misconduct on its part, arising out of or in connection with the acceptance or administration of the Trust hereunder, including the advancement of funds to cover the reasonable costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

The Trust shall have no payment, reimbursement or indemnity obligations to the Trustees under this Section 8.10. The provisions of this Section 8.10 shall survive the termination of this Trust Agreement and the earlier removal or resignation of any Trustee.

No Trustee may claim any Lien on any Trust Property whether before or after termination of the Trust as a result of any amount due pursuant to this Section 8.10.

To the fullest extent permitted by law, in no event shall the Property Trustee and the Delaware Trustee be liable for any indirect, special, punitive or consequential loss or damage of any kind whatsoever, including, but not limited to, lost profits, even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

In no event shall the Property Trustee and the Delaware Trustee be liable for any failure or delay in the performance of its obligations hereunder because of circumstances beyond its

47

control, including, but not limited to, acts of God, flood, war (whether declared or undeclared), terrorism, fire, riot, embargo, government action, including any laws, ordinances, regulations, governmental action or the like which delay, restrict or prohibit the providing of the services contemplated by this Trust Agreement.

#### SECTION 8.11. Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of any Trustee and no appointment of a successor Trustee pursuant to this Article VIII shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 8.12.

(b) A Trustee may resign at any time by giving written notice thereof to the Depositor and, in the case of the Property Trustee and the Delaware Trustee, to the Holders.

(c) Unless an Event of Default shall have occurred and be continuing, the Property Trustee or the Delaware Trustee, or both of them, may be removed (with or without cause) at any time by Act of the Holder of Common Securities. If an Event of Default shall have occurred and be continuing, the Property Trustee or the Delaware Trustee, or both of them, may be removed (with or without cause) at such time by Act of the Holders of at least a Majority in Liquidation Amount of the Preferred Securities, delivered to the removed Trustee (in its individual capacity and on behalf of the Trust). An Administrative Trustee may be removed (with or without cause) only by Act of the Holder of the Common Securities at any time.

(d) If any Trustee shall resign, be removed or become incapable of acting as Trustee, or if a vacancy shall occur in the office of any Trustee for any reason, at a time when no Event of Default shall have occurred and be continuing, the Holder of the Common Securities, by Act of the Holder of the Common Securities, shall promptly appoint a successor Trustee or Trustees, and such successor Trustee and the retiring Trustee shall comply with the applicable requirements of Section 8.12. If the Property Trustee or the Delaware Trustee shall resign, be removed or become incapable of continuing to act as the Property Trustee or the Delaware Trustee, as the case may be, at a time when an Event of Default shall have occurred and be continuing, the Holders of the Preferred Securities, by Act of the Holders of a Majority in Liquidation Amount of the Preferred Securities, shall promptly appoint a successor Property Trustee or Delaware Trustee, and such successor Property Trustee or Delaware Trustee and the retiring Property Trustee or Delaware Trustee shall comply with the applicable requirements of Section 8.12. If an Administrative Trustee shall resign, be removed or become incapable of acting as Administrative Trustee, at a time when an Event of Default shall have occurred and be continuing, the Holder of the Common Securities by Act of the Holder of Common Securities shall promptly appoint a successor Administrative Trustee and such successor Administrative Trustee and the retiring Administrative Trustee shall comply with the applicable requirements of Section 8.12. If no successor Trustee shall have been so appointed by the Holder of the Common Securities or Holders of the Preferred Securities, as the case may be, and accepted appointment in the manner required by Section 8.12 within thirty (30) days after the giving of a notice of resignation by a Trustee, the removal of a Trustee, or a Trustee becoming incapable of acting as such Trustee, any Holder who has been a Holder of Preferred Securities for at least six (6) months may, on behalf of himself and all others similarly situated, and any resigning Trustee

48

may, in each case, at the expense of the Depositor, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) The Depositor shall give notice of each resignation and each removal of the Property Trustee or the Delaware Trustee and each appointment of a

successor Property Trustee or Delaware Trustee to all Holders in the manner provided in Section 11.8. Each notice shall include the name of the successor Property Trustee or Delaware Trustee and the address of its Corporate Trust Office if it is the Property Trustee.

(f) Notwithstanding the foregoing or any other provision of this Trust Agreement, in the event any Administrative Trustee or a Delaware Trustee who is a natural person dies or becomes, in the opinion of the Holder of Common Securities, incompetent or incapacitated, the vacancy created by such death, incompetence or incapacity may be filled by (i) the unanimous act of the remaining Administrative Trustees if there are at least two of them or (ii) otherwise by the Holder of the Common Securities (with the successor in each case being a Person who satisfies the eligibility requirement for Administrative Trustees or Delaware Trustee, as the case may be, set forth in Sections 8.3 and 8.4).

(g) Upon the appointment of a successor Delaware Trustee, such successor Delaware Trustee shall file a Certificate of Amendment to the Certificate of Trust in accordance with Section 3810 of the Delaware Statutory Trust Act.

#### SECTION 8.12. Acceptance of Appointment by Successor.

(a) In case of the appointment hereunder of a successor Trustee, each successor Trustee shall execute and deliver to the Depositor and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and each such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on request of the Trust or any successor Trustee such retiring Trustee shall, upon payment of its charges, duly assign, transfer and deliver to such successor Trustee all Trust Property, all proceeds thereof and money held by such retiring Trustee hereunder with respect to the Trust Securities and the Trust.

(b) Upon request of any such successor Trustee, the Trust (or the retiring Trustee if requested by the Depositor) shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts referred to in the preceding paragraph.

(c) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article VIII.

#### SECTION 8.13. Merger, Conversion, Consolidation or Succession to Business.

Any Person into which the Property Trustee or the Delaware Trustee may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which such Trustee shall be a party, or any Person succeeding to all or substantially all the corporate trust business of such Trustee, shall be the successor of such

49

Trustee hereunder, without the execution or filing of any paper or any further act on the part of any of the parties hereto, provided, that such Person shall be otherwise qualified and eligible under this Article VIII.

#### SECTION 8.14. Not Responsible for Recitals or Issuance of Securities.

The recitals contained herein and in the Securities Certificates shall be taken as the statements of the Trust and the Depositor, and the Trustees do not assume any responsibility for their correctness. The Trustees make no representations as to the title to, or value or condition of, the property of the Trust or any part thereof, nor as to the validity or sufficiency of this Trust Agreement, the Notes or the Trust Securities. The Trustees shall not be accountable for the use or application by the Depositor of the proceeds of the Notes.

#### SECTION 8.15. Property Trustee May File Proofs of Claim.

(a) In case of any Bankruptcy Event (or event that with the passage of time would become a Bankruptcy Event) relative to the Trust or any other obligor upon the Trust Securities or the property of the Trust or of such other obligor or their creditors, the Property Trustee (irrespective of whether any Distributions on the Trust Securities shall then be due and payable and irrespective of whether the Property Trustee shall have made any demand on the Trust for the payment of any past due Distributions) shall be entitled and empowered, to the fullest extent permitted by law, by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of any Distributions owing and unpaid in respect of the Trust Securities and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Property Trustee (including any claim for

the reasonable compensation, expenses, disbursements and advances of the Property Trustee, its agents and counsel) and of the Holders allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such proceeding is hereby authorized by each Holder to make such payments to the Property Trustee and, in the event the Property Trustee shall consent to the making of such payments directly to the Holders, to pay to the Property Trustee first any amount due it for the reasonable compensation, expenses, disbursements and advances of the Property Trustee, its agents and counsel, and any other amounts due the Property Trustee.

(b) Nothing herein contained shall be deemed to authorize the Property Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or compensation affecting the Trust Securities or the rights of any Holder thereof or to authorize the Property Trustee to vote in respect of the claim of any Holder in any such proceeding.

50

#### SECTION 8.16. Reports to and from the Property Trustee.

(a) The Depositor and the Administrative Trustees shall deliver to the Property Trustee, not later than forty five (45) days after the end of each of the first three fiscal quarters of the Depositor and not later than ninety (90) days after the end of each fiscal year of the Depositor ending after the date of this Trust Agreement, an Officers' Certificate covering the preceding fiscal period, stating whether or not to the knowledge of the signers thereof the Depositor and the Trust are in default in the performance or observance of any of the terms, provisions and conditions of this Trust Agreement (without regard to any period of grace or requirement of notice provided hereunder) and, if the Depositor or the Trust shall be in default, specifying all such defaults and the nature and status thereof of which they have knowledge.

(b) The Depositor shall furnish to (i) the Property Trustee, (ii) the Purchaser, (iii) any Owner of the Preferred Securities reasonably identified to the Depositor or the Trust (which identification may be made either by such Owner or by the Placement Agent or Purchaser), and (iv) any designee of (i), (ii) or (iii) above, a duly completed and executed certificate in the form attached hereto as Exhibit G, including the financial statements referenced in such Exhibit, which certificate and financial statements shall be so furnished by the Depositor not later than forty five (45) days after the end of each of the first three fiscal quarters of each fiscal year of the Depositor and not later than ninety (90) days after the end of each fiscal year of the Depositor.

(c) The Property Trustee shall obtain all reports, certificates and information, which it is entitled to receive under each of the Operative Documents, and deliver to (i) the Purchaser, (ii) the Placement Agent and (iii) a designee of (i) or (ii) above, all such reports, certificates or information promptly upon receipt thereof.

### ARTICLE IX.

#### TERMINATION, LIQUIDATION AND MERGER

##### SECTION 9.1. Dissolution Upon Expiration Date.

Unless earlier dissolved, the Trust shall automatically dissolve on December 31, 2035 (the "Expiration Date"), and the Trust Property shall be liquidated in accordance with Section 9.4.

##### SECTION 9.2. Early Termination.

The first to occur of any of the following events is an "Early Termination Event", upon the occurrence of which the Trust shall be dissolved:

(a) the occurrence of a Bankruptcy Event in respect of, or the dissolution or liquidation of, the Depositor, in its capacity as the Holder of the Common Securities, unless the Depositor shall have transferred the Common Securities as provided by Section 5.11, in which case this provision shall refer instead to any such successor Holder of the Common Securities;

(b) the written direction to the Property Trustee from the Holder of the Common Securities at any time to dissolve the Trust and, after satisfaction of any liabilities of the Trust as

51

required by applicable law, to distribute the Notes to Holders in exchange for the Preferred Securities (which direction is optional and wholly within the discretion of the Holder of the Common Securities), provided, that the Holder of

the Common Securities shall have received the prior approval of the Federal Reserve if then required;

(c) the redemption of all of the Preferred Securities in connection with the payment at maturity or redemption of all the Notes; and

(d) the entry of an order for dissolution of the Trust by a court of competent jurisdiction.

#### SECTION 9.3. Termination.

The respective obligations and responsibilities of the Trustees and the Trust shall terminate upon the latest to occur of the following: (a) the distribution by the Property Trustee to Holders of all amounts required to be distributed hereunder upon the liquidation of the Trust pursuant to Section 9.4, or upon the redemption of all of the Trust Securities pursuant to Section 4.2; (b) the satisfaction of any expenses owed by the Trust; and (c) the discharge of all administrative duties of the Administrative Trustees, including the performance of any tax reporting obligations with respect to the Trust or the Holders.

#### SECTION 9.4. Liquidation.

(a) If an Early Termination Event specified in Section 9.2(a), (b) or (d) occurs or upon the Expiration Date, the Trust shall be liquidated by the Property Trustee as expeditiously as the Property Trustee shall determine to be possible by distributing, after satisfaction of liabilities to creditors of the Trust as provided by applicable law, to each Holder a Like Amount of Notes, subject to Section 9.4(d). Notice of liquidation shall be given by the Property Trustee not less than thirty (30) nor more than sixty (60) days prior to the Liquidation Date to each Holder of Trust Securities at such Holder's address appearing in the Securities Register. All such notices of liquidation shall:

(i) state the Liquidation Date;

(ii) state that from and after the Liquidation Date, the Trust Securities will no longer be deemed to be Outstanding and (subject to Section 9.4(d)) any Securities Certificates not surrendered for exchange will be deemed to represent a Like Amount of Notes; and

(iii) provide such information with respect to the mechanics by which Holders may exchange Securities Certificates for Notes, or if Section 9.4(d) applies, receive a Liquidation Distribution, as the Property Trustee shall deem appropriate.

(b) Except where Section 9.2(c) or 9.4(d) applies, in order to effect the liquidation of the Trust and distribution of the Notes to Holders, the Property Trustee, either itself acting as exchange agent or through the appointment of a separate exchange agent, shall establish a record date for such distribution (which shall not be more than forty-five (45) days prior to the Liquidation Date nor prior to the date on which notice of such liquidation is given to the

52

Holders) and establish such procedures as it shall deem appropriate to effect the distribution of Notes in exchange for the Outstanding Securities Certificates.

(c) Except where Section 9.2(c) or 9.4(d) applies, after the Liquidation Date, (i) the Trust Securities will no longer be deemed to be Outstanding, (ii) certificates representing a Like Amount of Notes will be issued to Holders of Securities Certificates, upon surrender of such Securities Certificates to the exchange agent for exchange, (iii) the Depositor shall use its best efforts to have the Notes listed on the New York Stock Exchange or on such other exchange, interdealer quotation system or self-regulatory organization on which the Preferred Securities are then listed, if any, (iv) Securities Certificates not so surrendered for exchange will be deemed to represent a Like Amount of Notes bearing accrued and unpaid interest in an amount equal to the accumulated and unpaid Distributions on such Securities Certificates until such certificates are so surrendered (and until such certificates are so surrendered, no payments of interest or principal will be made to Holders of Securities Certificates with respect to such Notes) and (v) all rights of Holders holding Trust Securities will cease, except the right of such Holders to receive Notes upon surrender of Securities Certificates.

(d) Notwithstanding the other provisions of this Section 9.4, if distribution of the Notes in the manner provided herein is determined by the Property Trustee not to be permitted or practical, the Trust Property shall be liquidated, and the Trust shall be wound up by the Property Trustee in such manner as the Property Trustee determines. In such event, Holders will be entitled to receive out of the assets of the Trust available for distribution to Holders, after satisfaction of liabilities to creditors of the Trust as provided by applicable law, an amount equal to the Liquidation Amount per Trust Security plus accumulated and unpaid Distributions thereon to the date of payment (such

amount being the "Liquidation Distribution"). If, upon any such winding up the Liquidation Distribution can be paid only in part because the Trust has insufficient assets available to pay in full the aggregate Liquidation Distribution, then, subject to the next succeeding sentence, the amounts payable by the Trust on the Trust Securities shall be paid on a pro rata basis (based upon Liquidation Amounts). The Holder of the Common Securities will be entitled to receive Liquidation Distributions upon any such winding up pro rata (based upon Liquidation Amounts) with Holders of all Trust Securities, except that, if an Event of Default has occurred and is continuing, the Preferred Securities shall have a priority over the Common Securities as provided in Section 4.3.

SECTION 9.5. Mergers, Consolidations, Amalgamations or Replacements of Trust.

The Trust may not merge with or into, consolidate, amalgamate, or be replaced by, or convey, transfer or lease its properties and assets substantially as an entirety to, any Person except pursuant to this Article IX. At the request of the Holders of the Common Securities, without the consent of the Holders of the Preferred Securities, the Trust may merge with or into, consolidate, amalgamate, or be replaced by or convey, transfer or lease its properties and assets substantially as an entirety to a trust organized as such under the laws of any State; provided, that:

(a) such successor entity either (i) expressly assumes all of the obligations of the Trust under this Trust Agreement with respect to the Preferred Securities or (ii) substitutes for the Preferred Securities other securities having substantially the same terms as the Preferred

53

Securities (such other Securities, the "Successor Securities") so long as the Successor Securities have the same priority as the Preferred Securities with respect to distributions and payments upon liquidation, redemption and otherwise;

(b) a trustee of such successor entity possessing substantially the same powers and duties as the Property Trustee is appointed to hold the Notes;

(c) if the Preferred Securities or the Notes are rated, such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease does not cause the Preferred Securities or the Notes (including any Successor Securities) to be downgraded by any nationally recognized statistical rating organization that then assigns a rating to the Preferred Securities or the Notes;

(d) the Preferred Securities are listed, or any Successor Securities will be listed upon notice of issuance, on any national securities exchange or interdealer quotation system on which the Preferred Securities are then listed, if any;

(e) such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease does not adversely affect the rights, preferences and privileges of the Holders of the Preferred Securities (including any Successor Securities) in any material respect;

(f) such successor entity has a purpose substantially identical to that of the Trust;

(g) prior to such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease, the Depositor has received an Opinion of Counsel to the effect that (i) such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease does not adversely affect the rights, preferences and privileges of the Holders of the Preferred Securities (including any Successor Securities) in any material respect; (ii) following such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease, neither the Trust nor such successor entity will be required to register as an "investment company" under the Investment Company Act and (iii) following such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease, the Trust (or the successor entity) will continue to be classified as a grantor trust for U.S. federal income tax purposes; and

(h) the Depositor or its permitted transferee owns all of the common securities of such successor entity and guarantees the obligations of such successor entity under the Successor Securities at least to the extent provided by the Guarantee Agreement.

Notwithstanding the foregoing, the Trust shall not, except with the consent of Holders of all of the Preferred Securities, consolidate, amalgamate, merge with or into, or be replaced by or convey, transfer or lease its properties and assets substantially as an entirety to any other Person or permit any other entity to consolidate, amalgamate, merge with or into, or replace, the Trust if such consolidation, amalgamation, merger, replacement, conveyance, transfer or lease would cause the Trust or the successor entity to be taxable as a corporation or classified as other than a grantor trust for United States federal income tax purposes or cause the Notes to be treated as other than indebtedness of the Depositor for United States federal income tax purposes.

and (ii) receipt by the Trustees of an Opinion of Counsel to the effect that such amendment or the exercise of any power granted to the Trustees in accordance with such amendment will not cause the Trust to be taxable as a corporation or classified as other than a grantor trust for United States federal income tax purposes or affect the treatment of the Notes as indebtedness of the Depositor for United States federal income tax purposes or affect the Trust's exemption from status (or from any requirement to register) as an "investment company" under the Investment Company Act.

(d) Notwithstanding any other provision of this Trust Agreement, no Trustee shall enter into or consent to any amendment to this Trust Agreement that would cause the Trust to be taxable as a corporation or to be classified as other than a grantor trust for United States federal income tax purposes or that would cause the Notes to fail or cease to be treated as indebtedness

[FORM OF REVERSE OF SECURITY]

The Trust promises to pay Distributions from November 1, 2004, or from the most recent Distribution Date to which Distributions have been paid or duly provided for, quarterly (subject to deferral as set forth herein) in arrears on December 31, March 31, June 30 and September 30 of each year, commencing on December 31, 2004, at a fixed rate per annum equal to 5.71% of the Liquidation Amount of the Preferred Securities represented by this Preferred Securities Certificate through the Distribution Date in December, 2009 and a variable rate per annum, reset quarterly, equal to LIBOR plus 1.90% of the Liquidation Amount of the Preferred Securities represented by this Preferred Securities Certificate, thereafter, together with any Additional Interest Amounts, in respect to such period.

Distributions on the Trust Securities shall be made by the Paying Agent from the Payment Account and shall be payable on each Distribution Date only to the extent that the Trust has funds then on hand and available in the Payment Account for the payment of such Distributions.

In the event (and to the extent) that the Depositor exercises its right under the Indenture to defer the payment of interest on the Notes, Distributions on the Preferred Securities shall be deferred.

Under the Indenture, so long as no Note Event of Default pursuant to paragraphs (c), (e) or (f) of Section 5.1 of the Indenture has occurred and is continuing, the Depositor shall have the right, at any time and from time to time during the term of the Notes, to defer the payment of interest on the Notes for a period of up to twenty (20) consecutive quarterly interest payment periods (each such extended interest payment period, an "Extension Period"), during which Extension Period no interest shall be due and payable (except any Additional Tax Sums that may be due and payable). No interest on the Notes shall be due and payable during an Extension Period, except at the end thereof, but each installment of interest that would otherwise have been due and payable during such Extension Period shall bear Additional Interest (to the extent payment of such interest would be legally enforceable) at fixed rate per annum equal to 5.71% through the Interest Payment Date in December, 2009, and a variable rate per annum, reset quarterly, equal to LIBOR plus 1.90% thereafter, compounded quarterly, from the dates on which amounts would have otherwise been due and payable until paid or until funds for the payment thereof have been made available for payment. If Distributions are deferred, the deferred Distributions (including Additional Interest Amounts) shall be paid on the date that the related Extension Period terminates to Holders (as defined in the Trust Agreement) of the Trust Securities as they appear on the books and records of the Trust on the record date immediately preceding such termination date.

Distributions on the Securities must be paid on the dates payable (after giving effect to any Extension Period) to the extent that the Trust has funds available for the payment of such Distributions in the Payment Account of the Trust. The Trust's funds available for Distribution to the Holders of the Preferred Securities will be limited to payments received from the Depositor. The payment of Distributions out of moneys held by the Trust is guaranteed by the Depositor pursuant to the Guarantee Agreement.

Ladies and Gentlemen:

In connection with our purchase of the Preferred Securities we confirm that:

1. We understand that the Preferred Securities (the "Preferred Securities") of CCBG Capital Trust I (the "Trust") (including the guarantee (the "Guarantee") of Capital City Bank Group, Inc. (the "Company") executed in connection therewith) and the Junior Subordinated Notes due 2034 of the Company (the "Subordinated Notes") (the Preferred Securities, the Guarantee and the Subordinated Notes together being referred to herein as the "Offered Securities"), have not been registered under the Securities Act of 1933, as amended (the "Securities Act"), and may not be offered or sold except as permitted in the following sentence. We agree on our own behalf and on behalf of any investor account for which we are purchasing the Offered Securities that, if we decide to offer, sell or otherwise transfer any such Offered Securities, (i)

such offer, sale or transfer will be made only (a) to the Trust, (b) to a person we reasonably believe is a "qualified institutional buyer" (a "QIB") (as defined in Rule 144 under the Securities Act) in a transaction meeting the requirements of Rule 144A, (c) to an institutional "accredited investor" within the meaning of subparagraph (a) (1), (2), (3) or (7) of Rule 501 under the Securities Act that is acquiring Offered Securities for its own account, or for the account of such an "accredited investor," for investment purposes and not with a view to, or for offer or sale in connection with, any distribution thereof in violation of the Securities Act, (d) pursuant to an effective registration statement under the Securities Act, or (e) pursuant to an exemption from the Securities Act, in each case in accordance with any applicable securities laws of any state of the United States or any other applicable jurisdiction and, in the case of (c) or (e), subject to the right of the Trust and the depositor to require an opinion of counsel and other information satisfactory to each of them. The foregoing restrictions on resale will not apply subsequent to the date on which, in the written opinion of counsel, the Preferred Securities are not "restricted securities" within the meaning of Rule 144 under the Securities Act. If any resale or other transfer of the Offered Securities is proposed to be made pursuant to clause (c) or (e) above, the transferor shall deliver a letter from the transferee substantially in the form of this letter to the Property Trustee as Transfer Agent, which shall provide as applicable, among other things, that the transferee is an "accredited investor" within the meaning of subparagraph (a) (1),

E-1

(2), (3) or (7) of Rule 501 under the Securities Act that is acquiring such Securities for investment purposes and not for distribution in violation of the Securities Act. We acknowledge on our behalf and on behalf of any investor account for which we are purchasing Securities that the Trust and the Company reserve the right prior to any offer, sale or other transfer pursuant to clause (c) or (e) to require the delivery of any opinion of counsel, certifications and/or other information satisfactory to the Trust and the Company. We understand that the certificates for any Offered Security that we receive will bear a legend substantially to the effect of the foregoing.

2. We are an "accredited investor" within the meaning of subparagraph (a) (1), (2), (3) or (7) of Rule 501 under the Securities Act purchasing for our own account or for the account of such an "accredited investor," and we are acquiring the Offered Securities for investment purposes and not with view to, or for offer or sale in connection with, any distribution in violation of the Securities Act, and we have such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of our investment in the Offered Securities, and we and any account for which we are acting are each able to bear the economic risks of our or its investment.

3. We are acquiring the Offered Securities purchased by us for our own account (or for one or more accounts as to each of which we exercise sole investment discretion and have authority to make, and do make, the statements contained in this letter) and not with a view to any distribution of the Offered Securities, subject, nevertheless, to the understanding that the disposition of our property will at all times be and remain within our control.

4. In the event that we purchase any Preferred Securities or any Subordinated Notes, we will acquire such Preferred Securities having an aggregate stated liquidation amount of not less than \$100,000 or such Subordinated Notes having an aggregate principal amount not less than \$100,000, for our own account and for each separate account for which we are acting.

5. We acknowledge that we either (A) are not a fiduciary of a employee benefit, individual retirement account or other plan or arrangement subject to Title I of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), or Section 4975 of the Internal Revenue Code of 1986, as amended (the "Code") (each a "Plan"), or an entity whose underlying assets include "plan assets" by reason of any Plan's investment in the entity, and are not purchasing the Offered Securities on behalf of or with "plan assets" by reason of any Plan's investment in the entity, (B) are eligible for the exemptive relief available under one or more of the following prohibited transaction class exemptions ("PTCEs") issued by the U.S. Department of Labor: PTCE 96-23, 95-60, 91-38, 90-1 or 84-14 or another applicable exemption, or (C) our purchase and holding of this security, or any interest therein, is not prohibited by Section 406 of ERISA or Section 4975 of the Code with respect to such purchase or holding.

6. We acknowledge that the Trust and the Company and others will rely upon the truth and accuracy of the foregoing acknowledgments, representations, warranties and agreements and agree that if any of the acknowledgments, representations, warranties and agreements deemed to have been made by our purchase of the Offered Securities are no longer accurate, we shall promptly notify the Company. DETERMINATION OF LIBOR

With respect to the Trust Securities, the London interbank offered rate ("LIBOR") shall be determined by the Calculation Agent in accordance with the following provisions (in each case rounded to the nearest .000001%):

(1) On the second LIBOR Business Day (as defined below) prior to a Distribution Date beginning on December 31, 2009 (each such day, a "LIBOR Determination Date"), LIBOR for any given security shall, for the following distribution period, equal the rate, as obtained by the Calculation Agent from Bloomberg Financial Markets Commodities News, for three-month U.S. Dollar deposits in Europe, which appears on Dow Jones Telerate Page 3750 (as defined in the International Swaps and Derivatives Association, Inc. 1991 Interest Rate and Currency Exchange Definitions), or such other page as may replace such Page 3750, as of 11:00 a.m. (London time) on such LIBOR Determination Date.

(2) If, on any LIBOR Determination Date, such rate does not appear on Dow Jones Telerate Page 3750 or such other page as may replace such Page 3750, the Calculation Agent shall determine the arithmetic mean of the offered quotations of the Reference Banks (as defined below) to leading banks in the London interbank market for three-month U.S. Dollar deposits in Europe in an amount determined by the Calculation Agent by reference to requests for quotations as of approximately 11:00 a.m. (London time) on the LIBOR Determination Date made by the Calculation Agent to the Reference Banks. If, on any LIBOR Determination Date, at least two of the Reference Banks provide such quotations, LIBOR shall equal such arithmetic mean of such quotations. If, on any LIBOR Determination Date, only one or none of the Reference Banks provide such quotations, LIBOR shall be deemed to be the arithmetic mean of the offered quotations that leading banks in the City of New York selected by the Calculation Agent are quoting on the relevant LIBOR Determination Date for three-month U.S. Dollar deposits in Europe in an amount determined by the Calculation Agent by reference to the principal London offices of leading banks in the London interbank market; provided, that if the Calculation Agent is required but is unable to determine a rate in accordance with at least one of the procedures provided above, LIBOR shall be LIBOR as determined on the previous LIBOR Determination Date.

(3) As used herein: "Reference Banks" means four major banks in the London interbank market selected by the Calculation Agent; and "LIBOR Business Day" means a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) in London.
